Activities

Objects: THE ADVANCEMENT OF PUBLIC EDUCATION IN THE JET HERITAGE OF THE UNITED KINGDOM BY THE RESTORATION PRESERVATION AND EXHIBITION OF HISTORIC JET AIRCRAFT

Activities: The Bournemouth Aviation Museum is now situated opposite the airport in the grounds of Adventure Wonderland .The museum is open every day during the summer 10am till 5pm and at weekends in the winter from 10am until 4pm. The museum will only be closed during this time due to adverse weather or shortage of volunteers. We always need more volunteers to keep the museum open.

Trustees' Report

Objectives and Activities

During the reporting period, the museum underwent significant restructuring and development. A major addition to the site has increased the overall footprint by approximately 30%, providing valuable space to expand the collection and enhance the visitor experience.

In line with our commitment to broadening public engagement, we introduced several new events. Notably, a children's disco was held multiple times over the summer months and proved highly popular. We are currently planning to expand our events calendar further in the coming year to attract wider audiences and provide more diverse experiences.

Financial Review

The financial performance of the museum has improved considerably compared to the previous year, resulting in a strong and stable financial position. This has allowed the Trustees to invest confidently in the development of the site and the expansion of the collection. Thus, furthering our charitable objectives and improving the overall offer to the public.

Public Benefit

The Trustees are pleased to report that the museum continues to provide significant public benefit through its educational and cultural offerings. The variety and quality of our exhibits continue to attract and engage visitors of all ages. Regular site maintenance and ongoing upgrades have ensured that the visitor experience remains safe, accessible, informative and enjoyable.

A new on-site coffee shop has been established, adding a further amenity for visitors, encouraging longer stays, as well as being an additional revenue stream for the museum. With that, the museum shop has also doubled in size and now offers a much wider range of merchandise, supporting both the visitor experience and income generation.

The museum has also had great success in strengthening its links with local schools, resulting in a notable increase in educational visits. The feedback from these visits has been overwhelmingly positive, providing an environment in which children can actively engage with the exhibits in a fun and meaningful way.

A key addition during the year has been the creation of a dedicated heritage room, which showcases the region's rich aviation history. This includes a special section in honour of Flight Lieutenant Jon Egging of the Red Arrows, deepening our connection to the local community and its heritage.

Structure, governance and management

Principal Activity

The principal activity of the company during the year was that of running an aviation museum.

Legal Status

The charity is a company limited by guarantee and is governed by its memorandum and articles of association. The company is also a registered charity.

Management

The trustees are responsible for the overall management and control of the museum. The trustees meet monthly to discuss the development, management and implementation of the charity's strategic aims and objectives.

Risk Management

The trustees have considered and analysed the major risks to which the charity is exposed and established systems and procedures to manage those risks. This also includes an on-going review process.

Objectives and activities

During the reporting period, the museum underwent significant restructuring and development. A major addition to the site has increased the overall footprint by approximately 30%, providing valuable space to expand the collection and enhance the visitor experience.

In line with our commitment to broadening public engagement, we introduced several new events. Notably, a children's disco was held multiple times over the summer months and proved highly popular. Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 November 2024

Achievements and performance

Management

The elected Trustees are responsible for the day-to-day management and operation.

Volunteers

Volunteers undertake the daily running of the museum, within the policies and practices set out by the trustees. The trustees recognise that without this commitment and support the museum would not function, as there are no paid staff.

The Community

Volunteers come from a wide cross-section of the local community; the museum encourages those with health problems and other difficulties to help at the museum.

Future development

The museum's administrative, marketing and IT systems have been overhauled. In this context we will attempt to provide relevant platforms for university courses which will prove to be mutually beneficial. It is also the plan to provide education to all on aeronautical matters. We believe that this will be significant to the continued development of the museum.

Public Benefit

The Trustees are pleased to report that the museum continues to provide significant public benefit through its educational and cultural offerings. The variety and quality of our exhibits continue to attract and engage visitors of all ages. Regular site maintenance and ongoing upgrades have ensured that the visitor experience remains safe, accessible, informative and enjoyable.

