# THE INGRAM TRUST

## TRUSTEES' ANNUAL REPORT

FOR THE YEAR ENDED 5 APRIL 2024 (continued)

### 2. STRUCTURE, GOVERNANCE AND MANAGEMENT

The trust was established by a Declaration of Trust dated 3 August 1994 and is an unincorporated charitable trust governed by the proper law of England and Wales. The Founder is Christopher John Ingram.

The entire resources of the charity have been unrestricted throughout the year and the Trustees have complete discretion for their use.

The management of the charity is conducted solely by the Trustees.

The Trustees' investment powers are unrestricted.

The power of appointing new or additional Trustees rests in Christopher John Ingram during his lifetime. Acting Trustees shall retire and seek re-appointment every 6 years except for the Founder and his wife (Christopher and Janet Ingram).

#### Induction and Training

Should new Trustees be appointed a formal induction process would be carried out. Other Trustee training is undertaken as and when appropriate. All Trustees are kept informed at meetings of their duties and obligations under the law in addition to their proper conduct.

#### Trustees' Responsibilities Statement

The Trustees are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare the financial statements for each financial year. Under charity law the Trustees must not approve financial statements unless they are satisfied they give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and where applicable, the Charities Act 2022, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**THE INGRAM TRUST**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 5 APRIL 2024 (continued)**

**STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)**

**Internal Controls**

The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps towards the prevention and detection of fraud.

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

**Risk Management & Corporate Governance**

A risk assessment has been undertaken which comprises:

- An annual review of the risks the charity may face;
- The establishment of systems and procedures to mitigate those risks; and
- The implementation of procedures designed to minimise any potential impact on the Trust should those risks materialise.

This continuing process will identify risk areas to which the Trust is vulnerable and highlight any necessary safeguards that will need to be put in place.

The most significant risk identified was a lack of capital return of the fixed asset investments as they provide the liquidity to fund the charity's grant programme. The Trustees regularly monitor the valuation of the investments and have an awareness of the wider economic environment.

The Trustees have signed fit and proper declarations in line with HMRC guidance.

In addition, the Trustees have taken due consideration of Good Governance – a Code for the Voluntary and Community Sector, ensuring that the seven main principles of the Code are adhered to. These are:

- Organisational purpose;
- Leadership;
- Integrity;
- Decision-making, risk and control
- Board effectiveness;
- Equality, diversity and inclusion; and
- Openness and accessibility.

The Trustees recognise that good governance plays an essential part in securing the future of the Foundation and confirm that the said principles of the Code are followed by them in leading, directing and managing the Trust.

**THE INGRAM TRUST**  
**TRUSTEES' ANNUAL REPORT**

**FOR THE YEAR ENDED 5 APRIL 2024 (continued)**

**3. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT**

The charity's objectives and principal activities are to extend donations to any qualified charities of any purpose, body organisation or object in any part of the world which under the law of England and Wales shall be recognised as exclusively charitable.

**Statement of Public Benefit**

As a grant-funder, the Charity's activities will provide public benefit to the individuals and communities who are beneficiaries of the Foundation's funded projects. The Charity's public benefit is not limited with reference to geography, by the charging of fees or otherwise. The Trustees are aware of the Charity Commission guidance on Public Benefit and confirm that they have complied with the duty in Section 4 of the Charities Act 2011 to have due regard to it. They consider the information which follows in this annual report, about the Charity's aims, activities and achievements in the areas of interest that the Charity supports demonstrates the benefit to its beneficiaries and through them to the public, that arise from those activities.

**Grant Making Policy**

The trust deed states that the Trustees shall at their discretion pay or apply the income of the fund to or for the benefit of any one or more qualifying charity. The Trustees may have regard to and shall, if possible, follow the wishes of the Founder as expressed to them from time to time in writing but so that no legal obligation is put upon the Trustees.

The Trustees' agreed grant making policies are as follows:

- To support specific projects which can include identifiable costs for special services or projects provided by the charity or equipment that is required.
- Generally, beneficiaries will be major national and international charities together with some local ones in the county of Surrey.
- The majority of grants will be committed for periods of 3 - 4 years at a time. This allows the trust to better assess grant applications, maximise the impact it can make on the charities it supports and to more effectively monitor project progress.
- Charities specialising in overseas aid are not considered except those dedicated to encouraging self-help and providing more permanent solutions to problems. No animal charities are considered except those concerned with wildlife conservation.
- Applications by individuals will not be considered as only registered charities can qualify for a grant.

