The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>The charity's principal source of funds comes through regular sponsorship.</p> <p>Other funds are received through one off donations, fundraising events (such as our annual quiz), collections from local supporters such as schools and churches.</p> <p>£550.00 was raised through our quiz night in October 2023.</p> <p>We have in past years worked with a professional fundraiser to raise much needed funds towards supporting our children in the areas of education, health and food as well as campaigning for our building project. In the last financial year we did not employ the fundraiser.</p> <p>All funds spent during the financial year have been in support of the key objectives of the charity.</p>
Investment policy and objectives including any social investment policy adopted	Para 1.46	FRO does not have any investments, and therefore, has no investment policy.
A description of the principal risks facing the charity	Para 1.46	<p>FRO continues to work to widen the field of supporters and sponsors. As a small charity that started with friends of friends supporting the work, the need for new sponsors is a real necessity. The need always outstrips the support.</p> <p>Communication and working cross culturally is one of our greatest challenges. Regular trustees visits are essential to the continued management and oversight of the project.</p> <p>Fundraising is another area that we need to work to strengthen. Although we have regular supporters giving monthly sponsorship we still are reliant on one off donations and fundraising for special projects.</p>
