### Report of the Trustees

#### For the year ended 31 March 2024

---

The trustees present their report and financial statements for the year ended 31 March 2024.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the Memorandum and Articles of Association and the Statement of Recommended Practice - Accounting and Reporting by Charities (effective from January 2019).

#### Objectives and activities

Rural Media Charity's mission statement is:

*To use media and creativity as a catalyst for social impact and positive change for individuals, communities, organisations, cultures and society.*

To deliver our mission we have identified five strategic priorities:

#### 1. Champion underrepresented people & communities

Rural Media Charity works with individuals of all ages and communities experiencing social, geographic, and material deprivation, with multiple and/or complex needs. Underrepresented communities we have provided participatory training, production opportunities, support, work experience, information and advice for include: young people experiencing domestic and relationship abuse; people with physical and learning disabilities; those in or at risk of entering the justice system; LGBTQ+; people experiencing mental health challenges; those in poverty or unemployed; people facing ethnic discrimination; elderly people both living independently and in residential settings; individuals and families experiencing geographical isolation and loneliness. See for example our work with Gypsy, Roma, and Travellers:

[ruralmedia.co.uk/projects/travellers-times](https://ruralmedia.co.uk/projects/travellers-times).

#### 2. Develop media skills & talent

New talent and diverse voices are at the heart of everything we do. Recent years have seen our talent development work increasingly take centre stage, whether working with school children through to giving new creative talent progression routes into the creative industries. This mirrors the launch of the Government's Industrial Strategy Creative Industries Sector Deal 2018 with an emphasis on training and employment, the BFI's five-year strategy with its emphasis on 'Future Learning and Skills', and a natural extension of our cultural work for ACE across the West Midlands. We aim to expand our support for talented young people, professional artists, and arts organisations, to push the boundaries between digital arts and creative practice, giving access to inspirational industry professionals, digital facilities, creative spaces, training, and employment opportunities. See [ruralmedia.co.uk/bfi](https://ruralmedia.co.uk/bfi).

#### 3. Celebrate place & heritage

Rural Media Charity will continue its emphasis on place-based work with key stakeholders including Local Authority MLA services, National Lottery Heritage Fund, Historic England, and National Trust, and, vitally, with communities to strengthen a sense of belonging and pride, share histories and memories, and celebrate what makes a place special. We will inspire and encourage communities locally, regionally and nationally to develop creative enterprises that breathe new life into the culture, places and spaces where they live. More diverse and younger residents will be included in arts, heritage, and cultural activity. Through the creation and distribution of high-quality digital content, improved use and understanding of data, communities will retain younger generations, create employment and creative workspaces, and attract more visitors, increasing sustainability across sectors. #### **4. Raise awareness of rural issues & culture**

Having worked closely with rural communities, service providers and policymakers for over 30 years Rural Media Charity is highly regarded and trusted for its knowledge and insight into rural culture. With 17% of England's residents living in the countryside yet so much of rural life misunderstood and/or misrepresented, raising awareness of issues facing rural communities is a key priority for Rural Media Charity. Rural Media Charity plays an active role in ACE Rural Stakeholders' Group and development of ACE 2020-30 Strategy, Let's Create, and other national policy forums, e.g. Rural Services Network (RSN), BBC Rural Affairs Committee etc. As we become a digital-first society with widening choice of where to live, work or study, the interdependence of rural and urban culture, economy and wellbeing is increasingly recognised. Rural Media Charity contributes creatively and critically to this major policy discourse. See [ruralmedia.co.uk/POV](https://ruralmedia.co.uk/POV).

#### **5. Support arts & cultural organisations**

Arts & culture act as R&D for the creative industries, encouraging experimentation and in turn driving innovation and commercial activity. Meanwhile, creative industries are increasingly recognised as potential drivers of economic growth in rural areas. Rural Media Charity advocates powerfully for cultural organisations and creative businesses to be recognised strategically as contributors to the economic and social wellbeing of rural counties.

Our in-depth local knowledge and understanding of rural communities feed into our own creative programming along with our role in local, regional, and national economic and cultural policy development. To sustain and grow this work, we continue to seek new partnerships and attract cross-sector investment for strategic revenue and capital projects. Our support for cultural enterprise development, especially within the creative technology sector contributes significantly towards regeneration of rural cities and market towns. See Rural Media Charity's leadership role with Herefordshire Cultural Partnership:

[the-shire.co.uk/stories/new-report-looks-boost-herefordshires-creative-economy](https://the-shire.co.uk/stories/new-report-looks-boost-herefordshires-creative-economy).

