# BEDALES GRANTS TRUST FUND

## TRUSTEES' REPORT

### FOR THE YEAR ENDED 31 AUGUST 2022

---

The trustees present the annual report together with the financial statements of the charity for the year ended 31 August 2022. The accounts have been prepared in accordance with the Statement of Recommended Practice, "Accounting and Reporting by Charities" (SORP 2015), the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS102), the Charities Act 2011 and the charity's governing document.

#### **Objectives and activities**

##### ***Objectives and aims***

The Trust was set up to provide grants or loans to parents of pupils at Bedales School with preference to Old Bedalian families in need of financial aid to pay their tuition fees.

##### ***Public benefit***

The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

The Trustees are committed to supporting Bedales School and broadening access to the School by offering to eligible parents/guardians means-tested financial support to assist with the payment of school fees. Bedales invites applications in its information and marketing material on behalf of the Trust.

Such support is known as a Bursary (or Grant) and these may be awarded in the form of assistance depending upon the financial, compassionate or other pertinent circumstances of applicants.

These awards are subject to repeat testing of parental means each year. Awards may be varied upwards or downwards depending upon individual parents'/guardians' circumstances (e.g. their savings, investments and realisable assets, as well as their income, the size of their family, any other persons dependent upon them and like factors), compassionate or other pertinent considerations.

Requests for financial support usually fall into two categories:

- 1) New applicants to the School, where a place has been offered but parents/guardians are unable to fund the tuition fees.
- 2) Existing pupils where a change in parents'/guardians' circumstances has resulted in difficulty in meeting full tuition fees and may result in the child being withdrawn part way through a stage of education.

The Trustees review the total level of funding available for awards annually following, and projecting forward, investment performance and donations.

#### **Achievements and performance**

The Bedales Grants Trust Fund has been able to continue to support 24 students at Bedales School. This ongoing achievement is a direct result of careful stewardship of investments, which have continued to perform well in light of the difficult economic circumstances prevailing for much of the year. Year on year the Trust aims to support more students and enable them to attend Bedales School; something that they would not be able to do without the Trust's support.

The performance target required by the Trustees is that the portfolio should grow sufficiently to be able to provide 4% of its value as bursaries and protect itself from the effects of inflation and thereby ensure bursaries are provided on an enduring basis.

# **BEDALES GRANTS TRUST FUND**

## **TRUSTEES' REPORT (CONTINUED)**

**FOR THE YEAR ENDED 31 AUGUST 2022**

---

### **Financial review**

The Trust has continued to provide financial assistance to pupils at Bedales School. Its net movement in funds for the year was a decrease of £864,784 (2021: increase of £776,277). The fund continues to be able to meet its obligations and this year bursaries totalling £272,778 (2021: £257,222) were awarded.

There are no changes expected in the nature of activities of the Trust in the foreseeable future.

The Trust's assets are sufficient to meet its obligations and are held for use by the Trust.

### **Policy on reserves**

At 31 August 2022 the Trust had total reserves of £6,553,363 (2021: £7,418,147), all of which have been designated towards the Capital Growth Fund to help in financing bursaries. £6,105,002 (2021: £5,982,330) of total reserves are represented by investments.

The Trustees wish at least to maintain the value of the uncommitted reserves to continue providing the income necessary to fulfil the Trust's objects.

### **Investment policy and objectives**

The Trustees are empowered to invest all monies as the Trustees in their absolute discretion think fit.

The overall investment policy agreed by the Trustees is to maximise the total return whilst having regard to the charitable purpose of the Trust, the desire to invest in ethical and sustainable businesses and the Trustees' responsibility to avoid unacceptable risks. The portfolio is invested in bonds and equities with the objective of providing reasonable returns over the medium to long term. In previous years a material proportion of the investment portfolio was held in cash with a number of banks but those funds were transferred gradually into the bond and equity portfolio during the early part of the year. The bond and equity investments are all managed within an agreed investment strategy, with a strong emphasis on ethical criteria.

