**Trustees' Responsibilities in the Preparation of Financial Statements**

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**OBJECTIVES AND ACTIVITIES****Charitable Objectives**

The charitable objectives for which the charity was established are the relief of poverty and sickness and the advancement of religion amongst the Brethren.

**Charitable Activities**

**FINANCIAL REVIEW****Financial Results of Activities & Events**

The Trust generated total incoming resources of £30,391 (Year ended 31 August 2024: £120,328) and expended resources of £61,430 (Year ended 31 August 2024: £105,791), principally in respect of providing funding to support travel costs to aid the religious purposes of the Brethren and making grants to charitable institutions.

**Future developments**

In 2024/2025 the trustees reviewed how the trust can best further its charitable objective, namely "The relief of poverty and sickness and the advancement of religion amongst the Brethren", the charity will continue to provide funding to support travel costs and make grants to charitable institutions.

**Grant Making**

In 2024/2025, the Trust gave £nil in grants (2023/24: £nil) to charitable institutions, see note 4.

**Reserves Policy**

The "free reserves" (general unrestricted fund less fixed assets) of the Charity at 31 August 2025 amounted to £1,768,739 (31 August 2024: £1,799,778).

It is the trustees' view that it is prudent to maintain that accumulated level of free reserves.

for the year ended 31 August 2025

FINANCIAL REVIEW (Continued)

Investments Policy

The trustees are empowered to invest any money that the Trust does not immediately need in such a manner as they may determine. In practice, the trustees historically held the Trust’s “free reserves” as cash in interest bearing bank accounts to ensure that sufficient liquidity is maintained and to maximise returns upon those cash funds in the short term.

The trustees are considering options to diversify their investments and seeking prudent investments to generate a return on the reserves whilst in this period of reflection.

During 2024/2025, the Trust’s “free reserves” held as cash generated investment income of £28,999 (2023/2024: £36,166).

---

### Independent examiner's report to the trustees of Hughes Travel Trust

I report to the charity trustees on my examination of the accounts of Hughes Travel Trust (the Trust) for the year ended 31 August 2025.

### Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiners statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Financial statements for the year ended 31 August 2025****ACCOUNTING POLICIES**

---

**BASIS OF ACCOUNTING**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (second edition – October 2019) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Charity constitutes a public benefit entity as defined by FRS102.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

At the time of approving the financial statements, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future whilst they reflect on how best to further the charitable objective of the trust. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

**INCOME**

Grants, donations and other similar types of voluntary income are brought into account when there is entitlement, except that donated income is included gross of any attributable tax recoverable, where relevant. Donations given for specific purposes are treated as restricted income.

All other types of income are also accounted for on an accruals basis.

**EXPENDITURE**

Expenditure is allocated to the charity's principal activities where the costs can be identified as being directly related to that activity. All costs that cannot be identified as relating directly to the charity's principal activities are categorised as either support costs or governance costs. Any costs that cannot be specifically categorised are allocated in proportions based upon a suitable ratio applicable to the nature of the cost involved.

Governance costs include the costs of maintaining the charity as a legal entity such as audit fees, costs of trustees meetings and other costs incurred complying with statutory requirements.

Grants payable are recognised in the period in which the approved offer is conveyed to the recipient except in those cases where the offer is conditional and the conditions are under the charity's control, such grants being recognised only when the conditions attaching to the award are fulfilled. Grants offered subject to such conditions, which have not been met at the balance sheet date, are noted as a potential commitment, but are not treated as a liability.

**FOREIGN CURRENCIES**

Transactions denominated in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the balance sheet date. All exchange gains or losses are included in the statement of financial activities in the period to which they relate.

**Financial statements for the year ended 31 August 2025****ACCOUNTING POLICIES**

---

**FUND ACCOUNTING**

The general fund comprises the accumulated surpluses of unrestricted incoming resources over resources expended, which are available for use in furtherance of the general objective of the charity.

Designated funds are a particular form of unrestricted funds consisting of amounts, which have been allocated or designated for specific purposes by the trustees. The use of designated funds remains at the discretion of the trustees.

Restricted funds are funds subject to specific conditions imposed by donors. The purpose and use of the restricted funds are set out in the notes to the accounts. Amounts unspent at the year end are carried forward in the balance sheet.

**FINANCIAL INSTRUMENTS**

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments.

Financial instruments are recognised in the charity's statement of financial position when the charity becomes party to the contractual provisions of the Instrument.

*Basic financial instruments*

Basic financial instruments are recognised initially in the accounts at transaction price, including any transaction costs. At the end of each accounting period, basic financial instruments are recognised at amortised cost. For debt instruments this is calculated using the effective interest rate method.
