June 2022

The 29th Annual report

For twenty nine years the Trust has existed thanks to the generosity of Miss Joan Olive Crewdson in leaving most of her estate to the Trust. Miss Crewdson never forgot the generosity of the Hibbert Trust in making a grant during her days as a young graduate and Joan also had fond memories of working with Sir Alister Hardy at the Religious Experience Research Unit in the days when the unit was in the buildings of Manchester College (now Harris Manchester College) on Holywell.

The aims of the Trust are, in brief:

"To promote study and research in Christian theology at Oxford University, relevant to the production of contemporary re-statements of the Christian faith or its application, and also to encourage research into the role of religion in eliminating violence and promoting peace."

Preference will be given to mature students and normally available to those studying or wishing to study at Manchester (now Harris Manchester) College, Oxford. The trustees may also award travelling bursaries, book bursaries and prizes relevant to the above aims. We have also made small grants to those training at the college for the Unitarian Ministry.

Treasurer's report.

During the year we held two meetings and made ten grants totalling £14,500. (see p.4)

In the year to 31 March 2022 we received a full year's income of £23221. (see p.3) from our investments and in addition there were sums in hand at CAF bank £22921. (see p.3)

The investment sales in the year are listed on page 6, we gradually sold all our investments to invest £820,000 into the Oxford University Endowment Management Fund (OUem) via Harris Manchester College. The amount with the college has been added to this sum making a total investment of £1,090,000. This will make the administration of the fund easier and our trust will make a contribution to cover the cost of administration by the college.

I wish to pay tribute to our Independent Examiner, over the years Richard Jurd has never charged a fee so the trustees have paid for our secretary to take Richard and his wife Lin out for a meal. Then, for many years our investments have been handled by Neal Stevens of Walker Crips who has done a superb job, so our thanks go to him. Our loyal, reliable secretary, Eric Eve has done excellent work in handling all the advertising and applications. Finally, last but not least our thanks to my wife Heddwen who has done all the bookkeeping and spent hours in preparing the accounts. Without such volunteers no charity can thrive.

From the sum held by the college a major grant of £9,250 was paid to Camila Bennink.

Peter Hewis, June 2022
