FOR THE YEAR ENDED 31 MARCH 2021

The directors present their report and accounts for the year ended 31 March 2021

Structure, governance and management

The company is limited by guarantee, its members having agreed individually to contribute not more than £1 in the event of a winding up, and is a Registered Charity, number 1034716.

The company is governed by the Memorandum and Articles of Association.

The directors who served during the year were:

Mrs Diane Crompton

Mr Keith Budden

Mr Gordon Western

Mrs Wendy Thompson

Mr Michael Tobias

Recruitment and Appointment of Management Committee/Organisational Structure

The Directors have been appointed to reflect the varied nature of our service, and also to represent our funders. Service users are represented by Mesdames Crompton and Thompson.

Day to day operation is in the hands of an Operations Manager.

Director Induction and Training

All Directors are familiar with the aims and objectives of the Company. Where specific training is required, this is undertaken in conjunction with staff members, either by on-the-job training or by reference to outside agencies. The induction procedure is led by the Chairman who gives new Directors a breakdown of their responsibilities and directs them, should they require further assistance, towards the person, or organisation, most likely to be able to help.

The Articles of Association of Lune Valley Transport Enterprise Limited state that the number of Members with which the company proposes to register is ten.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Reserves Policy

The Directors are kept informed of the Company's position, both financially, and operationally, by attendance at the regular quarterly meetings. The Company is sufficiently funded to meet its ongoing liabilities/obligations and funds are at all times available to cover these. Because of the regular receipt of payments, the Company's ongoing financial liabilities are restricted to wages and one month's supply of consumables. All invoices are paid within one month following delivery of the goods/services in question.

Objectives and activities

The company is principally engaged in the provision of specialised and subsidised transport for the benefit of the disabled, elderly, infirm and children with special needs within the Lune Valley area.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the directors consider how planned activities will contribute to the aims and objectives they have set.

How our activities deliver public benefit

The company continues to be offered competitive tenders for the transportation of school children with special needs. The overall outcome of this year's activities was a deficit of £13,869.
(2020 deficit - £73,799)

At the year end the company's vehicle fleet numbers were 3 (2020- 17).

Achievements and performance

Financial review

Lune Valley Transport Enterprise Limited aims to provide reliable services over the longer term and therefore must be able to absorb setbacks, cope with emergencies and be able to take advantage of change and opportunity. To this end, the charity retains some money as a reserve against future uncertainties and believes it would be irresponsible not to do so. This money is held in a Santander Bank account. As a non-profit making concern, the charity normally expects income to meet expenditure.

The Directors were satisfied with the financial position of the company at the end of the reporting period.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Investment Policy/Plans for Future Periods

Being a non-profit making company, Lune Valley Transport Enterprise Limited aims to produce a modest surplus which may then be transferred to reserves. These reserves are needed to meet any liabilities incurred, but not provided for, in the normal monthly cash flow provision.

Monies so reserved are currently being held against the future acquisition of our own land/premise (although no designation as to these funds has been made). Furtherance of the business is in the form of additional custom from new passengers, the gaining of further contracts and the continuation of existing contracts and existing customers.

Small company exemptions

This report is prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

On behalf of the board of directors
