Our aim is to offer appropriate play, education and care facilities for all children who attend regardless of their race, culture, religion, means or ability and to include families and outside agencies within the setting continuously throughout the year as much as we can/as and when needed. We will provide the resources, toys and equipment necessary and needed to enhance the children's learning environment in line with our vision (Below)

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Our vision

a. Our vision

To provide a team of knowledgeable and enthusiastic qualified practitioners to enable children to explore, discover & be curious in an environment where they feel safe, confident and valued.

Financial review

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources, toys and equipment to continue in operational existence for the foreseeable future and will continue to add to them to enhance children's learning and development as and when necessary and in accordance with the children's interests and needs.

b. Financial review

Principal funding sources; Romanby Preschool & Cabin Crew is local authority funded which is the primary source of funding. NYCC fund 2, 3 & 4 year old children to attend the setting. Funding is paid monthly to allow smooth running of accounts. Revenue generated from paying families include our before and after school club and holiday club. Income can also be evident through fundraising activities and donations. The charity also holds a small Lottery Licence through Local Authority which allows us to fundraise correctly, legally and accordingly when needed.

Reserves Policy; The trustees have a 2 month reserves policy for operating costs in reserves for the charity as the amount required for staff redundancies should the operations cease. The trustees recognise that 3 months+ would be a healthy reserve however as the Early Years Funding rates are still extremely low and fee rates can only be increased at a steady pace to keep custom this is not yet possible. For the past 2 years child attendance and numbers are at an all time low, this also includes school intake/Reception age children. September 2022 is the lowest intake in over 10 years for schools. The trend is still the Covid19 Pandemic and its' impact on Early Years & Education. The reserves policy is reviewed each financial year.

Structure, governance and management

a. Structure, governance and management

The overall management of the Preschool & out of school club rests with the Manager & Deputy Manager employed by the Committee and control of the Preschool & Out of school club rests with the management committee. The committee are also the charity trustees of the Preschool & out of school club.

The manager holds a Ba Hons Level 6 Degree in Early Years Childcare & Education, QTLS & Diploma Level 3 in business management. The Deputy Manager holds a level 4 qualification in Early Years Childcare & a business management Diploma Level 3 in Business Management. They are not opted in as Committee Members or Trustees of the Preschool.

The minimum number of committee members shall be 5 and the maximum shall be 12. The Committee always consists of a Chair, a Treasurer and a Secretary. Committee members are elected for a 1 year period at the Annual General Meeting. Retiring Committee Members are eligible for re-election unless they have served on the Committee in a capacity for 10 consecutive years. All Committee members have one vote each at Committee meetings and in the event of a tie, the Chair of Committee has a second or casting vote.

No Committee members are paid for services provided to the Preschool that form part of their duties as a Committee Member and Trustee. Trustees are properly appointed by process of election onto the Committee and further undergo a DBS check and EY2 check through our Governing Body OfSTED.

Plans for future periods

The Charity plans to continue its present activities in future. Funds are available to meet future needs where these have been identified.

The buildings' structure has been and will continue to be up kept in the form of repairs as and when necessary. This includes a future costly repair to the roof where insurance cover will be brought into play.

COVID-19

Due to the Covid-19 Pandemic, the last financial year has been a tough one to deal with seeing the setting closed for almost 6 months in 2021 due to the financial implications the setting would have faced if we stayed open for full services. Team were placed onto 80% Furlough and we were in a position to be able to top up wages by 20% due to still receiving Early Years Funding into the setting. Child attendee numbers dramatically reduced and cases in the area rose causing most settings to close within North Yorkshire.

Risk management

The board of Trustees have continued to meet virtually throughout Covid-19 pandemic and have communicated by telephone and email. Our financial position is reviewed on a monthly basis. We pay for a traded service from North Yorkshire County Council on a monthly basis too. They input our income and expenditure, generate our invoices and registers and have a robust accounts procedure in place which is shared with the treasurer of the charity to determine loss or profit in finances.

We have in place a two signature sign-off for any expenditure when using a cheque.

Expenditure below £1,000 is approved by the chair of the committee and requires 1 quote which can be the cost of the product/s or building work. £1,001 to £5,000 is approved by the chair of the committee and requires 2 quotes. £5,001 to £15,000 requires 3 quotes and is approved by the chair of the committee & treasurer. £15,000 and above is approved by all committee members.

Further we have our yearly accounts produced by North Yorkshire County Council (Traded service) and independently audited by Armstrong Watson Accounting Services.

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity and are satisfied that systems and procedures in place to mitigate our exposure to the major risks

3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

1. General information

Romanby Preschool is a registered charity with the Charity number 1031854. The address is Romanby Pre School, The Close, Northallerton, North Yorkshire, DL7 8BL.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Romanby Preschool meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.4 Tangible fixed assets and depreciation

Tangible fixed assets costing £NIL or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

ROMANBY PRESCHOOL
(An unincorporated charity)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2021

2. Accounting policies (continued)

2.4 Tangible fixed assets and depreciation (continued)

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following basis:

Portakabin	-	5% Straight Line
------------	---	------------------

2.5 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.8 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
