Review of Progress and Achievements

Co-Chair's Letter

Dear Parents, Carers, Staff, and Friends,

As Co-Chairs of the St Dominic's Parent Teacher Association, we are delighted to present this report at our Annual General Meeting.

When we stepped into this role—following the outstanding leadership of our former Chair, Elizabeth Whatnall—we knew we had big shoes to fill. To help share the responsibility and build a more collaborative structure, we worked with the school leadership to expand the PTA Committee. We now have six Co-Chairs, two Co-Secretaries, and two Co-Treasurers.

We would like to extend our heartfelt thanks to our Co-Secretaries, Una Hartnett and Charlotte Hermans, for their tireless dedication and behind-the-scenes support throughout the year. Their organisation and attention to detail have been invaluable. We give special thanks to our Co-Treasurers, Mauricio Batista and Mike Hachar, for their diligent financial oversight and commitment to transparency. We would also like to recognise Sophie Barlow too for all her efforts and organisation in acting as the second-hand uniform rep this year.

This past year has truly demonstrated the power of community. Every event not only raised valuable funds but also strengthened the sense of connection that makes St Dominic's such a special place. We've had so much fun in our roles—made lovely new friends, created great memories, and thoroughly enjoyed raising funds to support the school.

Highlights from the Year

- **St Patrick's Day Social** – Our first event as a new committee, and a fantastic success! We hope this becomes a cherished biennial tradition.
- **Bongo Bingo** – A lively and fun evening for parents and carers. Huge thanks to Mellissa Ashton, Shanna Adams, Sinéad Dineen, Viki Nurse and Lisa Rafferty for organising.
- **Children's Events** – From the spooky excitement of the Halloween Howler to festive Christmas card sharing and the joyful Summer Disco, these events created lasting memories for our children.
- **Christmas Fair & Summer Fair** – Cornerstones of our school calendar, bringing families together in celebration.
- **Legoland Tickets** – A popular fundraiser, expertly organised once again by Sophie Barlow.
- **Marathon & Corporate Fundraising** – A special thank you to Helen Ortiz-Bukowski, who raised an incredible £3,555 by running a marathon, plus an additional £1,741 through corporate giving.

Thanks to the collective efforts of our community, the PTA raised an outstanding **£36,124** this year. A full breakdown of income and expenditure is available in the accompanying accounts. Key sources of income included ticketed events, corporate donations, and seasonal fairs. These funds have been carefully managed and allocated to benefit the children directly.

How Funds Were Used

With the funds raised, the PTA has been able to support and enrich the children's experience at school by funding a number of projects and items including:

- EY Pirate Ship
- Refurbishment of KS1 & KS2 playgrounds
- Forest School equipment
- Touchscreen and Laptops

**TRUSTEES ANNUAL REPORT AND ACCOUNTS
FOR THE YEAR ENDED 31 AUGUST 2025**

We are deeply grateful to our Class Reps, volunteers, and families who have supported us in so many ways—whether by giving time, donating, or simply attending events. Thank you so much to our generous corporate sponsors from our St Dominic’s community including the Bacon, Cleary, Dineen, Keane, Kearns & Rafferty family businesses. Your involvement makes a real difference, and we warmly welcome new and existing families to get involved too.

We would also like to extend our sincere thanks to the school staff and leadership team, especially Mrs Wilson and Mrs Corcoran, for their continued support and guidance. We would also like to express our deep appreciation of the incredible support provided by Juliette Warrington at each and every event. The partnership between school and home is central to everything we do, helping our children thrive academically, socially, and emotionally.

The PTA continues to operate in accordance with its charitable objectives, and the trustees have fulfilled their duties in line with the Charity Commission’s guidance. We remain committed to transparency, inclusivity, and the responsible use of funds.

As we look ahead, we encourage everyone to support the incoming PTA committee and help build on this year’s successes. Whether you’re interested in joining the committee, volunteering at events, or simply attending and spreading the word—there’s a place for everyone.

Serving as Co-Chairs has been an absolute joy. Now, as we come to the end of our term, it’s time to pass on the baton and step aside to allow others to enjoy the fun and fulfilment that comes with being part of the PTA leadership. It’s been a privilege to be part of such a vibrant and generous community.

With heartfelt appreciation,

Sophie Barlow, Katie Beard, Nicole Hamid, Helen Ortiz-Bukowski, Maria Pastars, and Natalie Tanner

President's Letter

Dear PTA Team,

On behalf of the whole school community, I would like to extend our heartfelt thanks to you for your time, energy, and commitment to such valuable fundraising efforts over the past year. Your incredible support has enabled us to make some wonderful additions to our school.

Thanks to your hard work, we have been able to provide Chromebooks for Key Stage 2, greatly enhancing learning not only in computing but across many areas of the curriculum. The new pirate ship in EYFS has been a fantastic addition to the outside area, inspiring imaginative play and adventure for our youngest children. In addition, the forest school equipment you have funded has enriched our outdoor learning provision, and the RGED books have been a welcome and important addition to our school library.

