 - a. District Chair Eric Williams 2nd year of the 3 year term.
 - b. Appoint the District Treasurer, following recommendation from the open selection process initiated by the District Trustee Board
 - c. Appoint members of the District Trustee Board, all are in their 2nd year of the 3 year term.
 - d. Appoint the Independent Examiner
6. **Closing remarks**

Fareham West District Scout Council
Minutes of Annual General Meeting
Held on Thursday 27th June 2024 at 1st Stubbington Scout HQ

Present: There were 16 people present. [sheet attached]

1. Introduction and welcome:

Eric Williams, District Trustee chair, welcomed everyone to the meeting. He thanked 1st Stubbington for the use of their HQ and acknowledged the voiced disappointment from the floor that only 16 Adult Volunteers were attending from the 222 Adult Volunteers registered in the 2024 Census. However, as the District Constitution requires a minimum of 15 to be in attendance to be quorate, the meeting would continue and resolutions could be voted on and determined.

2. Apologies for absence:

Apologies have been received from Councillor Malcolm Daniells; Joe Mountain; Amanda Thompson; Brian Graham and Ashley Franklin.

3. Governance topics

- a. **Approve the minutes of the Annual General Meeting held on 22nd June 2023.** The minutes, as contained in the report book available tonight, were approved by the Trustees at their meeting on 14th September 2023 and are now brought to this AGM for the formal approval of the meeting.
Proposed by: Eric Williams and Seconded by: Claire Ashley. The meeting voted unanimously to accept the minutes as a true and correct record.
- b. **Adopt the model constitution from Policy, Organisation and Rules (POR).**
Eric will e-mail copy of FW details
<https://www.scouts.org.uk/por> [March 2024 POR Chapter 5]
- c. **Note the District's financial year.** 1st April to 31st March.
- d. **Approve appointed and community members of the District Scout Council.**
None.
- e. **Agree the number of members that may be appointed to the Trustee Board.** The Trustees recommend 12 be appointed. Seconded by Paul Dowman-Tucker. Unanimous vote of approval.
- f. **Agree the quorum for future meetings of the District Scout Council (excluding this AGM).** After a short discussion the proposal of retaining the number at 15 was put by Eric Williams, seconded by Claire Ashley. A unanimous vote of approval is recorded.

4. **Review of the previous year**

a. **The District Lead Volunteer's review of Scouts in the Fareham West Scout District is contained in the AGM report book.**

District Lead Volunteer, Mark Elbourn, brought the meetings' attention to the drop in number for 2024 Census of Adult Volunteers and the drop in Nights Away and other activities. He was appreciative of the Adult Volunteers sustained efforts to keeping training up-to-date and commented on the excellent number of Awards achieved by both Adults and Young People. He thanked Maria Lennan and Claire Ashley for their outstanding support given by covering multiple vacant positions in the District, and also thanked **all** Adults in the District for their commitment and work in the past year.

Jim Cook asked if any recruitment drive for Adult Volunteers had been done in the past year? Mark advised that both 1st and 2nd Stubington Groups had done some work with the County Development Team over the last year and this resulted in 3 possible Adult Volunteer recruitments, so not overly successful. However, more work will be done in the coming 12 months.

Rachel Smithson – [ADC Squirrels] was pleased to report the recruitment of 15 leaders in the past 2 years – however, they appear to 'move with their children' when the children progress to the next group. They have also seen successful Family Day events, but more of this will be published when the National Pilot Scheme [of which they are a part] gives its report later in the year.

b. **Receive and consider the Annual Report of the District Trustee Board, including the annual Statement of the Accounts.**

Copies of all financial accounts have been circulated prior to this meeting and are also contained in the Report Book. The District Trustee Board has approved the Annual Reports and Statement of Accounts, and the report on the accounts has been received from the Independent Examiner. Eric briefly talked the meeting through them. The District is in a good state of affairs, however there is currently no District Treasurer. In accordance with POR, Eric has undertaken the role of Bookkeeper and Malcolm Harvey-Ross has undertaken the role of authorised Finance Payer. Mark thanked them both for their diligence and hard work.