A new on-site coffee shop has been established, adding a further amenity for visitors, encouraging longer stays, as well as being an additional revenue stream for the museum. With that, the museum shop has also doubled in size and now offers a much wider range of merchandise, supporting both the visitor experience and income generation.

Independent Examiner's Report to the Trustees of Bournemouth Aviation Charitable Foundation

Year ended 30 November 2024

I report to the trustees on my examination of the financial statements of Bournemouth Aviation Charitable Foundation ('the charity') for the year ended 30 November 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Bournemouth Aviation Charitable Foundation

Independent Examiner's Report to the Trustees of Bournemouth Aviation Charitable Foundation *(continued)*

Year ended 30 November 2024

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 30 November 2024 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 10 October 2025, and are signed on behalf of the board by:

Paul Nesbitt (Oct 11, 2025, 9:00am)

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 November 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Unit C, Regent House, 9 Crown Square, Poundbury, Dorchester, Dorset, DT1 3DY.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2024

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2024

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Exhibits	- 10% straight line
Equipment	- 25% reducing balance
Computer equipment	- 30% reducing balance
Leasehold improvements	- 33% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2024

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee

Every member promises, if the charity is dissolve while he, she or it remains a member or within twelve months afterwards, to pay up to £1.00 towards the costs of dissolution and the liabilities incurred by the Charity while the contributor was a member.

Independent Examiner's Report to the Trustees of Bournemouth Aviation Charitable Foundation

Year ended 30 November 2024

I report to the trustees on my examination of the financial statements of Bournemouth Aviation Charitable Foundation ('the charity') for the year ended 30 November 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Bournemouth Aviation Charitable Foundation

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 November 2023

Structure, governance and management

Principal Activity

The principal activity of the company during the year was that of running an aviation museum.

Legal Status

The charity is a company limited by guarantee and is governed by its memorandum and articles of association. The company is also a registered charity.

Management

The trustees are responsible for the overall management and control of the museum. The trustees meet monthly to discuss the development, management and implementation of the charity's strategic aims and objectives.

Risk Management

The trustees have considered and analysed the major risks to which the charity is exposed and established systems and procedures to manage those risks. This also includes an on-going review process.

Objectives and activities

Following cessation of the Covid 19 restrictions the museum was fully open which has led to an improvement in turnover from Charitable activities of £6,017 during the year. The Charity also donated £11,350 to the Solent Sky, another aviation museum based in Southampton.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 November 2023

Achievements and performance

Management

The elected Trustees are responsible for the day-to-day management and operation.

Volunteers

Volunteers undertake the daily running of the museum, within the policies and practices set out by the trustees. The trustees recognise that without this commitment and support the museum would not function, as there are no paid staff.

The Community

Volunteers come from a wide cross-section of the local community; the museum encourages those with health problems and other difficulties to help at the museum.

Future development

The museum's administrative, marketing and IT systems have been overhauled. In this context we will attempt to provide relevant platforms for university courses which will prove to be mutually beneficial. It is also the plan to provide education to all on aeronautical matters. We believe that this will be significant to the continued development of the museum.

Financial review

Reserves

Although turnover has increased during the year costs have also risen resulting in a deficit of £2,251. The Charity has acquired further exhibits during the year notably a Hunter T2 aircraft and a Lynx Helicopter. In addition the Charity has spent £52,481 on improvements to the museum site notably the installation of a septic tank and toilet refurbishments.

The increased expenditure has resulted in a fall in reserves of £2,251. Cash reserves have fallen but are sufficient to meet the day to day costs incurred by the museum.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 14/5/24 and signed on behalf of the board of trustees by:

Mr C Whybrow

For the year ending 30 November 2023 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 14.11.24, and are signed on behalf of the board by:

Mr C Whybrow
Trustee

The notes on pages 7 to 13 form part of these financial statements.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 November 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Unit C, Regent House, 9 Crown Square, Poundbury, Dorchester, Dorset, DT1 3DY.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2023

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2023

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Exhibits	-	10% straight line
Equipment	-	25% reducing balance
Computer equipment	-	30% reducing balance
Leasehold improvements	-	33% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2023

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Limited by guarantee

Every member promises, if the charity is dissolve while he, she or it remains a member or within twelve months afterwards, to pay up to £1.00 towards the costs of dissolution and the liabilities incurred by the Charity while the contributor was a member.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 November 2022

Achievements and performance

Management

The elected Trustees are responsible for the day-to-day management and operation.

