## **Annual Trustees' Report**

### **LEEDS TEMPLARS DISTRICT SCOUT COUNCIL TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31ST MARCH 2022**

#### **Structure, Governance & Management**

The District's governing documents are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and the Policy, Organisation & Rules of the Association. The District is a trust established under its rules which are common to all Scout Districts. The District is registered with the Charity Commissioners as a registered charity.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of the Scout Association. The Trustees of Leeds Templars District Scout Council are the members of the District Executive Committee which comprises of ex-officio members, members elected by the District Scout Council at the annual general meeting, members nominated by the District Commissioner on an annual basis and co-opted members.

The District Chairman, the District Treasurer, the District Secretary, the District Commissioner, District Youth Commissioner, and the District Explorer Scout Commissioner are ex-officio members. The constitution allows for up to six members of the District Scout Council to be elected and the District Commissioner may nominate up to six members. The number of nominated members must not exceed the number of elected members. A further six members may be co-opted by the District Executive Committee if required. The number of co-opted members must not exceed the number of elected members.

The trustees are responsible for complying with legislation applicable to Charities. This includes the registration, keeping of proper accounts and making returns to the Charity Commission. The trustees are also responsible for safeguarding the assets of the charity and thus for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Objectives and Activities**

The objectives of the District are as a unit of the Scout Association. The aim of the Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as

members of their local, national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training based on the Scout Promise and Law and guided by adult leadership.

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

### **Financial Review**

As can be seen from the accounts presented on the following pages, the District continues to operate in a financially stable and sound manner. We remain in a position to support the development of Scouting across the local area. The accounts have been prepared on a receipts and payments basis and includes the activities of the District Explorer Scout Units reported under "restricted funds". At the end of the financial year income reserves amount to £63,065 (2021 £54,053), of which £16,545 (2021 £17,673) related to reserves in respect of the District Explorer Scouts.

The district's policy on reserves is to hold an amount in reserve that would cover expenditure for approximately twelve months. At present, the District reserve funds are higher than this figure. This is in respect to a key receipt of £8,000 which was the last of the Government's Covid Recovery Grants.

The investment policy of the District is to hold the majority of its liquid assets on a short-term basis using mainstream banks and building societies and the Scout Association Short Term Investment Service\*. A small amount £6,787 (2021 £7,175) is invested through a charity investment fund in bonds and gifts, this investment is held for the medium to long term and as such the risk to the District of the fluctuation in the market value of the investment is minimised.

*\*The SASTIS system is currently under development and therefore obtaining a value for these funds is currently not possible. The money is however secure and will be updated as an addendum to the accounts once the system is completed.*

### **Chairman's Commentary**

We have continued to work in the best interests of the charity, supporting the district as a whole. During this period, we continued to face the lingering effects of the pandemic, but have seen the collaboration between the groups and the district overcome these

challenges. We are fortunate to maintain our financial position, whilst increasing our support of groups and events financially this year. It's great to see the effects and benefits from the money we have spent this year in making Scouting happen in Leeds Templars. We look forward to another fantastic year ahead.

This report and the accompanying accounts were approved by the Trustees on 1<sup>st</sup> September 2022 and signed on their behalf by:

### **Financial Review**

We remain in a position to support the development of Scouting across the local area. The accounts have been prepared on a receipts and payments basis and includes the activities of the District Explorer Scout Units. At the end of the financial year income reserves amount to £54,053 (2020 £46,909), of which £17,673 (2020 £9,545) related to reserves in respect of the District Explorer Scouts.

The district's policy on reserves is to hold an amount in reserve that would cover expenditure for approximately twelve months. At present, the District reserve funds are higher than this figure. This is in respect to two key receipts: the first, was a £10,000 grant from Leeds County Council as part of the Covid Response Funds from central Government, of which the District Executive has reserved £4,000 into a "Group Support Fund" during this time, and £6,000 to be invested into district development, of which circa £3,500 has been spent to date. The second receipt to the district includes donations to the Explorer Scout Units to the sum of £8,726, which will be utilised over the next year to support the Explorer Scout Provision.

The investment policy of the District is to hold the majority of its liquid assets on a short-term basis using mainstream banks and building societies and the Scout Association Short Term Investment Service\*. ### **Chairman's Commentary**

We have continued to work in the best interests of the charity, supporting the district as a whole as we progress through the secondary effects of the global pandemic. We have been fortunate to receive additional government funding as part of the Covid-19 Support Grants. We continue to provide financial stability for our charity and have also been able to invest in future growth and development. We are conscious of our need to support groups through these

Changes to the time of reporting the annual subscriptions (membership fee) to the Scout Headquarters shows a difference in the use of accounts included. Below is an explanation of the difference in the closing bank account value to 2019-20 and the opening balance for the current account 2020-21. These have been detailed below to accompany the trustee's report and the accounts submitted.

In previous years under the previous Treasurer, membership fees paid to Scouting Headquarters was collected towards the end of the financial year and paid after the year close. In the financial year 2019-20, the payment of this fee (£22,368.50) was made prior to the year end and accounted for, however these funds left the account at the start of the 2020-21 financial year.

Under the new Treasurer, the opening balance re-includes these funds and are accounted as an expense. Within the same financial year 2020-21, the in-year membership fees were collected and expensed again, matching an expenditure of (£22,368.50).

Alongside these changes of accounting, the closing balance for 2019-20 included the restricted funds reserved for badges to the value of £1,698. Resulting in a closing current balance of £12,772 as reported at the end of 2019-20.

With the pending payment of £22,368.50 and the closing balance of £12,772 the opening balance of 2019-20 is £35,131, as reported in the attached accounts.