5. **Making appointments**

a. **Appoint the District Chair, following recommendation from the open selection process initiated by the District Trustee Board.**

There were no nominees through the open selection process and the Trustee Boards therefore propose Eric Williams to serve as District Chair for a period of 3 years. This was accepted unanimously. Eric reminded the meeting that if anyone wishes to attend a Trustee meeting, they now need to pre-request to attend as no one is able to just 'turn up on the night'.

- b. Appoint the District Treasurer, following recommendation from the open selection process initiated by the District Trustee Board.** No recommendations were received. The position remains vacant.
- c. Appoint members of the District Trustee Board, following recommendations from the open selection process initiated by the District Trustee Board.**

Chair explains the open selection process agreed by the Trustee Board. The recommendation to the District Scout Council is that Paul Downam-Tucker, Richard Cannadine, Claire Ashley, Keith Jefferies, Malcolm Harvey-Ross, Anna Greenfield & Clr Malcolm Daniells should be appointed as members of the District Trustee Board for the next 3 years. Duly appointed also are:
ex-officio: Mark Elbourn as team DC rep.; Jamie Crowe as DYC. The Treasurer position is vacant. District Secretary is not now a Trustee position – in accordance with Charity Commission rules. There remains room for the appointment of 2 or 3 more Trustees. Eric thanked both Nicola McCullum and Richard Thompson for their contributions to the Board over the past year.

- d. Appoint the Independent Examiner.**

David Kemp was proposed and unanimously approved to be the Independent Examiner.

6. Closing remarks.

Eric thanked everyone for supporting tonight's AGM attendance.

7. Presentation of Award.

Richard Cannadine was presented with his 30 year service award by the District Lead Volunteer, Mark Elbourn.

8. Final item!

After a short discussion among those present at the meeting, Malcolm Harvey-Ross volunteered to become Treasurer for a period of no longer than 12 months. Claire Ashley proposed and Jim Cook seconded the motion to appoint Malcolm Harvey-Ross to the position of Treasurer. It was carried by a unanimous vote to accept.

There being no further items for discussion the meeting closed at 2000hrs.

Date of the next Trustee Board meeting: 19th September 2024, 7.30pm at 1st Stubbington HQ.

District Chair's Report 2024/25

I would firstly like to thank the District Trustees for their time and commitment over the past year, we have met 6 times over that period and the meetings have been well supported. Decisions have been made to enhance the District with a new activity - Crossbows which will be launched in 2025. This one activity has cost nearly £2000 but I am sure will be popular by those who will be using them in the near future. We hope we can provide funding for some other activities around the District, possibly for our younger sections as we need to make sure there is a proper progression in what each section does as they go through Squirrels, Beavers, Cubs, Scouts and Explorers. There isn't a bottomless pit of money so we cannot do everything you would like but if you have any suggestions please feel free to reach out to the District Trustees.

Following on from the "All Leaders Meeting" in January 2025, the District Trustees took into account the recommendation from this meeting to keep funding the Everetts campsite from our funds. We are lucky in our District to have three camping sites - A.E. Roberts (Fareham West owned), Everetts (jointly owned with Denewulf) and Lyons Copse (jointly owned by us and 3 other Districts) but each of these sites need to be kept in good order by volunteers, which we are eternally grateful for the time given by the volunteers who go along to do this. Everyone has a responsibility to help out when asked even just an hour or two, it was disappointing when the Lyons Copse "Big Clean" weekend was so poorly supported by our District. A.E. Roberts and Everetts are funded by the District whereas Lyons Copse is funded by the fees it charges when you camp or have activities there.

My sincere thanks goes out to all the District Team Volunteers and each and everyone of the volunteers which keep the Groups going whether it be in a leadership or a supporting role the Young People could not be a member of our great Scouting Movement without you.