#### **Public benefit**

The trustees have referred to the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. In particular, the trustees consider how planned activities will contribute to the charity's aims and objectives. Rural Media Charity provides public benefit through its work with communities, schools and colleges, groups, and individuals to create issue-driven films, heritage and digital arts projects that raise awareness, influence change, and celebrate rural life. The charity's work with young people is designed to foster confidence and equip them with the flexible skillset to work in today's creative digital industries. The charity's education programme for young people includes the provision of nationally accredited courses, and its work with marginalised communities is internationally recognised. The charity publishes Travellers' Times, a bi-annual print magazine and daily website [travellerstimes.org.uk](https://travellerstimes.org.uk) to support Gypsies and Travellers to tell their stories, educate people and advocate for their communities.

#### **Achievements and performance**

Rural Media Charity's considerable outputs and outcomes were achieved throughout 2023-24 in no small way thanks to the financial and advisory support of Arts Council England, The National Lottery Community Fund and a range of local and national trusts and foundations.

### **Report of the Trustees**

#### **For the year ended 31 March 2024**

---

During 2023-24 Rural Media Charity engaged more than 2,000 people through our inclusive outreach programme and project portfolio many of whom were from diverse or disadvantaged backgrounds: 17% of ethnic minority heritage, 11% disabled, 49% female and 51% male. We also worked specifically with deaf on-screen talent, people from Gypsy, Roma and Traveller communities, and those identifying as neurodivergent. Approximately 50% of those we worked with came from rural and sparsely populated areas.

We produced high-quality media resource training, increasing the skills of young talent in the Midlands. We were grateful for continued core support from The Elmley Foundation which enables us to use film, media and digital art to strengthen communities and give a platform to unheard voices, deliver much needed bespoke and accessible health & wellbeing advice and information directly to communities in crisis and support creative rural talent.

Our multi-faceted projects have given ongoing training and support for organisational development, leadership and media skills to Gypsy, Roma and Traveller communities nationally, expanded our community outreach across the most underserved areas of Herefordshire, and strengthened creative networks and supported young talent right across the Midlands region. In doing so we created an award-winning portfolio of innovative creative media including films, moving image, animation, audio, educational resources, health and wellbeing resources, photography collections, websites and printed media.

We worked directly with more than 600 people from a range of diverse backgrounds, across 30 projects and productions. Through our broadcast and digital channels, we estimate our audience reach to be more than 2 million over the course of the year.

Project highlights were:

#### **British Film Institute (BFI)**

In the tenth year of BFI Film academy, Rural Media Charity trained 22 young people in filmmaking. Participants received a bespoke training schedule, notably producing practical workshops for hands-on experience. Delivered in a hybrid format, the 2023-24 cohort devised, scripted and produced two creative short films. Participants also had the opportunity to gain an industry recognised NCFE qualification in Preparing to Work in The Film Industry. See [ruralmedia.co.uk/bfi](https://ruralmedia.co.uk/bfi) . In 2024/25 Rural Media will become the West Midlands BFI Academy provider overseeing four separate academies across the West Midlands.

#### **Rural Studios**

Rural Media Charity's commercial trading arm Rural Studios [ruralstudios.co.uk](https://ruralstudios.co.uk), delivered series one of our BBC Arts commissioned series The Read – Iconic novels brought to life on screen with creative performance readings from outstanding talent. They were broadcast on BBC Four and BBC Two Wales and we have been commissioned for a third series in 2024-25.

From television and radio for national broadcasters to online social impact media films for charities and public sector services Rural Studios sets out to change perspectives through film and audio and inspire future talent through innovative storytelling and powerful visuals. Rural Studios is proactively developing exciting and challenging pitches for TV commissioners, along with working closely with service providers in the health, justice, education, and visitor economy sectors.

