Trustees' Report

for the year ended 31st August 2022 (continued)

Structure, governance and management

The charity is governed by a constitution adopted on 13 October 1980, as amended on 12 October 1992, 29 November 2011 and 17 July 2012.

Method of recruitment and appointment of trustees

The trustees of the charity are appointed by the members at the AGM.

Objectives and activities

The charity's objectives

To enhance the development and education of children primarily under statutory age by encouraging parents to understand and provide for the needs of their children through community groups and by:

- (a) offering appropriate play, education and care facilities, family learning and extended hours groups together with the right of parents to take responsibility for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children whatever their race, culture, religion, means or ability;
- (b) encouraging the study of the needs of such children and their families and promoting public interest in and recognition of such needs in the local area;
- (c) instilling and adhering to and furthering the aims and objectives of the Pre-School Learning Alliance.

Public benefit statement

In setting our objectives and planning our activities, our trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular the advancement of education in line with the Early Years Foundation Stage, to provide care and education to children aged 2 - 5.

Reserves policy

It is the policy of the Pre-School to hold reserves which have not yet been committed or designated for any particular purpose. The management committee have set aside reserves in order to protect the future financial operations of the pre-school from the effects of any unforeseen variations in its income streams as part of a policy of good financial management practice. The value of the reserve is equivalent to approximately three to four months running costs.

Shelf Pre-School will endeavour to allocate sufficient funds to the savings account as required.

This policy is in line with guidance from the charities commission, the pre-school learning alliance and advice from WYCAS good practice guide.

The reserves policy will be reviewed annually to ensure three to four months running costs can be maintained.