Volunteers

Volunteers undertake the daily running of the museum, within the policies and practices set out by the trustees. The trustees recognise that without this commitment and support the museum would not function, as there are no paid staff.

The Community

Volunteers come from a wide cross-section of the local community; the museum encourages those with health problems and other difficulties to help at the museum.

Future development

The Trustees, with the agreement of the landlord, are currently seeking planning permission to extend the display area by approximately 25% to accommodate additional exhibits being offered to the museum and to enhance the visitor experience.

Financial review

Reserves

Following further relaxation of the Covid restrictions the museum was able to open most of the financial year. This has resulted in a surplus for the year which has increased the Charity's reserves by £24,688. The Trustees have invested £13,625 in new exhibits and equipment during the year.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on ...29/03/23..... and signed on behalf of the board of trustees by:

Mr C Whybrow
Trustee

Independent Examiner's Report to the Trustees of Bournemouth Aviation Charitable Foundation

Year ended 30 November 2022

I report to the trustees on my examination of the financial statements of Bournemouth Aviation Charitable Foundation ('the charity') for the year ended 30 November 2022.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 30 November 2022 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 29/10/23, and are signed on behalf of the board by:

Mr C Whybrow
Trustee

The notes on pages 7 to 13 form part of these financial statements.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 November 2022

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Unit C, Regent House, 9 Crown Square, Poundbury, Dorchester, Dorset, DT1 3DY.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2022

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2022

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Exhibits	-	10% straight line
Equipment	-	25% reducing balance
Motor vehicles	-	25% reducing balance
Computer equipment	-	30% reducing balance
Leasehold improvements	-	33% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2022

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Limited by guarantee

Every member promises, if the charity is dissolve while he, she or it remains a member or within twelve months afterwards, to pay up to £1.00 towards the costs of dissolution and the liabilities incurred by the Charity while the contributor was a member.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 November 2021

Structure, governance and management

Principal Activity

The principal activity of the company during the year was that of running an aviation museum.

Legal Status

The charity is a company limited by guarantee and is governed by its memorandum and articles of association. The company is also a registered charity.

Management

The trustees are responsible for the overall management and control of the museum. The trustees meet monthly to discuss the development, management and implementation of the charity's strategic aims and objectives.

Risk Management

The trustees have considered and analysed the major risks to which the charity is exposed and established systems and procedures to manage those risks. This also includes an on-going review process.

Objectives and activities

Following the relaxation of the Covid 19 restrictions the museum was opened during the busy summer period of 2021. This has led to an improvement in turnover from Charitable activities of £37,955 during the year.

The Trustees are hoping the lifting of Covid 19 restrictions will enable the museum to generate some funds to maintain its objectives moving forward.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 November 2021

Achievements and performance

Management

The elected Trustees are responsible for the day-to-day management and operation.

Volunteers

Volunteers undertake the daily running of the museum, within the policies and practices set out by the trustees. The trustees recognise that without this commitment and support the museum would not function, as there are no paid staff.

The Community

Volunteers come from a wide cross-section of the local community; the museum encourages those with health problems and other difficulties to help at the museum.

Future development

The museum's administrative, marketing and IT systems have been overhauled. In this context we will attempt to provide relevant platforms for university courses which will prove to be mutually beneficial. It is also the plan to provide education to all on aeronautical matters. We believe that this will be significant to the continued development of the museum.

