I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/03/2024**

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination, which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees' Annual Report

Charity Name: Belton Playgroup

Charity Number: 1040441

Objectives and Activities

The purposes of the charity as set out in our constitution are:

- To enhance the development and education of children below school age, regardless of race or sex, by providing appropriate, safe and satisfying play facilities.
- Encouraging parents or guardians to enhance their understanding of their children's needs by taking part in the play when appropriate, and taking responsibility within The Association.

We are a small village run group whose aim is to provide a warm and caring environment to stimulate children and encourage them to learn and develop through play.

Our pedagogy is Ludocentric – this means that we believe children learn through play, the potential benefit and learning both immediate and long term comes from the play itself. The professional adult's role is to support the play process only intervening when the play needs moving forward. Adults are facilitators – getting resources to support the children's play when requested or by sensitively observing and knowing what may enhance the children's play.

The Playgroup creates an environment that supports individual development in communication and language, physical development, personal, social and emotional development, literacy, mathematics, understanding the world and expressive arts and design.

Belton Pre-School Playgroup is an inclusive learning environment. The operational plan states that, "We shall ensure that all children who attend the Playgroup shall feel secure, valued and included. We will not exclude any child because of their ability, gender, disability, special educational needs, religion, ethnicity or cultural beliefs". The Playgroup aims to be genuinely accessible to children and families from all sections of the local community.

Playgroup staff have attended training in the use of Makaton sign language and integrate this into daily activities for all, including song time, to support children with additional needs and to provide their peers with the tools for effective communication. Special regard has also been given to the purchase of toys, books and other equipment that reflect and cater to the diversity of the Playgroup.

Trustees have had regard to the guidance issued by the Charity Commission on public benefit. The core charitable purpose of the Playgroup is the advancement of education.

We actively encourage both parents of children in attendance at the setting and other people from the wider community to volunteer and attend fundraising events. Parents and other family members are also encouraged to take part in a helper's rota where they provide and prepare fruit for the children and are also given every opportunity, while at the setting, to get involved in playing alongside the children. As a committee run setting, without the volunteers Playgroup would not be able to run. They are invaluable to the governance, financial security and to the continued excellent reputation in the local community.

Achievements and Performance

Playgroup has enjoyed another successful year.

Our brilliant staff team continue to work so hard to provide the wonderfulness of Playgroup to our children and their families. Also our committee team whose time and support continues to be much appreciated. Holiday clubs have continued this year and are still proving popular.

Our fundraising events continue to be well attended and we are grateful to have the support of the village community with these.

Our annual accounts look financially secure for this year although we have seen a smaller difference between income and expenditure compared to last year.

Staff have received a pay increase in line with the government increase to the national living wage.

Playgroup continues to be a valuable asset to the village and surrounding areas and it is a pleasure to be involved with the committee and to be able to contribute in a small way.

Fundraising events this year have included:

- Beetle drive
- Activity mornings
- Bags2School collections
- Christmas bingo
- Valentines disco

Fundraising money this year was used towards new outdoor equipment and the children's Christmas Party.

Financial Review

Belton Playgroup has had another financially successful year.

We have a reserves policy which considers the following:

- Statutory obligations in the event of winding up the charity:
 - Reserves sufficient to cover liabilities to HMRC for PAYE and National Insurance contributions.
 - Reserves sufficient to cover statutory severance in the event of winding up the setting. (E.g. redundancy, payment in lieu of notice etc.)
 - Reserves sufficient to cover statutory holiday accrued by staff.
 - Reserves sufficient to cover any creditors. For example milk and bread supplier.
 - Funds sufficient to cover any obligations to give notice to Belton Village Hall.
 - Reserves sufficient to cover any other contractual obligations, for example any booked training.
- Contingency funds to cover estimated cyclical fluctuations in demand and revenue and any other unexpected demands on funds. The current reserves held are an estimated contingency for the payment of staff salaries and essential running costs for a period of three months.

