### **REPORT OF THE COUNCIL OF MANAGEMENT ( The Trustees) for the year ending 31st July 2023**

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ending 31st July 2023 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

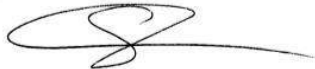

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of association, the Accounting and Reporting by Charities: Statement of Recommended Practice applicable in the UK and Republic of Ireland ( FRS 102 ) ( effective 1st January 2015).

#### **Chair's report**

Ruddigore being one of the less well known of the Gilbert & Sullivan Operetta's to sell and in the event this proved to be the case.

The production itself was very well received by our audiences, but with fewer people buying tickets we ended the show in a position where we owed money to the theatre rather than receiving a surplus, and we remain eternally grateful for the very kind donation from the Strauss Charitable Trust and other donors who have stepped in to enable the group to continue to perform.

We look to our next performance being the Mikado to help put our finances on a better level.

Simon Crask  
Chair

#### **Our purposes and activities**

As a musical society solely dedicated to the works of W.S.Gilbert and Sir Arthur Sullivan, we have a duty to present as wide as possible a selection of their output. We have presented all fourteen of the duo's collaborations in Northampton since the group was formed 70 years ago. However, some of these Victorian-era productions have stood the test of time better than others, so we have a conscious policy of subsidising less popular productions with a more regular presentation of known favourites.

#### **Achievements and performance**

As stated above the Group having worked hard to put on a good show in April 2020 were prevented from all activity from the first lockdown onwards. In the meantime a concert has been held in November 2021 at Hardingstone church, which was very well received.

## **Report of the trustees for the year ended 31st July 2023**

### **Financial review**

The accounts show a surplus of income over expenditure of £247 (2022 deficit £1,868)  
This breakeven situation has only been achieved through the generosity of our donors who contributed £12,375 to our revenue stream.

### **Our pricing policy**

Full ticket prices for our productions ranged from £16.50 to £19.  
There is a special rate of £15 for Schools

### **Investment powers and policy**

As far as the trustees have had opportunity, surplus funds have been lodged in a COIF Charities Deposit Fund.

### **Reserves policy and going concern**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency expenditure. The trustees consider that the ideal level of reserves is a sum to cover the cost of putting on the next years production, a minimum amount of £15,000.

### **Plans for future periods**

The results from our current production will largely determine the direction that the group will take.

### **Notes to the Financial Statements for the year ended 31st July 2023**

#### **(1) Accounting Policies**

The principle accounting policies adopted, judgement and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

##### **(a) Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Northampton Gilbert and Sullivan Group meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

##### **(b) Reconciliation with previous Generally Accepted Accounting Practice**

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. The trustees have concluded that no restatement is required.

##### **(c) Preparation of the accounts on a going concern basis**

The trustees reported a cash outflow of £3,731 (2022 inflow of £2,635). The trustees are of the opinion that with close attention to costs and a popular show booked the immediate future for the next 12-18 months is secure and that on this basis the charity is a going concern.

##### **(e) Income**

Income is recognised when the charity has entitlement to the funds.

##### **(f) Donated services**

In accordance with the Charities SORP (FRS102), general volunteer time is not recognised.

##### **(g) Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this normally upon notification of the interest paid or payable by the Bank.

##### **(h) Fund accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. There are no Designated or Restricted funds and subscriptions, excluding trade discounts.

##### **(i) Expenditure and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings: expenditure from charitable activities representing the direct costs incurred in the

expenditure from charitable activities includes the costs of performances undertaken to further the the purposes of the charity.

other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.
