Activities

Objects: TO ADVANCE THE EDUCATION OF THE PUPILS IN THE SCHOOL.

Activities: We raise vital funds to help enhance our children's education. Funds are raised through events such as, school discos and summer fairs to smaller things like cake sales. The money raised is for the school and benefits all the pupils who attend there, as well as the wider community when larger events are organised. We try to ensure that a community feel is created by the events we carry out.

Classification

- **How:** Makes Grants To Organisations, Other Charitable Activities