YIS

Eric Williams

Chairman, District Trustee Board of Fareham West Scouts

District Lead Volunteer Annual Report Annual General Meeting 2025

The last 12 months have been busy and provided quality Scouting both from within the Sections in the Groups, the Explorer Units and the District as a whole. Many thanks to the adult volunteers, whether you are there in an operational or governance role for enabling the young people to attend weekly meetings, the young people themselves and their parents.

This year saw us change from the online membership system that was known as Compass (it sometimes pointed in the right direction) to the new system known as scouts.org.uk. Otherwise known as Compass Replacement Adult Portal due to it not living up to the hype we were given.

At the end of December, Brian Graham stood down as a part of the DLV Team.

We are looking at filling the following roles in the District Team, and if anyone would like to volunteer to be considered, please email us:

Team Leader – Volunteer Development

Team Leader – Support

Group Lead – 1st Titchfield Sea Scout Group

Team Members for various supporting and activity teams

Various roles within many if not all of the groups plus Explorers.

If anyone is interested in helping with any of the above roles, please reach out to us and we can point you in the right direction.

The census for this year (January 2025) has seen an overall small drop in young people numbers again compared to January 2024. The census has once again shown that as a District, we have enough registered on waiting lists to open three more groups. 579 in January 2024 compared to 450 in January 2025.

The table below shows the numbers for this year, compared to last:

Section	2024	2025	+/-
Squirrels	69	58	11
Beavers	249	249	0
Cubs	302	308	6
Scouts	233	244	11
Explorers	60	48	12
Network	1	2	1
Youth Totals	914	909	5
Adult Volunteers	293	253	40
TOTAL	1207	1162	45

We would like to thank all those that have supported the District and ourselves over the last year. Whether you are Leaders, Trustees, Parents or Young People. We would like to make a special mention to Malcolm Harvey-Ross for covering the role of Treasurer since the last AGM when he agreed to cover for 12 months to keep us in line with the rules of Scouting and Charity Commission.

Over the last 12 months, the number of adults with outstanding Mandatory Ongoing Learning (MOGL), has dropped significantly. A big thank you must go to all the GLVs, Tas (old system), and those that have required to update their safety and safeguarding training to bring this number down. We receive monthly reports from HQ, and we try to anticipate this by pulling reports off the system (but this is not usually very helpful). Part of the report from HQ now is looking at first aid, New Safety module, and logging in to the system, as well as the continuation of including Safety and Safeguarding.

Permits for activities have continued to be issued where it is required. These are for both land and water-based activities.

Lyons Copse Duties have continued to be covered, but we could do with more support to cover our allocation of duties each year. Please remember that it doesn't have to be a leader that covers these duties, it can be a Trustee or an Occasional Helper. The minimum training for this is Safety and Safeguarding. There are people within the District and Lyons Copse, who will support those who have not covered a warden duty before. This can be done either beforehand, or over the weekend.

Congratulations to all those that have gained their top award for their section, whether this be Chief Scout's Acorn Award, Chief Scout's Bronze, Silver, Gold, Diamond or Platinum Awards, or the King's Scout Award. Also, to those adult volunteers who have been awarded years service or meritorious awards or Wood Badges. Every one has been well earned and deserved for the dedication and effort it has taken to be recognised.

This report has gone on long enough, so I would like to once again, thank everyone for what you are doing for Scouting within Fareham West, and look forward to continuing to work with you over the coming days, weeks, months and years. Stay safe and continue to provide the excellent Scouting experiences you have been providing for the young people of the district.

YiS

Mark Elbourn and Claire Ashley

District Lead Volunteer Team - Fareham West

EVERETT'S COPPICE REPORT TO THE DENEWULF AND FAREHAM WEST DISTRICTS AGMs FOR 2025

General maintenance e.g., ditch clearing, re-instating fences, cutting up falling trees, repairing bridges, strimming brambles, transplanting plants within the coppice etc. was carried out during the year. All logs and brush from these from fallen trees were moved to existing piles and Log Stores. Wood Chippings have been laid on some of the tracks.