**THE INGRAM TRUST**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 5 APRIL 2024 (continued)**

#### **4. ACHIEVEMENTS AND PERFORMANCE**

The Trustees consider grant applications from new charities that they believe demonstrate concrete evidence of delivering public benefit and they review project progress and impact reports from existing grant recipients.

##### **Charitable Activities**

Charitable activities include grant commitments in the year of £512,907 (2023 - £577,500) and governance costs of £20,510 (2023 - £22,708). All grants made are in line with the Trustees' grant making policy as prescribed under Section 3 of this report "Objects and Activities for the Public Benefit". A full list of the grants made during the year ended 5 April 2024 is shown in Note 3 to the financial statements. The accounting treatment in respect of grants is in line with that set out in Section 7 of the SORP (FRS 102).

During the year the charity awarded the following grants:

##### **Countryside Learning**

The Trustees renewed their support of the Countryside Classroom Days programme with a £90,000 commitment, distributed equally over three years (£30,000 annually). This initiative, focused on Special Needs Education children, aims to counteract the impact of reduced school trips due to funding cuts and has demonstrated promising results.

##### **Dyscover**

The Trustees approved a one-off donation of £10,000 to Dyscover, a Surrey-based charity supporting individuals with aphasia, a neurological condition affecting language skills. This funding will help address long-term support needs not fully met by the NHS for people with aphasia and their families.

##### **Flying Scholarships for Disabled People (RIAT)**

The Trustees agreed to a £36,000 commitment, spread equally over three years (£12,000 per year), to fund aviation scholarships for adults with disabilities. Each scholarship covers up to 21 hours of flying tuition to help provide major aid and rehabilitation to their lives.

##### **Multiple Sclerosis Trust**

The Trustees agreed to donate £3,597 to the Multiple Sclerosis Trust to complete their fundraising target of £104,691 in covering the costs of an Advanced MS Champion professional at St George's University Hospitals NHS Foundation Trust over 15 months.

##### **Queen Elizabeth's Foundation**

The Trustees agreed to a £75,000 commitment, spread equally over three years (£25,000 per year), to support QEF's Care and Rehabilitation Centre. This funding, reduced from the requested £105,000, will aid in neuro rehabilitation and the development of new respite care services.

##### **Samaritans – Leatherhead, Epsom & Dorking**

This local charity, affiliated with the UK Samaritans network, required funding for a new CCTV system to enhance security at their Leatherhead premises. The trustees agreed to make to a one-off donation of £3,000.

##### **South East Cancer Help Centre**

The Trustees agreed to a further £30,000, spread equally over three years (£10,000 annually), to support SECHC's services for cancer patients, including complementary therapies, counselling, and support groups.

**THE INGRAM TRUST**  
**TRUSTEES' ANNUAL REPORT**

**FOR THE YEAR ENDED 5 APRIL 2024 (continued)**

**ACHIEVEMENTS AND PERFORMANCE (continued)**

**Woodland Trust**

The Trustees agreed to a £60,000 commitment, spread equally over three years (£20,000 annually), to support the Tree Pack Initiative. This project provides trees to Surrey schools and community groups to enhance wildlife habitats and climate resilience.

**WWF UK**

The Trustees approved a total of £180,000 over three years: £25,000 annually for WWF's UK Nature programme and £35,000 annually for unrestricted use, supporting both environmental and global conservation efforts.

**Yvonne Arnaud Theatre**

The Trustees agreed to a one-off donation of £20,000 to support the theatre's £5.88 million regeneration project to, make the theatre more accessible, sustainable and fit for purpose for future generations.

**5. FINANCIAL REVIEW**

**Incoming Resources & Resources Expended**

Incoming resources totalled £182,707 representing an increase from £173,357 in 2023. This income was entirely received from the trust's investment portfolio and interest from cash deposits.

Investment income is shown gross of investment management costs and tax credits. Charity SORP (FRS 102) prescribes that investment management costs, when incurred, are separately accounted for under resources expended and more specifically under costs of raising funds.

