

13th June 2022

Over the past year we have been very fortunate to have received generous donations, and a legacy. We have been bequeathed £110,000 from a local resident and over £15,000 from the family of a patient and individual supporters of the charity.

We have been able to purchase a microscope for educational benefit for the haematology department and instructional videos for the benefit of cancer patients undergoing plastic surgery.

We have surplus funds available to be used on our inpatient facility when it has been re-equipped.

Yours faithfully

Paul Moreton
Treasurer

1 Accounting Policies

A Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Wakefield Oncology leukaemia fund (WOLF) meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

B Preparation of the accounts on a going concern basis

Wakefield Oncology Leukaemia Fund(WOLF) is mostly dependent upon volunteers. The overheads are very low as most administration takes place at trustees homes. There are no paid staffing costs. Donations are used to buy equipment and aid the medical profession with their work and improve the comfort of patients during treatment. This all comes under the scope of patients and professionals dealing with illnesses associated with Leukaemia in the Wakefield area.

C Reserves Policy

In common with many charities the trustees have considered it prudent to set aside a part of the accumulated surplus to pay for future projects. Several Legacies have been received and the trustees will decide upon the most appropriate usage of these funds to gain maximum benefit for the Leukaemia patients.

D Income

All income is recognised when received

E Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity, this is normally upon notification of the interest paid or payable by the bank

F Volunteers

The value of the work performed by our volunteers without charge is not incorporated into these financial statements. Although the value is considerable, it is excluded due to the difficulty of valuing it's reliability

G Inventory (Stock) and Fixed assets

There is no stock or fixed assets as all equipment purchased is donated directly to the hospital

H Funds Accounting

Restricted funds are monies where the donor requires that the donation must be spent on a particular purpose and returnable if unspent in a set period of time