Both Denewulf and Fareham West Districts donated £500.00 each for maintenance of the Coppice.

Joe Mitchell as Warden of the Coppice has attended Denewulf Executive Meetings and Group Leader meetings during the year. Everett's Coppice reports were given to Fareham West for their meetings.

The four working parties held during 2024 were well supported and our thanks go to all those groups that came along and for their great efforts that they made to make them successful.

Four dates for the Working Parties during 2025 have been agreed, they are to be held on: the 1st of March; the 18th of May; the 13th of September; and the 7th of December.

The Green Tree badge scheme introduced in 2024 has been well supported. The Green Tree Badge aims to help children, schools, and families learn more about the amazing world of trees and forestry – the perfect way to understand the wider environment and especially the connection our coppice has with it.

Since the last Everett's AGM report for 2024, the Coppice has been used 77 times.

Booking of Everett's Coppice is still available using OSM. Both the Pedestrian Gate and the Front Gate are now fitted with combination locks using the same combination number for both locks, OSM will provide this combination number to sections 24hrs before the date booked.

A meeting was held between a Hampshire County Counsellor, Everett's coppice committee and representatives from both districts to discuss possible solutions to dropping off groups off safely. Members of the coppice committee have sent both District Chairmen a Map of proposed new exit / drop off area for discussion.

The Denewulf District Chairperson and the Everetts committee have had a meeting with Grenergy, a company who are planning to install a Battery Energy Storage System (BESS) in the field north of Everetts Coppice. This dialogue is ongoing.

Dave Kemp

Everett's Coppice Secretary

a. **Appoint the District Chair, following recommendation from the open selection process initiated by the District Trustee Board.**

There were no nominees through the open selection process and the Trustee Boards therefore propose Eric Williams to serve as District Chair for a period of 3 years. This was accepted unanimously. Eric reminded the meeting that if anyone wishes to attend a Trustee meeting, they now need to pre-request to attend as no one is able to just 'turn up on the night'.

- b. Appoint the District Treasurer, following recommendation from the open selection process initiated by the District Trustee Board.** No recommendations were received. The position remains vacant.
- c. Appoint members of the District Trustee Board, following recommendations from the open selection process initiated by the District Trustee Board.**

Chair explains the open selection process agreed by the Trustee Board. The recommendation to the District Scout Council is that Paul Downam-Tucker, Richard Cannadine, Claire Ashley, Keith Jefferies, Malcolm Harvey-Ross, Anna Greenfield & Clr Malcolm Daniells should be appointed as members of the District Trustee Board for the next 3 years. Duly appointed also are:
ex-officio: Mark Elbourn as team DC rep.; Jamie Crowe as DYC.
The Treasurer position is vacant.
District Secretary is not now a Trustee position – in accordance with Charity Commission rules.
There remains room for the appointment of 2 or 3 more Trustees.
Eric thanked both Nicola McCullum and Richard Thompson for their contributions to the Board over the past year.

- d. Appoint the Independent Examiner.**

David Kemp was proposed and unanimously approved to be the Independent Examiner.

6. Closing remarks.

Eric thanked everyone for supporting tonight's AGM attendance.

7. Presentation of Award.

Richard Cannadine was presented with his 30 year service award by the District Lead Volunteer, Mark Elbourn.

8. Final item!

After a short discussion among those present at the meeting, Malcolm Harvey-Ross volunteered to become Treasurer for a period of no longer than 12 months. Claire Ashley proposed and Jim Cook seconded the motion to appoint Malcolm Harvey-Ross to the position of Treasurer. It was carried by a unanimous vote to accept.

There being no further items for discussion the meeting closed at 2000hrs.

Date of the next Trustee Board meeting: 19th September 2024, 7.30pm at 1st Stubbington HQ.

