# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their report along with the financial statements of the charity for the year ended 31 March 2025. The Trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

### Constitution and objects

The St. Kilda Trust was constituted under a Declaration of Trust dated 1st November 1994 as amended by a Supplemental Deed dated 14th November 1994 and a Deed of Variation dated 1 September 2015. The Trust is a registered charity in England and Wales, charity no: 1041904.

The objects of the charity are to relieve sickness and preserve health in the Epsom Healthcare Trust Area in any way which the trustees shall deem appropriate including but not limited to:

- a. The provision of accommodation and amenity buildings for use of staff and students of Epsom General Hospital; and
- b. The purchase, construction, extension and/or refurbishment of buildings for the provision of hospital and medical facilities.

The charity works closely with Epsom and St. Helier NHS Trust and other local and national charities.

### Public Benefit

We have referred to the guidance in the Charity Commission's general guidance on Public Benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

### Organisation

Iain MacLeod, Richard Potton, and Christopher White (Chair), were the trustees of the charity as at 31 March 2025. Future trustees are appointed by a resolution of the trustees passed at a special meeting.

### Achievements and performance

The previously exchanged conditional contract for the sale and leaseback of the property remains, with the lease to be completed pursuant to the contract once development works have been completed by the developer who acquires the property. The sale of the property will result in increased reserves for the charity.

Overall, with its healthy levels of reserves, the charity is well-placed to withstand any decline in income and to continue its charitable activities for the foreseeable future.

### Financial Review and Reserves Policy

The charity's income increased this year to £141,959 (2024: £130,268). After operating expenditure and unrealised investment gains, the charity's net expenditure for the year was £2,687 (2024: net expenditure of £253). At year end, reserves were £5,013,953 (2024: £5,019,412). Reserves comprise £5,008,067 unrestricted funds and £5,886 designated funds. A significant part of the unrestricted reserves is represented by the freehold property of £3,463,971 (2024: £3,588,156).

The Trustees continued work during the year progressing the redevelopment project with the developer and tenant for the future benefit of the Trust and the tenant. The Trustees actively consider ways in which the Trust's reserves may be used. In accordance with the Trust's objects, the Trustees will:-

1. Continue to build up reserves to enable the Trust to take opportunities to contribute to the long term sustainability of the provision of health services within the Epsom Healthcare Area;
2. Pay out such sums from the reserves as are appropriate for specific projects.

# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

### Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland '.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- state whether a Statement of Recommended Practice (SORP) applies and has been followed, subject to any material departures which are explained in the financial statements
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Independent examiners

Moore Kingston Smith LLP have indicated their willingness to continue in office and it is proposed that they be re-appointed independent examiners for the ensuing year.

Approved by the trustees on 10/10/25 and signed on their behalf by:

Christopher White, Chairman

# **Independent Examiner's Report to the Trustees of ST. KILDA TRUST**

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 March 2025.

## **Responsibilities of Trustees and Examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under the Act under section 145. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the Act.

## **Independent Examiner's Statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Authorised and approved by the Board of Trustees on 10/10/25

and signed on its behalf by Christopher White

Christopher White, Chairman

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2025**

**1. Accounting Policies**

**(a) Accounting convention**

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The charity is a public benefit entity for the purposes of FRS 102 and a registered charity and therefore has also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in the financial statements are rounded to the nearest pound.

**(b) Tangible fixed assets and depreciation**

Freehold land and buildings are stated at their deemed cost being the valuation at the date of transition to FRS 102. The charity previously adopted a policy of depreciating freehold buildings and they were stated at cost less depreciation. The charity has adopted the transition exemption under FRS 102 and has elected to revalue freehold land and buildings at 1 April 2014 and use this valuation as deemed cost.

Depreciation on fixed assets is provided at rates estimated to write off costs, less estimated residual value of each asset over its expected useful life, as follows:

|                    |                             |
|--------------------|-----------------------------|
| Freehold Land      | Nil                         |
| Freehold Buildings | Straight line over 35 years |

**(c) Fixed asset investments**

Investments are initially recognised at their transaction value and subsequently remeasured at their fair value at the balance sheet date. The Statement of Financial Activities includes the net fair value gains on revaluation at the year end.

**(d) Incoming resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income.

**(e) Resources expended**

Expenditure is included on an accruals basis. Resources expended includes all expenditure on activities in furtherance of the charity's objects, expenditure on costs incurred in support of the charitable activities undertaken by the charity and expenditure relating to meeting the statutory requirements of the charity.

**(f) Critical Accounting Estimates and Areas of Judgement**

In preparing the financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have the most significant effect on amounts recognised in the financial statements.

**Freehold Property**

As explained in note (b), the freehold property was revalued at 1 April 2014 to £4,500,000. No separate value can be attributed to the land element of this value. The trustees have estimated that land accounts for 27% of the £4,500,000 and no depreciation has been charged on this element.

**Depreciation policy**

As at 1 April 2014, the trustees estimated the remaining useful economic life of the freehold property to be 35 years.

#### Accounting Policies (continued)

(g) **Financial instruments**

Financial instruments receivable or payable within one year of the reporting date are carried at their transaction price.

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

(h) **Cash Flow Statement**

The charity has taken the exemption available in paragraph 7.1B of FRS102 and has not prepared a cash flow statement.

Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objects.

Designated funds comprise those funds set aside by the trustees for use by the East Surrey branch of the Motor Neurone Disease charity which are to be used on a case by case basis to fund quality of life requests.

