## Section B

## Structure, governance and management

### Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	The District's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and the Policy, Organisation and Rules of The Scout Association.
How the charity is constituted (eg. trust, association, company)	The District is a trust established under its rules which are common to all Scout Districts.
Trustee selection methods (eg. appointed by, elected by)	The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

### Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The District is managed by the District Executive Committee. The District Executive Committee exists to support the District Commissioner in meeting the responsibilities of her appointment. Members of the Executive Committee act collectively as charity trustees of the Scout District, and in the best interests of its members to:

- Comply with the Policy, Organisation and Rules of The Scout Association
- Protect and maintain any property and equipment owned by and/or used by the District
- Manage the District finances.
- Provide insurance for people, property and equipment.
- Provide sufficient resources for Scouting to operate. This includes, but is not limited to, supporting recruitment, other adult support, and fundraising activities.
- Promote and support the development of Scouting in the local area.
- Manage and implement the Safety Policy locally
- Ensure that a positive image of Scouting exists in the local community.
- Appoint and manage the operation of any sub-Committees, including appointing Chairmen to lead the sub-Committees
- Ensure that Young People are meaningfully involved in decision making at all levels within the District
- Open, close and amalgamate Groups, Explorer Scout Units, Scout Network and Scout Active Support Units in the District as necessary.
- Appoint and manage the operation of an Appointments Advisory Committee, including appointing an Appointments Committee Chairman to lead it.
- Supervise the administration of Groups, particularly in relation to finance and the trusteeship of property.

The Executive Committee also:

- Appoints Administrators, Advisers, and Co-opted members of the Executive Committee
- Approves the Annual Report and Annual Accounts after their examination by an appropriate auditor or independent examiner.
- Presents the Annual Report and Annual Accounts to the District Scout Council at the Annual General Meeting; files a copy with the County Executive Committee; and submits them to the Charity Commission.
- Maintains confidentiality with regard to appropriate Executive Committee business.

The District Executive Committee has identified the major risks to which it believes the District is exposed. These have been reviewed and systems have been established to mitigate them, by ensuring that all members of the District Team are aware of the importance and the correct procedure for carrying out risk assessments for District events and that Groups are also aware of their responsibilities regarding not only events but also their own Headquarters. The main area of concern that has been identified is:

Injury to leaders, helpers, supporters and members. The District through the capitation fees contributes to the Scout Association's national accident insurance policy and maintains separate policies to provide additional cover for leaders and helpers.

The District has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss; these include two signatories for all payments.

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The objectives of the District are as a unit of The Scout Association. The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

Subscriptions are charged for membership to cover the running costs of the District and these do not unduly restrict membership. The District follows the principle that no one should be excluded because of their inability to pay membership subscriptions.

### Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

During the Covid-19 pandemic all District activities and events were subject to the varying government and Scout Association regulations and guidelines.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The District, which covers the Borough of Runnymede, has 11 Scout Groups comprising 1 Squirrel Scout Drey (4-6 years old), 12 Beaver Scout Colonies (6-8 years old), 14 Cub Scout Packs (8-10½ years), 10 Scout Troops (10½-14 years), 3 Explorer Scout Units (14-18 years), 1 Scout Network, 2 District Active Support Units and a District Team.

At the annual census there were 809 young people in membership and 207 adult leaders, making 1,016 members in all. In addition, there are nearly 200 non-uniformed administrators, parent helpers and fundraisers. All the adults involved are volunteers without whom the District could not function.

**Summary of the main achievements of the charity during the year**

The Covid-19 pandemic continued to affect in varying degrees Scouting activities during the year. However, as soon as the green light was given District section events restarted with Beaver Scouts camping at Birchmere, Cub Scouts on fun days at Earleywood and Scouts camping at Walton Firs. In total 371 young people enjoyed these activities alone. Our three Explorer Scout units also had full programmes and work is in progress to rejuvenate the District Scout Network with students at Royal Holloway College.

The new water activities Active Support Unit held two intensive canoe courses in the autumn and spring for 16 Scouts and Explorers drawn from Runnymede and Woking Districts, as well as providing taster sessions for a further 77 Cubs, Scouts and Explorers. Our thanks go to the Addlestone Canoe Club for hosting these activities. Continuing on a water theme, 147 Cubs took part in the Cubs District Big Splash at Woking Pool in the Park.