While the recognised loss on this portfolio during the year is disappointing, the Trustees nevertheless find the performance of the bond and equity portfolio of investments to be acceptable in light of the volatile investment markets seen this year.

### **Plans for future periods**

#### **Aims and key objectives for future periods**

The Trustees will continue their aim of attracting further donations, principally from Old Bedalian connections, alongside current fundraising by Bedales School. Further donations will allow the Trust to maintain and, ideally, increase the number of grants awarded and thereby enhance its support to Bedales School and the parents of its students. The Trustees will also seek the most appropriate investments in order to secure growth of the fund. The Trust owns a half share of the Barnsley Bedales Nominee Company. This company owns a parcel of land and is working to get the land into a position whereby its value can be realised in due course and, provided that the land's value can be realised, this will result in further income to the Trust.

### **Structure, governance and management**

#### **Structure, governance and management**

The Bedales Grants Trust Fund was founded in 1927. The Trust is a registered charity, number 1036179.

#### **Induction and training of trustees**

Existing Trustees identify new Trustees and one to one induction takes place with the Chair. Selective reading material is provided to all Trustees.

# BEDALES GRANTS TRUST FUND

## TRUSTEES' REPORT (CONTINUED)

**FOR THE YEAR ENDED 31 AUGUST 2022**

---

### **Major risks and management of those risks**

The principal risks to which the Bedales Grants Trust Fund is exposed include maintaining income and fluctuations in the value of investments or the income from those investments.

The Trust has in place appropriate measures and contingency plans to cope with variations in income be it from fundraising or from investment income. Each grant holder is appointed jointly with Bedales School and the safeguarding of those students is the responsibility of the School; the Trustees receive an update on the progress and pastoral care of grant holders at each meeting.

### **Statement of trustees' responsibilities**

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees report was approved by the Board of Trustees:

**C E Baxandall**

Chair

Dated: 3 March 2023

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF BEDALES GRANTS TRUST FUND

---

I report to the trustees on the accounts of the charity for the year ended 31 August 2022, which are set out on pages 5 to 12.

#### **Respective responsibilities of Trustees and examiner**

As the trustees of Bedales Grants Trust Fund you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the Bedales Grants Trust Fund's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of Bedales Grants Trust Funds as required by section 130 of the Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

# BEDALES GRANTS TRUST FUND

## NOTES TO THE ACCOUNTS

**FOR THE YEAR ENDED 31 AUGUST 2022**

---

### **1 Accounting policies**

#### **1.1 Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

#### **1.2 Basis of preparation**

Bedaes Grants Trust Fund meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Figures are presented in pounds sterling (GBP £) and rounded to the nearest pound.

#### **1.3 Exemption from preparing a cash flow statement**

The charity qualifies as a small charity under the charities SORP and has therefore not included a cash flow statement in these financial statements.

#### **1.4 Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

#### **1.5 Income and endowments**

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

##### ***Investments income***

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

##### ***Donations and legacies***

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

#### **1.6 Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

# BEDALES GRANTS TRUST FUND

## NOTES TO THE ACCOUNTS (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2022

---

#### 1 Accounting policies

(Continued)

##### ***Raising funds***

These are costs incurred in attracting voluntary income and the management of investments.

##### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### 1.7 Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### 1.8 Fixed asset investments

Fixed asset investments are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their initial cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

#### 1.9 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### 1.10 Fund structure

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

#### 1.11 Financial instruments

##### ***Classification***

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

##### ***Recognition and measurement***

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument

Transfers represent amounts transferred from the Designated Capital Growth Fund to help finance bursaries paid through the General Funds and surplus amounts on the General Funds transferred to the Designated Capital Growth Fund.

#### 13 Related parties

During the year the charity made the following related party transactions:

##### Bedales School

The Trust was set up to provide grants to families with children at Bedales School with preference being given to parents of pupils who were themselves at Bedales School and are in need of financial aid to pay their tuition fees. During the year the Trust contributed £272,778 (2021: £257,222) to Bedales School towards fees.