Financial review

Reserves

Following the relaxation of the Covid restrictions the museum was able to open during the summer of 2021. This has resulted in a surplus for the year which has increased the Charity's reserves by £25,343. The Trustees are hopeful that a full year of museum opening will lead to further improvements in the reserves during the 2022 financial year.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 11/7/22 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Bournemouth Aviation Charitable Foundation

Year ended 30 November 2021

I report to the trustees on my examination of the financial statements of Bournemouth Aviation Charitable Foundation ('the charity') for the year ended 30 November 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Unrestricted funds			125,488	100,023
Total charity funds	17		125,488	100,023

For the year ending 30 November 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 11/11/21, and are signed on behalf of the board by:

Mr C Whybrow
Trustee

The notes on pages 7 to 13 form part of these financial statements.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 November 2021

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Unit C, Regent House, 9 Crown Square, Poundbury, Dorchester, Dorset, DT1 3DY.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2021

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2021

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Exhibits	-	10% straight line
Equipment	-	25% reducing balance
Motor vehicles	-	25% reducing balance
Computer equipment	-	30% reducing balance
Leasehold improvements	-	33% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2021

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Limited by guarantee

Every member promises, if the charity is dissolve while he, she or it remains a member or within twelve months afterwards, to pay up to £1.00 towards the costs of dissolution and the liabilities incurred by the Charity while the contributor was a member.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 November 2020

Structure, governance and management

Principal Activity

The principal activity of the company during the year was that of running an aviation museum.

Legal Status

The charity is a company limited by guarantee and is governed by its memorandum and articles of association. The company is also a registered charity.

Management

The trustees are responsible for the overall management and control of the museum. The trustees meet monthly to discuss the development, management and implementation of the charity's strategic aims and objectives.

Risk Management

The trustees have considered and analysed the major risks to which the charity is exposed and established systems and procedures to manage those risks. This also includes an on-going review process.

Objectives and activities

As a result of the Covid 19 restrictions the museum was closed during the busy summer period of 2020. This has greatly affected turnover. Also due to the restriction in place there was no representation at the Bournemouth Air Festival, which was cancelled. The lack of turnover during the summer was alleviated by grants received from Bournemouth Council totalling £11,334.

The Trustees are hoping the lifting of Covid 19 restrictions will enable the museum to generate some funds to maintain its objectives moving forward.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 November 2020

Achievements and performance

Management

The elected Trustees are responsible for the day-to-day management and operation.

Volunteers

Volunteers undertake the daily running of the museum, within the policies and practices set out by the trustees. The trustees recognise that without this commitment and support the museum would not function, as there are no paid staff.

The Community

Volunteers come from a wide cross-section of the local community; the museum encourages those with health problems and other difficulties to help at the museum.

Future development

The museum's administrative, marketing and IT systems have been overhauled. In this context we will attempt to provide relevant platforms for university courses which will prove to be mutually beneficial. We believe that this will be significant to the continued development of the museum.

Financial review

Reserves

The reserves have decreased during the current period as a result of a deficit of £8,717 achieved in the year. This result is very much as result of the Covid 19 restrictions in place during the year.

During the period the charity invested £2,000 in new exhibits to supplement it's existing attractions. The Trustees are continuing to monitor costs and the performance of the museum to maintain reserves.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 27 August 2021 and signed on behalf of the board of trustees by:

Mr C Whybrow
Trustee

Independent Examiner's Report to the Trustees of Bournemouth Aviation Charitable Foundation

Year ended 30 November 2020

I report to the trustees on my examination of the financial statements of Bournemouth Aviation Charitable Foundation ('the charity') for the year ended 30 November 2020.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Independent Examiner's Report to the Trustees of Bournemouth Aviation Charitable Foundation *(continued)*

Year ended 30 November 2020

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 30 November 2020 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 27 August 2021, and are signed on behalf of the board by:

Mr C Whybrow
Trustee

Mr A W Young
Trustee

The notes on pages 8 to 14 form part of these financial statements.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 November 2020

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Unit C, Regent House, 9 Crown Square, Poundbury, Dorchester, Dorset, DT1 3DY.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Exhibits	-	10% straight line
Equipment	-	25% reducing balance
Motor vehicles	-	25% reducing balance
Computer equipment	-	30% reducing balance
Leasehold improvements	-	33% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Bournemouth Aviation Charitable Foundation

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 November 2020

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Limited by guarantee

Every member promises, if the charity is dissolve while he, she or it remains a member or within twelve months afterwards, to pay up to £1.00 towards the costs of dissolution and the liabilities incurred by the Charity while the contributor was a member.