District Chair's Report 2024/25

I would firstly like to thank the District Trustees for their time and commitment over the past year, we have met 6 times over that period and the meetings have been well supported. Decisions have been made to enhance the District with a new activity - Crossbows which will be launched in 2025. This one activity has cost nearly £2000 but I am sure will be popular by those who will be using them in the near future. We hope we can provide funding for some other activities around the District, possibly for our younger sections as we need to make sure there is a proper progression in what each section does as they go through Squirrels, Beavers, Cubs, Scouts and Explorers. There isn't a bottomless pit of money so we cannot do everything you would like but if you have any suggestions please feel free to reach out to the District Trustees.

Following on from the "All Leaders Meeting" in January 2025, the District Trustees took into account the recommendation from this meeting to keep funding the Everetts campsite from our funds. We are lucky in our District to have three camping sites - A.E. Roberts (Fareham West owned), Everetts (jointly owned with Denewulf) and Lyons Copse (jointly owned by us and 3 other Districts) but each of these sites need to be kept in good order by volunteers, which we are eternally grateful for the time given by the volunteers who go along to do this. Everyone has a responsibility to help out when asked even just an hour or two, it was disappointing when the Lyons Copse "Big Clean" weekend was so poorly supported by our District. A.E. Roberts and Everetts are funded by the District whereas Lyons Copse is funded by the fees it charges when you camp or have activities there.

My sincere thanks goes out to all the District Team Volunteers and each and everyone of the volunteers which keep the Groups going whether it be in a leadership or a supporting role the Young People could not be a member of our great Scouting Movement without you.

YIS

Eric Williams

Chairman, District Trustee Board of Fareham West Scouts

District Lead Volunteer Annual Report Annual General Meeting 2025

The last 12 months have been busy and provided quality Scouting both from within the Sections in the Groups, the Explorer Units and the District as a whole. Many thanks to the adult volunteers, whether you are there in an operational or governance role for enabling the young people to attend weekly meetings, the young people themselves and their parents.

This year saw us change from the online membership system that was known as Compass (it sometimes pointed in the right direction) to the new system known as scouts.org.uk. Otherwise known as Compass Replacement Adult Portal due to it not living up to the hype we were given.

At the end of December, Brian Graham stood down as a part of the DLV Team.

We are looking at filling the following roles in the District Team, and if anyone would like to volunteer to be considered, please email us:

Team Leader – Volunteer Development

Team Leader – Support

Group Lead – 1st Titchfield Sea Scout Group

Team Members for various supporting and activity teams

Various roles within many if not all of the groups plus Explorers.

If anyone is interested in helping with any of the above roles, please reach out to us and we can point you in the right direction.

The census for this year (January 2025) has seen an overall small drop in young people numbers again compared to January 2024. The census has once again shown that as a District, we have enough registered on waiting lists to open three more groups. 579 in January 2024 compared to 450 in January 2025.

The table below shows the numbers for this year, compared to last:

Section	2024	2025	+/-
Squirrels	69	58	11
Beavers	249	249	0
Cubs	302	308	6
Scouts	233	244	11
Explorers	60	48	12
Network	1	2	1
Youth Totals	914	909	5
Adult Volunteers	293	253	40
TOTAL	1207	1162	45

We would like to thank all those that have supported the District and ourselves over the last year. Whether you are Leaders, Trustees, Parents or Young People. We would like to make a special mention to Malcolm Harvey-Ross for covering the role of Treasurer since the last AGM when he agreed to cover for 12 months to keep us in line with the rules of Scouting and Charity Commission.

Over the last 12 months, the number of adults with outstanding Mandatory Ongoing Learning (MOGL), has dropped significantly. A big thank you must go to all the GLVs, Tas (old system), and those that have required to update their safety and safeguarding training to bring this number down. We receive monthly reports from HQ, and we try to anticipate this by pulling reports off the system (but this is not usually very helpful). Part of the report from HQ now is looking at first aid, New Safety module, and logging in to the system, as well as the continuation of including Safety and Safeguarding.