The Trustees note that the unrestricted Income Fund within the Statement of Financial Activities was in deficit of £350,710 (2023 - £426,851) for the year, due to the charitable grants exceeding the annual income. The Trustees agree that any annual deficit position shall be corrected by a transfer from the unrestricted Capital Fund.

Charitable expenditure during the year was £533,417 (2023: £600,208) against a total income of £182,707 (2023: £173,357).

**Investments**

The assets of the charity consist principally of investments and cash and these are collectively recorded on the Balance Sheet and supporting notes at their market value on that date. Any increase or decrease over cost on the restatement of these values is recorded in the Statement of Financial Activities.

The majority of the assets of the trust are held within the HavenRock Fund ("the Fund") an open ended investment company. The investment managers of the Fund, Goldman Sachs International, Bordier & Cie (UK) Limited and SandAire Limited are overseen by Carvetian Capital Management, the Authorised Corporate Director of the Fund. Carvetian Capital Management monitors the investments to ensure they are in line with the restrictions of the Fund.

Carvetian Capital Management meets regularly with the investment managers of HavenRock and provides regular reports to the Trustees.

**THE INGRAM TRUST**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 5 APRIL 2024 (continued)**

**FINANCIAL REVIEW (continued)**

The investment market value at 5 April 2024 was £10,428,822 (2023: £9,929,142). The Trustees realised investment gains of £2,134 (2023: £66,023 loss) on disposals, whilst the value of investments appreciated by £728,010 (2023: depreciation of £818,457) for the year. Total investment gains for the year were £730,144 (2023 – losses of £884,480).

Please see Note 4 for details of the investment movements and holdings.

**Fundraising**

The Trustees have referred to the Code of Fundraising Practice ("the Code") which was developed during the year by the fundraising community through the work of the Institute of Fundraising and Public Fundraising Association, and the Guidance on Charities and Fundraising issued by the Charity Commission ("CC20") and the Charities (Protection and Social Investment) Act 2016 ("the Act"). They confirm that the Code, CC20 and the Act have no impact on the charity as it does not engage in any public fundraising activities.

**Reserves Policy**

The trust's 21 year accumulation policy expired on 3 August 2015. Until this date it had been the Trustee's policy to hold income generated from the investments in the Income Fund and any undistributed income at the year-end was earmarked for direct charitable expenditure in future years.

The investment objectives of the charity remain unchanged as to preserve capital in real terms and provide sufficient income to meet the Trustees' requirements. Any undistributed income will be carried forward in the Income Fund to be distributed at a future date.

There were no free reserves at the year-end.

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for twelve months from the date of signing of these financial statements. The forecast income and reserves are sufficient to cover all of the budgeted expenditure to be able to continue as a going concern.

The ongoing conflict in Ukraine and the resulting high energy costs and other cost inflating factors have affected the global economy. Having considered the contingency plans in place and having reviewed updated cashflow forecasts, the Trustees consider the adoption of the going concern basis in preparing these financial statements continues to be appropriate.

**6. PLANS FOR THE FUTURE PERIODS**

The Trustees do not currently propose to deviate from the current objectives and activities of the trust as detailed in Section 3 of this report.

Report approved by the Trustees and signed on their behalf by:

  
 .....  
**Christopher Ingram (Chairman)**

## THE INGRAM TRUST

## REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES

I report to the charity Trustees on my examination of the accounts of The Ingram Trust ("the charity") for the year ended 5 April 2024 which comprise the Statement of Financial Activities, Balance Sheet and the related notes.

**Responsibilities and basis of report**

As the charity's Trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

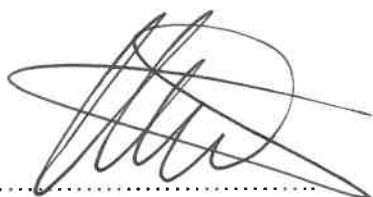

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**THE INGRAM TRUST**

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 5 APRIL 2024**

**1. ACCOUNTING POLICIES**

The Ingram Trust ("the trust" or "the charity"), registered charity number 1040194, is based and administered in the United Kingdom. The registered address is Eighth Floor, 6 New Street Square, London EC4A 3AQ. The nature of the charity's operations and principal activities are set out in the Trustees' Annual Report.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("Charities SORP FRS 102"), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and where applicable, the Charities Act 2022 and UK Generally Accepted Accounting Practice.