Adult leader training has again been to the fore during the year. As well as the usual mandatory training including first response training, the District has supported through our Michael Patrick fund attendance at courses in narrow boating, archery, shooting, fencing, canoeing and minibus driving.

The District team has been enlarged with the appointment of Malcolm McGahan as Network Commissioner, Victoria Coombs as Deputy Network Commissioner and Katie Griggs as Assistant District Commissioner (Activities). The post of District Youth Commissioner remains unfilled at present.

The annual census showed an increase in youth membership of 19% on the previous year, with the largest increase being in the Beaver Scout section where numbers were up 36%. We also welcomed the District's first Squirrels Drey for 4 to 6 year olds at 1<sup>st</sup> Chertsey.

4 young people will represent Runnymede at the 25th World Scout Jamboree in Korea in 2023 with 5 adults in the International Service team.

A number of adult leaders, supporters and administrators have received awards during the year; the District Executive offers its congratulations to all the recipients.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The District's policy on reserves is to hold sufficient funds to maintain continuing Explorer and Network Scout activities, to help meet and underwrite the costs of Scouts going to World Jamborees every four years, support our Groups by providing temporary loans and in the event of a Group having to close protect the good name of The Scout Association by paying off any reasonable debts. The District held reserves of £68,036 against this at year end.

The balance in the Michael Patrick Fund, an expendable endowment fund set up in 2007 from former District Commissioner, Michael Patrick's legacy, was £46,978. The purpose of the fund is the development of Scouting in Runnymede.

### Details of any funds materially in deficit

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The District's income and expenditure are small and as a consequence the District does not have sufficient funds to invest in longer-term investments such as stocks and shares. The District has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only banks which are members of the Financial Services Compensation Scheme or with the Charities Official Investment Fund.

The District Executive regularly monitors the levels of bank balances and the interest rates received to ensure the District obtains maximum value and income from its banking arrangements.

The District Executive acknowledges the continued support received from members and officers of Runnymede Borough Council, in particular grants totalling £1,500.

### INCOMING RESOURCES

<b>Recognition of incoming resources</b>	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"><li>• the charity becomes entitled to the resources;</li><li>• the trustees are virtually certain they will receive the resources; and</li><li>• the monetary value can be measured with sufficient reliability.</li></ul>
<b>Membership subscriptions</b>	Memberships subscription collected on behalf of other parts of the Scout Movement are reported in the SoFA net of any amount paid out. This is because these subscription are in effect held as agents before being paid out.
<b>Incoming resources with related expenditure</b>	Where incoming resources have related expenditure the incoming resources and related expenditure are reported gross in the SoFA.
<b>Grants and donations</b>	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
<b>Tax reclaims on donations and gifts</b>	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
<b>Gifts in kind</b>	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.  Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.  Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
<b>Donated services and facilities</b>	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
<b>Volunteer help</b>	The value of voluntary help received is not included in the accounts.
<b>Investment income</b>	This is included in the accounts when receivable.

### EXPENDITURE AND LIABILITIES

<b>Liability recognition</b>	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources (except expenditure on World Jamborees which is recognised in the year the event takes place).
<b>Governance costs</b>	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and the annual general meeting, and cost of any legal advice to trustees on governance or constitutional matters.
<b>Grants</b>	These are recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

### ASSETS

<b>Tangible fixed assets for use by charity</b>	These are capitalised if they can be used for more than one year, and cost at least £4,000. They are valued at cost or a reasonable value on receipt. Assets costing below £4,000 are written off in the year of purchase.
<b>Stocks</b>	These are valued at the lower of cost or market value.

### FUNDS

Unrestricted funds are donations and other incoming resources receivable which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity which have not been designated for other purposes and are available as general funds. Designated funds are unrestricted funds earmarked by the trustees for particular purposes. The Endowment Fund is an expendable endowment fund set up in 2006/07 from the legacy received from the late Michael Patrick; the purpose of the fund is for the development of Scouting in Runnymede. Administration expenses relating to the designated funds and Endowment Fund are immaterial and are charged entirely to unrestricted funds.

**Independent Examiners' Report  
To the Trustees of Runnymede District Scout Council**

We report on the accounts of the District for the year ended 31 March 2022, which are set out on pages 7 to 15.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to our attention.

**Basis of independent examiners' report**

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiners' statement**

In connection with our examination, no matter has come to our attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