##### **ArtFlicks**

ArtFlicks is our major Arts Council National Portfolio Organisation activity. It is a youth-led project helping young people make & share creative content celebrating their own arts practise and building new audiences for their work. To watch the ArtFlicks content, search @Artflicks on TikTok or visit [tiktok.com/@Artflicks](https://tiktok.com/@Artflicks)

##### **P.O.V**

Supported by Esmée Fairbairn Foundation (EFF) through core funding, the P.O.V. programme has engaged 1,122 individuals (Dec '23-June '24) and 1,036 of them were aged under 25:

- Held 25 in-person sessions and 3 online sessions;
- Worked with 3 schools; and
- Collaborated with Herefordshire College of Arts, Courtyard Arts Centre, Hay Festival, Hay Castle, MASH Cinema, Polar Bear (spoken word artist), Abstract Edge (art collective), Ledbury community groups & Council. Collaboration with West Mercia Police, Leominster community/Leominster Town Council and others are currently in development.

The numbers are impressive, but more importantly young people are being given new opportunities to be creative, have creative and cultural experiences, gain confidence, skills and feel heard. The POV Producers' group in particular has a lovely vibe, and some of those YP have told us the reason they come along to sessions is for the friendship/creative social / wellbeing side of it.

The POV website has been refreshed: [pointofviewrural.com](https://pointofviewrural.com).

The Producers, facilitated by Toni Cooke, is a creative group for rural young people aged 14-21:

- Producers met twice per month for creative conversation, a safe space, and to make/share content that responds to themes they've chosen;
- Young Producers shared their content at [instagram.com/theproducers](https://instagram.com/theproducers) / which links back to POV site;
- Producers accessed creative trips, commissions and workshops;
- Anyone aged 14-21 living in Herefordshire or South Shropshire were encouraged to take part in development of spin-off thematic projects (example themes: care experience; rural racial inequality; hyper-local place-based youth consultations). 2023-24 priorities included continuation strategy with EFF staff; developing skills and diversifying Boards through a youth trustee programme; and piloting policy development/participatory democracy activity with rural local

##### **Travellers' Times - TT Vision**

Funded by the National Lottery Community Fund, TT Vision builds on the work of the last 20 years as Travellers' Times continues to improve lives through challenging negative media and amplifying Gypsy, Roma and Traveller voices. In 2023-24 we produced two full-page magazines, and the website hosted over 150 co-produced news and feature articles and videos information on a huge range of subjects about the things that are important to Gypsy, Roma, and Traveller people.

Our main focus has been working with community members to deliver the final year of a paid training programme to transition Travellers' Times into an independent community led entity through work-based training and continuing professional development. The two cohorts of 15 trainees worked with us between September 2023 and March 2024 to continue developing their organisational development, media, leadership skills, as well as focusing on their own individual professional practise. Delivered through a blended learning approach including residencies, location based, online, one to one's and group work. ##### **Financial review**

The consolidated financial statements for the year to 31 March 2024 are for Rural Media Charity and its wholly-owned trading subsidiary, Rural Studios Ltd. The financial statements have been prepared according to the requirements of the Statement of Recommended Practice – Accounting by Charities (effective from January 2019) and have been prepared on the basis of funds accounting, rather than on an income and expenditure basis.

For the year to 31 March 2024 total income was £2,325,060 (2023: £1,290,192) of which unrestricted income was £885,364 (2023: £692,307). The deficit on unrestricted funds was £75,766 (2023: surplus of £7,555). Rural Studios Ltd contributed £33,374 (2023: £25,258) to unrestricted funds. Rural Studios Ltd donates all its profits to Rural Media Charity under a deed of covenant.

At 31 March 2024, £14,613 and £941,491 (2023: £2,470 and £31,371) were transferred, from the unrestricted general fund and restricted funds respectively, to the designated fixed asset funds, representing the value of fixed asset additions and the purchase of Packers House in the year. This resulted in closing balances of £128,899 restricted funds (2023: £147,727), £981,667 designated funds (2023: £56,233) and £86,461 unrestricted general funds (2023: £146,170).

The trustees recognise the importance of maintaining a realistic level of reserves in order to ensure that Rural Media Charity continues to be in a position to discharge its obligations to its beneficiaries, partners, creditors and staff. The reserves policy is reviewed annually by trustees to take into account risk and sustainability of the organisation.