The trust constitutes a public benefit entity as defined by Charities SORP FRS 102.

The Foundation has applied the provisions set out in FRS 102, as published on 5 October 2019, and does not include a cash flow statement on this basis.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

In applying the financial reporting framework, the Trustees have made a number of subjective judgements, for example in respect of significant accounting estimates. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The nature of the estimation means the actual outcomes could differ from those estimates. Any significant estimates and judgements affecting these financial statements are detailed within the relevant accounting policy below.

**Incoming resources**

Investment income is derived from dividends and interest receivable from investments and is accounted for in the period in which the trust is entitled to receipt. Interest from income bearing deposit accounts is recorded as and when received only.

**Resources expended**

Expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure.

Direct charitable expenditure comprises grants and donations made during the year together with the recognition of certain commitments made by the Trustees. Governance costs are included within charitable expenditure. These costs relate to the general running of the trust as opposed to the management functions inherent to generating funds. Such costs can include external audit, legal advice and costs associated with constitutional and statutory requirements.

**Taxation**

The charity is not subject to any taxes on its charitable activities. Irrecoverable VAT is charged to the Statement of Financial Activities ("SOFA") when the expenditure to which it relates is incurred and allocated.

**THE INGRAM TRUST****NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 5 APRIL 2024 (continued)****ACCOUNTING POLICIES (continued)****Fixed asset investments**

Quoted investments are included at closing mid-market value at the Balance Sheet date. Realised gains and losses on investments are recognised on disposal on investments and any gain or loss on revaluation is taken to the Statement of Financial Activities (SOFA). The determination of any gains and losses is calculated by reference to the value of such assets at the beginning of the accounting period.

Mid-market values are provided by independent data feed rather than investment manager valuations.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are recognised at transaction value, except where settlement is delayed, in which case the transaction is recognised at the present value of the settlement amount.

**Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

**Creditors payable within one year**

Creditors with no stated interest rate and payable within one year are recorded at transaction price. Any losses arising from impairment are recognised as expenditure.

**Creditors payable in more than one year**

Creditors which fall due for payment greater than one year after the year end are recorded at a net present value with an applicable discount. Any income or expense arising as a result of the discount is recorded through the classification of expenditure to which the original expense was incurred.

**Provisions**

Provisions are recognised when the charity has an obligation at the Balance Sheet date as a result of a past event, it is probable that an outflow of economic benefit will be required in settlement and the amount can be reliably estimated.

Grants payable (note 8) are recognised at present value, where settlement is due over more than one year at the Balance Sheet date and there are no unfulfilled conditions under the control of the trust that would permit the trust to avoid making the future payment(s), and settlement is probable and the effect of discounting is material. The discount rate used 3% and is regarded by the Trustees as providing the most current available estimate of the cost of money reflecting the time value of money to the trust.

**Status of Funds**

The entire resources of the funds are unrestricted and the Trustees have complete discretion for their use in pursuance of the charity's objectives.

## THE INGRAM TRUST

## NOTES TO THE FINANCIAL STATEMENTS

## FOR THE YEAR ENDED 5 APRIL 2024 (continued)

## ACCOUNTING POLICIES (continued)

**Going Concern**

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for twelve months from the date of signing of these financial statements. The forecast income and reserves are sufficient to cover all of the budgeted expenditure to be able to continue as a going concern.

The ongoing conflict in Ukraine and the resulting high energy costs and other cost inflating factors have affected the global economy. Having considered the contingency plans in place and having reviewed updated cashflow forecasts, the Trustees consider the adoption of the going concern basis in preparing these financial statements continues to be appropriate.

**Judgements and key sources of estimated uncertainty**

In preparing these financial statements, the Trustees have to make judgements on how to apply the charity's accounting policies and make estimates about the future. The critical judgements that have been made in arriving at the amounts recognised in the financial statements and the key areas of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying value of assets and liabilities in the next financial year, are discussed below:

- Listed investment valuations - The charity holds listed investments whose valuations are largely expected to be in line with the relevant stock prices listed on the London Stock Exchange.
- Liabilities falling due after more than 1 year - The Trustees have assumed an applicable discount rate (interest rate) of 3% per annum at 5 April 2024 to discount the future cash flows relating to grants payable to the present value.
