Statement of Trustees' Responsibilities

The Charities Act requires the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed , subject to any material departures disclosed and explained in the financial statements;

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that , on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

This report was approved by the Board of Trustees on 17 December 2021.

Independent Examiner's Report to the trustees of the charity

Report of the Independent Examiner to the Trustees

on the accounts of the Charity for the year ended 30 November 2020

I report on the financial statements of the Charity on pages 7 to 11 for the year ended 30 November 2020, which have been prepared in accordance with the Charities Act 2011 and with the FRS102, effective January 2015, adapted to meet the needs of unincorporated organisations, as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, under the historical cost convention and the accounting policies set out on page 12.

Respective responsibilities of trustees and examiner

As described on page 4, the Charity's Trustees are responsible for the preparation of the financial statements. The Trustees are satisfied that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and;
- c) to state whether particular matters have come to my attention.

Basis of opinion and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England & Wales in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtain written assurances from the Trustees of all material matters.

Independent Examiner's Statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that this is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection (5)(b) of that section which are applicable;

and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements

(i) to keep accounting records in accordance with section 130 of the Act;

(ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Act and;

(iii) that the financial statements be prepared in accordance with the methods and principles set out in the Statement of Recommended Practice - Accounting and Reporting by Charities

have not been met; or

to which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of

Notes to the Accounts

for the year ended 30 November 2020

1 Accounting policies

Basis of preparation of the accounts

The financial statements have been prepared in accordance with the FRS102, effective January 2015, and all other applicable accounting standards as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales (The SORP) adapted to meet the needs of unincorporated organisations. The accounts have been drawn up in accordance with the provisions of the Charities Accounts and Reports Regulations and include all the results of the charity's operations which are described in the Trustees Report, all of which are continuing.

Insofar as the SORP requires compliance with specific Financial Reporting Standards other than the FRS102 then the specific Financial Reporting Standards have been followed where their requirements differ from those of the FRS102.

The particular accounting policies adopted are set out below.

Accounting convention

The financial statements are prepared on a going concern basis, under the historical cost convention. The charity is entirely dependent on continuing donations and as a consequence the going concern basis is also dependent on continuing donations.

Incoming Resources

Incoming resources are accounted for on a receivable basis.

Compliance with Statement of Standard Accounting Practice 19

The charity held no investment properties during the year.

Recognition of liabilities

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the SORP.

Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates.

In particular the policy for including items within costs of generating funds, charitable activities and governance costs is

Costs of generating funds

This comprises the cost associated with attracting grants, donations and other voluntary income. It also includes any fundraising costs.

Charitable activities

This represents those costs incurred by the charity in the delivery of its activities and services to its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

FREEDOM'S ARK

Notes to the Accounts

for the year ended 30 November 2020

Governance costs

These represent those costs associated with meeting the constitutional and statutory requirements of the charity.

Allocation of costs within types of resources expended

All costs are allocated between the expenditure categories of the SofA on a basis designed to reflect the use of the resource.

Fixed Assets and depreciation

All tangible fixed assets, except freehold and buildings, are stated at cost less depreciation . Freehold land and buildings are stated at a valuation arrived at by a professionally qualified firm of valuers, who valued the assets on the basis of open market value in current use.

Items of less than £100 are not capitalised.

Depreciation has been provided at the following rates in order to write off the assets (less their expected residual value) over their estimated useful economic lives.

Freehold land and buildings	2% straight line
Vehicles	25% straight line
Plant and machinery	25% reducing balance

Taxation

As a registered charity the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only Value Added Tax is not recoverable by the company, and is therefore included in the relevant costs in the Statements Financial Activities.

Funds structure policy

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the Trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investments.

Restricted funds have provided to the charity for particular purposes and it is the policy of the Board of Trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.

2 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.