Permits for activities have continued to be issued where it is required. These are for both land and water-based activities.

Lyons Copse Duties have continued to be covered, but we could do with more support to cover our allocation of duties each year. Please remember that it doesn't have to be a leader that covers these duties, it can be a Trustee or an Occasional Helper. The minimum training for this is Safety and Safeguarding. There are people within the District and Lyons Copse, who will support those who have not covered a warden duty before. This can be done either beforehand, or over the weekend.

Congratulations to all those that have gained their top award for their section, whether this be Chief Scout's Acorn Award, Chief Scout's Bronze, Silver, Gold, Diamond or Platinum Awards, or the King's Scout Award. Also, to those adult volunteers who have been awarded years service or meritorious awards or Wood Badges. Every one has been well earned and deserved for the dedication and effort it has taken to be recognised.

This report has gone on long enough, so I would like to once again, thank everyone for what you are doing for Scouting within Fareham West, and look forward to continuing to work with you over the coming days, weeks, months and years. Stay safe and continue to provide the excellent Scouting experiences you have been providing for the young people of the district.

YiS

Mark Elbourn and Claire Ashley

District Lead Volunteer Team - Fareham West

EVERETT'S COPPICE REPORT TO THE DENEWULF AND FAREHAM WEST DISTRICTS AGMs FOR 2025

General maintenance e.g., ditch clearing, re-instating fences, cutting up falling trees, repairing bridges, strimming brambles, transplanting plants within the coppice etc. was carried out during the year. All logs and brush from these from fallen trees were moved to existing piles and Log Stores. Wood Chippings have been laid on some of the tracks.

Both Denewulf and Fareham West Districts donated £500.00 each for maintenance of the Coppice.

Joe Mitchell as Warden of the Coppice has attended Denewulf Executive Meetings and Group Leader meetings during the year. Everett's Coppice reports were given to Fareham West for their meetings.

The four working parties held during 2024 were well supported and our thanks go to all those groups that came along and for their great efforts that they made to make them successful.

Four dates for the Working Parties during 2025 have been agreed, they are to be held on: the 1st of March; the 18th of May; the 13th of September; and the 7th of December.

The Green Tree badge scheme introduced in 2024 has been well supported. The Green Tree Badge aims to help children, schools, and families learn more about the amazing world of trees and forestry – the perfect way to understand the wider environment and especially the connection our coppice has with it.

Since the last Everett's AGM report for 2024, the Coppice has been used 77 times.

Booking of Everett's Coppice is still available using OSM. Both the Pedestrian Gate and the Front Gate are now fitted with combination locks using the same combination number for both locks, OSM will provide this combination number to sections 24hrs before the date booked.

A meeting was held between a Hampshire County Counsellor, Everett's coppice committee and representatives from both districts to discuss possible solutions to dropping off groups off safely. Members of the coppice committee have sent both District Chairmen a Map of proposed new exit / drop off area for discussion.

The Denewulf District Chairperson and the Everetts committee have had a meeting with Grenergy, a company who are planning to install a Battery Energy Storage System (BESS) in the field north of Everetts Coppice. This dialogue is ongoing.

Dave Kemp

Everett's Coppice Secretary

Independent examiner's report on the accounts

CHARITY COMMISSION
FOR ENGLAND AND WALES

Section A Independent Examiner's Report

Report to the trustees/ members of	FAREHAM WEST DISTRICT SCOUT COUNCIL		
On accounts for the year ended	31/03/2025	Charity no (if any)	1033062
	Set out on pages		
<i>(remember to include the page numbers of additional sheets)</i>			

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Annual Report May 2021 - District Commissioner, Fareham West District

Wow! What a year the last year has been! It feels like we have been on one long roller coaster ride through varying degrees of strangeness and normality. We haven't quite got to the end but we are mostly still smiling!