At 31 March 2024 the trustees maintained the reserves target such that unrestricted general funds, excluding designated funds, are required to provide at least 4 months' cover of core costs (being establishment and staff expenditure not attributable to project activity). The unrestricted general funds are to be held in the form of cash at bank in a specially designated bank deposit account. At 31 March 2024 the charity's unrestricted general fund target was £120,000 (4 months' core cost cover) and the actual unrestricted general fund was £86,461 (2.9 month's cover), all of which was held on bank deposit account at the year-end, falling slightly short of the target.

The trustees have considered the major risks to which the charity is exposed and have implemented review systems to mitigate these risks.

The major risks are currently identified as:

- Reliance on charitable and other income to supplement earned income to meet the cost of the creative programme;
- Changes in the arts funding system; and
- Critical impact of the loss of key senior staff.

To mitigate these risks the charity:

- Ensures that it has a diverse funding profile without an over-reliance on any one source of funding;
- Reviews existing and potential ways of generating earned income and works towards financial sustainability;
- Maintains and enhances relationships with key funders and remains well informed about developments in the arts funding arena;
- Invests time and effort in the exploration of funding opportunities and financial partnerships; and
- Ensures that all staff, including key senior staff, are well supported and that there is a regular appraisal of skills, roles and responsibilities within the senior staff team.

##### **Going concern**

The trustees consider that the charity will continue as a going concern for a period of at least 12 months from the date on which these financial statements are approved for the following reasons:

- At the year-end the charity holds unrestricted general reserves of £86,461 and cash balances of £190,427;
- The charity's key funders have confirmed that they will continue to support the charity for at least the next 12 months;
- The charity benefits from holding National Portfolio Organisation (NPO) status with Arts Council England (ACE); and
- In November 2022 ACE confirmed that Rural Media Charity would retain its NPO status with unrestricted NPO annual funding maintained at £251,036 for a further two years to 31 March 2026, plus an additional year 2026-27.

The trustees, therefore, consider it appropriate to adopt the going concern basis for the preparation of the accounts, as detailed in note 1(c) to the financial statements.

##### **Plans for future periods**

In November 2022 ACE confirmed that Rural Media Charity would retain its NPO status for a further three years to 31 March 2026, plus an additional year 2026-27. With NPO status comes secured unrestricted funding to develop Rural Media Charity's digital arts portfolio. NPO status is the foundation upon which Rural Media Charity builds a secure and sustainable financial position. As part of its business plan, Rural Media Charity's trading subsidiary, Rural Studios Ltd, will grow its income and surplus. Rural Media's proposal to develop a Digital Culture Hub (DCH) was included in Hereford's Stronger Towns Fund plan. The DCH (now rebranded 'Story-Point') will contribute to "levelling up" by creating a beacon of innovation and enterprise for Herefordshire and the rural West Midlands where creativity meets technology. It will aggregate in a single, fully accessible, contemporary space the creative technologies, tools, and expertise to inspire and raise the skill levels of creative and cultural entrepreneurs, SMEs, students, public, private and VCSE sectors in the county, enabling them to take advantage of the booming, post-Covid-19 digital economy. Rural Media Charity's successful application for £1.2m together with a mortgage provided by The Charity Bank will enable the Rural Media Charity to purchase its current base at Packers House and refurbish and equip the new centre.

##### **Employees**

At Rural Media Charity we rely heavily on the excellence of our staff to help achieve and maintain the highest standards of our creative outputs. We support our staff through regular performance reviews and through training and development programmes that are tailored to the individual.

##### **Structure, governance and management**

Rural Media Charity is a charitable company limited by guarantee, incorporated on 17 July 1992 and registered as a charity on 7 October 1994. The organisation is constituted under a Memorandum of Association which sets out the objects and powers of the charitable organisation and is governed under the Articles of Association. Rural Media Charity wholly owns a subsidiary company, Rural Studios Ltd that commenced trading on 13 May 2016.

The directors are also its trustees for the purpose of charity law and throughout this report are collectively referred to as the trustees. The organisation does not have a membership and the voluntary Board of Trustees is responsible for the overall management of the charity. The trustees have power to set an upper limit to the number of trustees appointed to the Board, currently there is no upper limit. There must be a minimum of three trustees for the Board to be quorate. The trustees meet in full on a quarterly basis.

