THE SPRING CENTRE TRUST FUND

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their annual report and financial statements for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the trust's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The charity's objects and principles continue to be "to provide relief for 'children in need' and to assist and promote disabled children, young adults, and their families to lead lives that are as normal as possible."

We provide the following services for Gloucestershire children and young adults with disabilities and additional needs:

- After-School Club for children aged 8+ during term-time
- Holiday Playscheme for children aged 8+ during school holidays, including day trips for the family
- Family sessions for pre-school children with parents/carers and siblings throughout the year
- Day Centre for young adults aged 18 to 35 throughout the year
- Advice and support to parents and carers.

We design our services to encourage independence and the development of peer-to-peer relationships in an environment that is suitable for all users. Children enjoy sensory play, crafts, music and dance, animal therapy as well as outdoor activities at our specially equipped premises in Quedgeley, Gloucester. Young adults practise key life skills such as cooking, use of computers, social interaction and sport both at the Spring Centre and out in the local community.

Much of what we do is outside the scope of the support provided by the statutory sector. Staff work closely with local special schools, social and health workers, family support workers and GPs to determine the most appropriate care plan for each user so that they can achieve their full potential. The Spring Centre receives referrals from a range of sources including social services, special schools, other families as well as self-referral.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the trust should undertake.

Achievements and performance

The year still presented challenges due to continuing Covid 19. We resumed near full schedules for activities, but attendances were lower due to illness of children and staff. Recruitment of staff has provided some resilience.

Reserves were utilised to fund essential works including:

- Outdoor canopy - providing a covered area, giving better opportunity for outdoor play. £17,611 (restricted £3,500, unrestricted £14,111)
- Boiler - replacement of broken 30-year-old boiler, providing energy efficiency. £7,078 (restricted £2,000, unrestricted £5,078)
- Intruder and Fire alarm system - upgrade to old system and to meet current regulations. £3,311(unrestricted)

THE SPRING CENTRE TRUST FUND

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

Future Developments

The Spring Centre is working towards increasing the number of places available and to build connections with other Community organisations, to meet the increasing demand from children and young people in Gloucestershire.

The key objectives for the year 2022/23 are:

- To continue the Spring Centre commitment to providing exceptional service and support for children and young adults with additional needs
- To strengthen the Board of Trustees and with it the financial management and overall governance of the charity
- To continue to build up the financial strength of the charity to enable us to continue with our services and to be in a better position to deal with unforeseen events

Financial review

The Statement of Financial Activities shows a surplus in operations (Unrestricted Funds) of £8,225 from donations and grants.

Operating income for the year increased from £61,801 to £103,175. Grant income increased to £56,018. Grant income specific to Covid-19 Infection Control £10,148, Government Furlough Scheme £3,487. Other grants: UK Youth £5,000, Free Hospitals Trust £3,500, Julia and Hans Rausing Trust £10,000, Gloucester Disability Fund £2,000, The Venture (HAF Programme) £1,383. Donations received £23,822 include: Masonic Lodges £3,000, Rotary £1,000, Arnold Clark £1,000, Grovelands Trust £1,000.

The balance sheet shows that despite holding significant assets consisting mainly of the property, the Trust has limited cash reserves. This will continue to pose significant fundraising challenges for the Trustees

Tangible Fixed Assets

Details of movements in fixed assets are shown in note 12 to the financial statements.

Reserves

We consider the present level of funding to be adequate to support the running of the Trust for the near future. The Trustees continue to review the level of reserves available to cover two months' expenditure. However, we believe that tight financial control with a heavy emphasis on weekly cash management and the production of management accounts is vital. This together with a strong focus on the submission and tight monitoring of the progress of grant applications is the most appropriate way to manage our financial position.

Investment Policy and Returns

Under the Memorandum and Articles of Association, the charity has the power to make any investment which Trustees see fit.

Risk Management

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions.

Income and expenditure are decided and approved in consultation between the Management Team and Trustees.

The Trustees monitor the income and expenditure at the monthly meetings. This enables them to:

- Identify strengths and weaknesses in both the monthly and annual position.
- Through discussion and debate, determine any actions that are required.

THE SPRING CENTRE TRUST FUND

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

Structure, governance and management

The charity is constituted as a company limited by guarantee and is therefore governed by a memorandum and articles of association.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr P Prater

Mrs S Townend

Mr P Rudge

Mr M Warrior

Mrs D Nevin

(Appointed 9 November 2021)

Every Trustee must be appointed by a resolution passed at a properly convened meeting of the charity Trustees.

In selecting individuals for appointment as Trustee, the Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity.

Every Trustee must be appointed by a resolution passed at a properly convened meeting of the charity Trustees.

In selecting individuals for appointment as Trustee, the Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity.

All Trustees are provided with copies of The Charity's Trust Deed and latest accounts of the Charity.

New Trustees are encouraged to read the Charity Commission guidance notes The Essential Trustee – "What you need to know, what you need to do".

In addition, Trustees are encouraged to read Charity Commission and other newsletters and to attend courses designed to keep them abreast of their duties and responsibilities.

The Trustees meet every month to manage the charity's affairs, when they are presented with reports from the Care Services Manager and Business Manager.

The charity's organisational structure has three main areas: charitable work (provision of services, fundraising, and administration). It currently employs 11 members of staff.

Independent Examiners

The Trustees have appointed Griffiths Marshall to act as Independent Examiners.

This report was approved by the Board of Directors and Trustees on 17th November 2022 and signed on its behalf.

Trustees Responsibilities In relation to the Financial Statements

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the financial activities of the charity and its financial position at the end of that year.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE SPRING CENTRE TRUST FUND

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE SPRING CENTRE TRUST FUND

I report to the trustees on my examination of the financial statements of The Spring Centre Trust Fund (the trust) for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the trust (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the trust are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the trust's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the trust as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE SPRING CENTRE TRUST FUND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

Charity Information

The Spring Centre Trust Fund is a private company limited by guarantee incorporated in England and Wales. The registered office is Gardner House, Olympus Park, Quedgeley, Gloucester, Gloucestershire, GL2 4NF.

1.1 Accounting convention

The financial statements have been prepared in accordance with the trust's articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The trust is a Public Benefit Entity as defined by FRS 102.

The trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

We have continued to prepare the accounts on a going concern basis and deem this appropriate. We do not consider that a material uncertainty about our going concern status currently exists. In making this assessment we have considered the likely trading conditions for a period of twelve months from the date of our approval of these accounts.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the trust.

1.4 Income

Income is recognised when the trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

THE SPRING CENTRE TRUST FUND

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recorded on the accruals basis and liabilities are included when the legal obligation has been created.

Expenditure in charitable activities represents the costs incurred in carrying out the charitable objectives of the project.

Management costs represent the cost of general administration functions of the charity

Basis of apportionment of expenditure:

- Staff costs are allocated on a basis of time spent on each category of activity.
- Premises costs are allocated by floor area used for the activity.
- Depreciation provision is allocated on the basis of use of the assets.
- All other overheads are allocated to projects as a percentage of direct expenditure.

As a registered charity, the activities are generally exempt from Income Tax and Capital Gains Tax in connection with its direct charitable purpose. As the charity is not VAT registered this means all expenses are recorded inclusive of VAT.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	Nil
Fixtures and fittings	20% reducing balance
Motor vehicles	25% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the trust reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

THE SPRING CENTRE TRUST FUND

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

(Continued)

1.9 Financial instruments

The trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the trust's balance sheet when the trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the trust's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the trust is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