The pandemic meant that we needed to reconsider how we do Scouting. The leaders were fantastic and stood up to think of ways to provide a programme to our young people on Zoom or other media platforms and also at a social distance when we were allowed to run face to face meetings. We are still in a pandemic and I hope that we can continue to progress towards a new normal and not have to revert to more Zoom meetings. I would like to say a massive thank you to all of the leaders and supporters who have stepped up and planned these programmes and undertaken the additional Covid risk assessments required. **You are amazing!**

In addition to this extraordinary year on the frontline we have been considering how we can consolidate the District leadership team and grow resilience for the future by developing roles to share the work across a number of people and not concentrated within the remit of a few. We held a District Development Plan session to start this work off. As ever, we will need to recruit people both from outside of Scouting and with people changing roles within Scouting.

Despite the challenges of the last year we have still been able to offer our young people participation in the Duke of Edinburgh Award scheme and the opportunity to learn and play an instrument in the Fareham Scout Band. Our Young Leader Adviser has continued with her hard work in supporting our young leaders and we have been able to award a number of missions and belt buckles. Our District Youth Commissioner has been working hard to engage with young people to identify what they want from Scouting and in particular to smooth the transition from the Scout to Explorer section.

Our Nights Away Adviser has continued to work hard in providing desktop nights away permit assessments to ensure that overnight activities can be run effectively and safely as soon as we are allowed to do so. Other assessors have continued to assess leaders for permits such as sailing and kayaking to ensure that we are able to provide a wide and safe adventurous programme for our young people. The wardens for our District campsite, AE Roberts Memorial, have continued to maintain and improve the site.

As we were unable to parade again this year we ran a St George's Day Challenge, called the Dragon Slayer, and ran an on-line event. We hope that 2022 will be the year when we can again get out to parade in the community to show the strength of Scouting in Fareham West.

The supporters of the District through our Executive Committee have continued to undertake a sterling job in ensuring that we are safe and have sufficient resources to run Scouting in Fareham West. Our Appointments Advisory Committee has ensured that all leaders recruited are appropriate to run activities safely with our young people. The requirements for training have changed during the year and our Training Advisers have worked hard with leaders and supporters to undertake the training appropriate to each person's role.

We have also been able to provide support to the Scouting assets of which we are part owners as a District such as Lyons Copse Campsite, Everetts Copse Activity Site, Fareham Scout Band and Fareham Scout Shop including working groups to improve the site and cleaning the buildings.

Our waiting lists are testimony to our popularity as well as evidence of the growing need for Scouting in the District and I have been working with fellow District Commissioners and the County Team to see how we can both recover the numbers of young people lost to Scouting during the pandemic and fulfil the need for Scouting in Fareham West.

In the last year we have been able to put some leaders forward for good service awards and need Groups continue to make nominations to the Awards Panel, so that we can recognise the good work of our leaders and supporters.

Looking forward we look to find ways to continue to remind the parents and supporters of our young people of the benefits of volunteering in Scouting. Without our volunteers we cannot provide the programme that we do. We have continued to develop our profile on-line and in the public eye including through our website and public Facebook page and we need people who can support with this. We are planning a District Camp in May 2022, which looks out of this world.

We will continue to develop fundraising opportunities and seek to fund HQs for those Groups who do not currently have their own building as this gives us certainty as we move into the future and seek to offer Scouting to the large number of young people on our waiting lists and in the new housing developments in our area.

I would like to end by thanking **all volunteers** for what they do for our Beavers, Cubs, Scouts, Explorers and Network members and for the support that we as leaders provide to each other. Most importantly I would like to thank the young people themselves for their enthusiasm and participation which is so rewarding to see. I look forward to being able to join section meetings during the year.

Here's to another successful Scouting year!

Sarah Anderson, District Commissioner, Fareham West Scout District

Independent examiner's report on the accounts

CHARITY COMMISSION
FOR ENGLAND AND WALES

Section A Independent Examiner's Report

Report to the trustees/ members of

On accounts for the year ended Charity no (if any)

Set out on pages

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