---

The selection and recruitment of new trustees is the responsibility of the full Board, who appoint by invitation of the Board. New trustees are proactively recruited to meet any skills gaps as identified by trustees. All new trustees are invited to attend one full Board meeting, and activities associated to that meeting, before being formally nominated.

Each new trustee receives an induction pack prior to nomination setting out their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, and minutes which capture the recent financial performance of the charity. Regular Board development sessions are held and each session following appointment of new trustees incorporates induction and orientation information for the newly appointed trustees. The Board itself are exploring further training and support for Trustees run by organisations such as NCVO.

The day-to-day running of the organisation is carried out by a Senior Management Team (SMT) members of which are appointed by the trustees. The SMT comprises: Chief Executive Officer, Creative Director & Deputy CEO, Head of Production, Head of Development and Finance & Operations Director. To facilitate effective operations, the Chief Executive Officer and the SMT have delegated authority, within terms of delegation approved by the trustees, for operational matters including finance, employment and programme related activity. Members of the SMT are not directors of the charitable company in the legal sense under Company Law.

The charity adopts the NJC pay structure and pay scales for all its staff, including key management personnel. NJC scales are local government pay scales that are a result of negotiations between trade unions (Unite, Unison and GMB) and the Local Government Association. NJC pay scales are used extensively in the voluntary sector.

#### **Fundraising**

The charity does not seek to raise funds from the public and therefore has nothing to report on its fundraising approach and standards.

#### **Statement of responsibilities of the Trustees**

The Trustees (who are also Directors of the charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The Trustees are required to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and the group and the incoming resources and application of resources, including the net income or expenditure, of the charity and the group for the year. In preparing those financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

---

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and the group and which enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charity and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Members of the charity guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up. The Trustees are members of the charity but this entitles them only to voting rights. The Trustees have no beneficial interest in the charity.

#### **Auditors**

Godfrey Wilson Limited were re-appointed as auditors to the group and parent charity during the year and have expressed their willingness to continue in that capacity.

## **Independent auditors' report**

### **To the members of**

### **Rural Media Charity**

---

#### **Opinion**

We have audited the financial statements of Rural Media Charity (the 'parent charity') and its subsidiary (the 'group') for the year ended 31 March 2024 which comprise the consolidated statement of financial activities, consolidated and parent charity balance sheets, consolidated statement of cash flows and the related notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and the Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group and parent charity's affairs as at 31 March 2024 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 7 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group and parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## **Independent auditors' report**

### **To the members of**

#### **Rural Media Charity**

---

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the group and parent charity and their environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report. We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charity, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charity financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

#### **Responsibilities of the trustees**

As explained more fully in the trustees' responsibilities statement set out in the trustees' report, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and the parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

## **Independent auditors' report**

#### **Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The procedures we carried out and the extent to which they are capable of detecting irregularities, including fraud, are detailed below:

(1) We obtained an understanding of the legal and regulatory framework that the charity operates in, and assessed the risk of non-compliance with applicable laws and regulations. Throughout the audit, we remained alert to possible indications of non-compliance.

(2) We reviewed the charity's policies and procedures in relation to:

- Identifying, evaluating and complying with laws and regulations, and whether they were aware of any instances of non-compliance;
- Detecting and responding to the risk of fraud, and whether they were aware of any actual, suspected or alleged fraud; and
- Designing and implementing internal controls to mitigate the risk of non-compliance with laws and regulations, including fraud.

(3) We inspected the minutes of trustee meetings.

(4) We enquired about any non-routine communication with regulators and reviewed any reports made to them.

(5) We reviewed the financial statement disclosures and assessed their compliance with applicable laws and regulations.

(6) We performed analytical procedures to identify any unusual or unexpected transactions or balances that may indicate a risk of material fraud or error.

(7) We assessed the risk of fraud through management override of controls and carried out procedures to address this risk. Our procedures included:

- Testing the appropriateness of journal entries;
- Assessing judgements and accounting estimates for potential bias;
- Reviewing related party transactions; and
- Testing transactions that are unusual or outside the normal course of business.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. Irregularities that arise due to fraud can be even harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Rural Media Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

Rural Media Charity is a charitable company limited by guarantee, incorporated on 17 July 1992 and registered as a charity on 7 October 1994. The organisation is constituted under a Memorandum of Association which sets out the objects and powers of the charitable organisation and is governed under the Articles of Association. Rural Media Charity wholly owns a subsidiary company, Rural Studios Ltd that commenced trading on 13 May 2016.