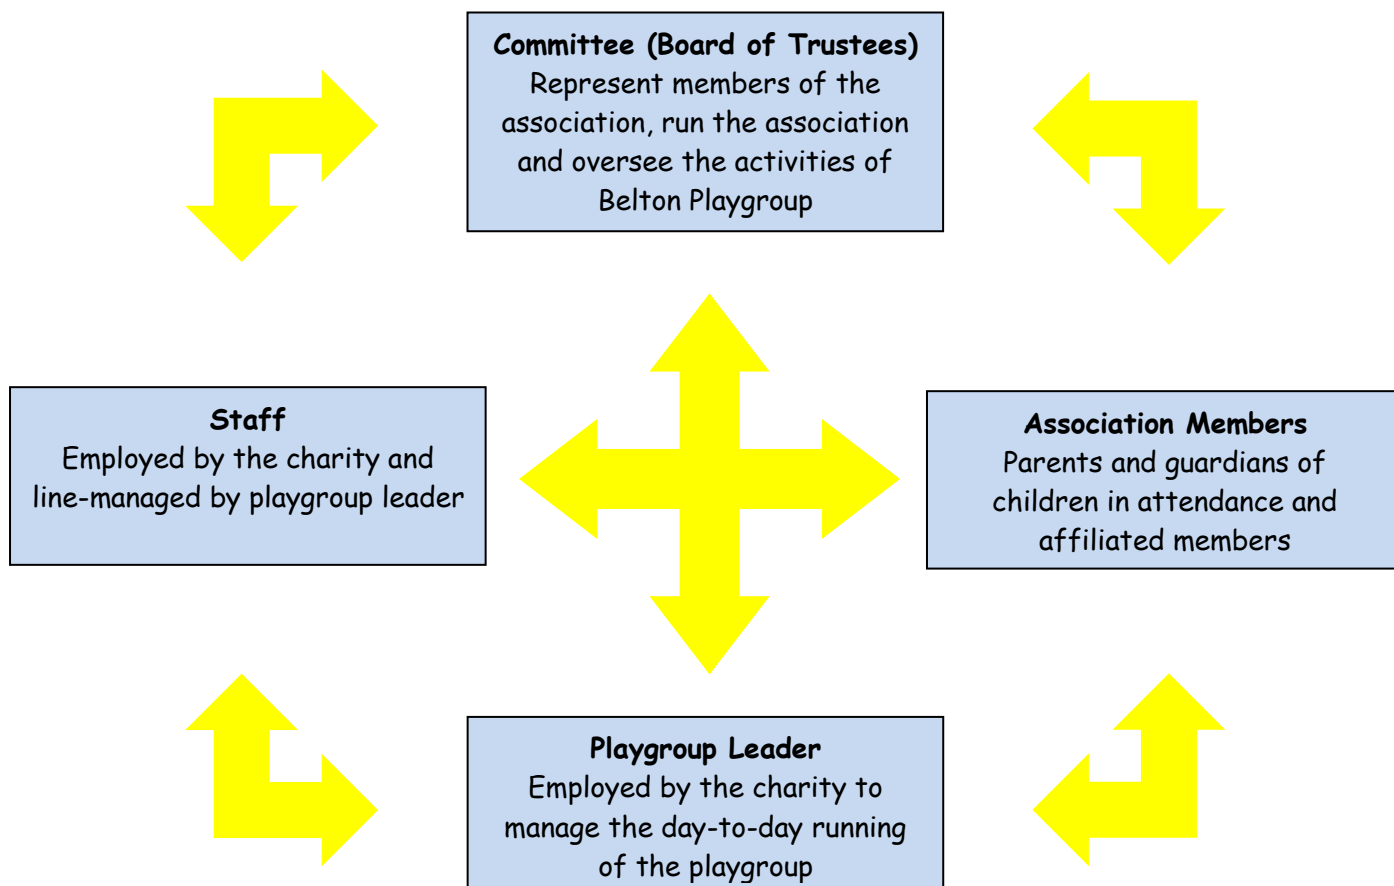

The amount held in reserves is currently £20,000.