We would also like to give a special thank you to our dedicated co-chairs, Sophie Barlow, Katie Beard, Nicole Hamid, Helen Ortiz-Bukowski, Maria Pastars, and Natalie Tanner, as well as our co-secretaries Una Sinclair and Charlotte Hermans and our co-treasurers Michael Hachar and Mauricio Batista, for their outstanding leadership and commitment. We would also like to thank Mrs. Corcoran, our Teacher Rep, for her time and dedication.

We are very much looking forward to another year of fantastic fundraising ahead. With your continued support, we hope to make progress towards some exciting goals on our current wish list, including:

- OPAL Plus resources – £8,000
- Updating technology throughout the school – £5,000
- Reading books for class libraries in KS2 – £1,000
- Sensory resources for each class – £250
- Revamping our outside prayer garden – £2,000
- Funding a free trip or workshop for each class – £4,000

Once again, thank you for all that you do to support our school. Your dedication makes a real difference to the lives of our children, and we are deeply grateful.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ST DOMINIC (RC) PRIMARY
SCHOOL (HARPENDEN) PARENT TEACHER ASSOCIATION**

I report on the accounts of the Trust for the year ended 31 August 2025 which are set out on pages 8 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act and the Charities (Accounts and Reports) Regulations 2008

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Review of Progress and Achievements

Chair's Letter

In the last two years, 2020/2022, of being the chair of the PTA I have adhered to my original intention of creating a better school community, welcoming new events and participating in as many fundraising activities as possible. I could not have done such a mammoth task without the support from a fantastic committee team and the guidance of previous committee members. It has rekindled my belief that if we work together we can achieve great things, which we most definitely have.

The PTA is run solely on a voluntary basis and I appreciate every minute that has been donated to fulfilling some much needed funds for the school. In particular I would personally like to thank Victoria Hand, Brian O'Connell, Rebecca Kilner and Richard Stones who have negotiated their way through the past two years commendably, I couldn't have done it without you all!

I would also like to thank all the class reps, sub committees and the teaching staff who have amicably worked in collaboration with our ideas and those of others, to bridge the channels of communication between the parents and the school.

We have been inundated with new ideas and events that have encompassed what the PTA represents and have raised a phenomenal amount of £31,878

The highlights for me have been many including the opening of the running track and the summer fair, however what has been more profound is how people have pulled together, in sometimes difficult circumstances and still produced a contribution that they can all be proud of.

A full financial breakdown of all fundraising efforts during 2021/22 can be found at the end of this report. In summary, the events raised £31,878, fundraising items /sales raised £5,469, the commissions raised £2,485, match funding raised £500 and the Harpenden trust very kindly donated £10,000.

What we have spent or are planning to spend this year will be outlined in the President's letter, part of the funds raised will be used for a new screen in the main hall, a much needed 'tug of war rope' and some new athletics tops.

As we move forward and welcome the new committee and chair, lets continue to develop positive relations between both parents/teachers and the local community.

Good luck to Nadine, Elizabeth, Kitty, Richard and Helen.

President's Letter

Annually, the PTA makes a significant contribution towards helping us provide resources for our pupils and we are exceptionally proud of the PTA's success in fundraising during the last academic year. 2021-2022 was another extraordinary year that presented many challenges for schools and families, but our PTA team once again went above and beyond in their creativity and enthusiasm during the Covid pandemic to keep parents and children engaged in the activities that they organised.

All of our events saw great fun had by all, and were very much appreciated by the school, the children, the parents and the local community. The fundraisers were varied and included events such as the Halloween trail and the Book Week fundraising initiative. The Christmas Fair featured an enchanting outdoor grotto, and it was lovely to finish the year with the return of the traditional summer fair which brought the community together.

Thanks to the monies raised, we were able to fund several big projects/schemes such as the provision of new reading books and new outdoor EYFS play equipment as well as the completion of the running track. We were also able to provide our children with enriching experiences, such as poetry workshops and author visits where literacy was brought to life for our pupils.

Looking ahead to 2022-23, the school will need to purchase new ICT devices as it continues to transition towards being cloud-based. Whilst the library is now well stocked with a diverse array of new books, we would like to go further in our promotion of reading through providing each class with an individual fund for their own classroom libraries. It is important that we utilise the spaces we have in school and as the mobile unit roof has now been fixed, we would like to transform one of the classrooms into an art and design room – a space designed to spark creativity.

As a team, the PTA has not just provided the school with material things but has given the precious gift of time to arrange all the fundraising activities we have enjoyed as a community. Thanks to the fantastic hard working and organised committee, ably chaired by Victoria McDermott and Victoria Hand, an amazing sum of £31,878 has been raised directly from fund raising and events organised through the school – a magnificent achievement considering the unprecedented year we all experienced, and I am extremely grateful to the PTA for this. On behalf of the children, staff and governors I would like to say a huge thank you for everything you have done as a committee and for the funds raised.

A special thank you also to Claire Ward and Anna Gillham for securing additional funds of £10,000 from Harpenden Trust for the running track. I would also like to take this opportunity to acknowledge the dedication and commitment shown by Victoria McDermott who has chaired the committee over the past two years.

I look forward to the coming year and hope that together we can continue to support our children and families in our wonderful school with exciting fundraisers.