The charitable company's registered office is Packers House, 25 West Street, Hereford, HR4 0BX.

##### **b) Group accounts**

These financial statements consolidate the results of the charitable company and its wholly-owned (controlled) subsidiary on a line by line basis. Transactions and balances between the charitable company and its subsidiary have been eliminated from the consolidated financial statements. Balances between the two companies are disclosed in the notes of the charitable company's balance sheet. A separate statement of financial activities, or income and expenditure account, for the charitable company itself is not presented because the charitable company has taken advantage of the exemptions afforded by section 408 of the Companies Act 2006.

##### **c) Going concern basis of accounting**

The accounts have been prepared on the assumption that the charity is able to continue as a going concern. At the year-end the group holds unrestricted general reserves of £86,461 and cash balances of £190,427. The charity's key funders have confirmed that they will continue to support the charity for at least the next 12 months. The charity benefits from holding National Portfolio Organisation (NPO) status with Arts Council England (ACE). In January 2024 ACE confirmed that Rural Media Charity would retain its NPO status with unrestricted NPO annual funding maintained at £251,036 for a further three years to 31 March 2027. The trustees consider that the charity has sufficient cash reserves to continue as a going concern for a period of at least 12 months from the date on which these financial statements are approved.

##### **d) Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item of income have been met, it is probable that the income will be received and the amount can be measured reliably.

#### 1. Accounting policies (continued)

##### d) Income (continued)

Income from the government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income received in advance of provision of services under contract is deferred until criteria for income recognition are met.

##### e) Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity: this is normally upon notification of the interest paid or payable by the bank.

##### f) Funds accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the Trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

##### g) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

##### h) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Governance costs are the costs associated with the governance arrangements of the charity, including the costs of complying with constitutional and statutory requirements and any costs associated with the strategic management of the charity's activities. These costs have been allocated in full to expenditure on charitable activities which is deemed to be reflective of the activities of the charity in this period.

##### i) Tangible fixed assets

Depreciation is provided at rates calculated to write down the cost of each asset to its estimated residual value over its expected useful life. The depreciation rates in use are as follows:

|                       |                     |
|-----------------------|---------------------|
| Motor vehicles        | 25% straight line   |
| Technical equipment   | 25% straight line   |
| Fixtures and fittings | 25% straight line   |
| Land and buildings    | 3.33% straight line |

Items of equipment are capitalised where the purchase price exceeds £1,000.

#### **1. Accounting policies (continued)**

##### **j) Investment in subsidiary undertakings**

The charitable company has one wholly owned subsidiary, Rural Studios Ltd, (registered company number 03751216). The subsidiary is used for non-primary purpose trading activities. The subsidiary undertaking is valued at cost less any cumulative impairment losses in the charitable company's accounts.

##### **k) Investment property**

Investment property is property (land or a building, or both) held by the owner to earn rentals or for capital appreciation or both.

Investment property is initially measured at cost, including transaction costs. Investment property is subsequently measured at fair value at the reporting date. This method of valuation applies to all the charitable company's investment properties.

##### **l) Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### **m) Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

##### **n) Creditors**

Creditors and provisions are recognised where there is a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

##### **o) Financial instruments**

The charitable company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently recognised at amortised cost using the effective interest method.

##### **p) Pension costs**

The charitable company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the charitable company in an independently administered fund. The pension cost charge represents contributions payable under the scheme by the charitable company to the fund. The charitable company has no liability under the scheme other than for the payment of those contributions.

#### **1. Accounting policies (continued)**

##### **q) Redundancy payments**

Where an employee receives a termination benefit the full cost is recognised at the date the employee is notified.

##### **r) Accounting estimates and key judgements**

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key source of estimation uncertainty that has a significant effect on the amounts recognised in the financial statements are depreciation and valuation of investment property, as described below and in note 1(i and k, respectively) to the financial statements.

##### **Depreciation on land**

The trustees do not consider the land element of the building to be readily separable from the tangible fixed asset or investment property, and therefore it is depreciated along with the tangible fixed asset. The trustees are satisfied that the impact of this is immaterial on the net book value of the asset.
