### Report

Please see attached spreadsheet for full expenditure / income for the school year including and accounting for play trail donations.

£22,699 has been transferred to LCC for allocation for the Play Trail.

From now on our efforts can return to fundraising for the PTA itself. Our current holdings in current and reserve accounts gives us our new end of year total for PTA funds.

### Treasurer's items for further consideration / discussion:

Future play trail add-ons and proportionate allocation of PTA funds thereof?

Future PTA fundraising as expenditure outweighed PTA earnings last school year (but obviously outlier due to weighting of play trail fundraising etc) ?

Are we getting favourable interest on the reserve account or are there other higher interest option(s)?