**9. Related party transactions**

In 2024 the charity entered into a service agreement with Denbies Wine Estate Ltd of whom two trustees are directors, to provide accounting and administrative functions for the charity which they are charging at cost. The service agreement and all invoices are approved by an independent Trustee. Three external quotes were received but this was the lowest cost of them all, the costs totalled £7,660 for the year ended 31 March 2025.

# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their report along with the financial statements of the charity for the year ended 31 March 2024. The Trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

### Constitution and objects

The St. Kilda Trust was constituted under a Declaration of Trust dated 1st November 1994 as amended by a Supplemental Deed dated 14th November 1994 and a Deed of Variation dated 1 September 2015. The Trust is a registered charity in England and Wales, charity no: 1041904.

The objects of the charity are to relieve sickness and preserve health in the Epsom Healthcare Trust Area in any way which the trustees shall deem appropriate including but not limited to:

- a. The provision of accommodation and amenity buildings for use of staff and students of Epsom General Hospital; and
- b. The purchase, construction, extension and/or refurbishment of buildings for the provision of hospital and medical facilities.

The charity works closely with Epsom and St. Helier NHS Trust and other local and national charities.

### Public Benefit

We have referred to the guidance in the Charity Commission's general guidance on Public Benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

### Organisation

Iain MacLeod, Richard Potton, and Christopher White (Chair), were the trustees of the charity as at 31 March 2024. Future trustees are appointed by a resolution of the trustees passed at a special meeting.

### Achievements and performance

The previously exchanged conditional contract for the sale and leaseback of the property remains, with the lease to be completed pursuant to the contract once development works have been completed by the developer who acquires the property. The sale of the property will result in increased reserves for the charity.

Overall, with its healthy levels of reserves, the charity is well-placed to withstand any decline in income and to continue its charitable activities for the foreseeable future.

### Financial Review and Reserves Policy

The charity's income increased this year to £130,268 (2023: £121,251). After operating expenditure and unrealised investment gains, the charity's net expenditure for the year was £253 (2023: net income of £5,905). At year end, reserves were £5,019,412 (2023: £5,004,593). Reserves comprise £5,017,901 unrestricted funds and £1,511 designated funds. A significant part of the unrestricted reserves is represented by the freehold property of £3,558,156 (2023: £3,652,341).

The Trustees continued work during the year progressing the redevelopment project with the developer and tenant for the future benefit of the Trust and the tenant. The Trustees actively consider ways in which the Trust's reserves may be used. In accordance with the Trust's objects, the Trustees will:-

1. Continue to build up reserves to enable the Trust to take opportunities to contribute to the long term sustainability of the provision of health services within the Epsom Healthcare Area;
2. Pay out such sums from the reserves as are appropriate for specific projects.

# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

### Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland '.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- state whether a Statement of Recommended Practice (SORP) applies and has been followed, subject to any material departures which are explained in the financial statements
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Independent examiners

Moore Kingston Smith LLP have indicated their willingness to continue in office and it is proposed that they be re-appointed independent examiners for the ensuing year.

Approved by the trustees on 12.12.24 and signed on their behalf by: 

Christopher White, Chairman

# **Independent Examiner's Report to the Trustees of ST. KILDA TRUST**

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 March 2024.

## **Responsibilities of Trustees and Examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under the Act under section 145. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the Act.

## **Independent Examiner's Statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Authorised and approved by the Board of Trustees on 12.12.24  
and signed on its behalf by Christopher White

**Christopher White, Chairman**

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2024**

**1. Accounting Policies**

**(a) Accounting convention**

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The charity is a public benefit entity for the purposes of FRS 102 and a registered charity and therefore has also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in the financial statements are rounded to the nearest pound.

**(b) Tangible fixed assets and depreciation**

Freehold land and buildings are stated at their deemed cost being the valuation at the date of transition to FRS 102. The charity previously adopted a policy of depreciating freehold buildings and they were stated at cost less depreciation. The charity has adopted the transition exemption under FRS 102 and has elected to revalue freehold land and buildings at 1 April 2014 and use this valuation as deemed cost.

Depreciation on fixed assets is provided at rates estimated to write off costs, less estimated residual value of each asset over its expected useful life, as follows:

|                    |                             |
|--------------------|-----------------------------|
| Freehold Land      | Nil                         |
| Freehold Buildings | Straight line over 35 years |

**(c) Fixed asset investments**

Investments are initially recognised at their transaction value and subsequently remeasured at their fair value at the balance sheet date. The Statement of Financial Activities includes the net fair value gains on revaluation at the year end.

**(d) Incoming resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income.

**(e) Resources expended**

Expenditure is included on an accruals basis. Resources expended includes all expenditure on activities in furtherance of the charity's objects, expenditure on costs incurred in support of the charitable activities undertaken by the charity and expenditure relating to meeting the statutory requirements of the charity.

**(f) Critical Accounting Estimates and Areas of Judgement**

In preparing the financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have the most significant effect on amounts recognised in the financial statements.

to the income.

**Freehold Property**

As explained in note (b), the freehold property was revalued at 1 April 2014 to £4,500,000. No separate value can be attributed to the land element of this value. The trustees have estimated that land accounts for 27% of the £4,500,000 and no depreciation has been charged on this element.

**Depreciation policy**

As at 1 April 2014, the trustees estimated the remaining useful economic life of the freehold property to be 35 years.

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2024**

**Accounting Policies (continued)**

**(g) Financial instruments**

Financial instruments receivable or payable within one year of the reporting date are carried at their transaction price.

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

**(h) Cash Flow Statement**

The charity has taken the exemption available in paragraph 7.1B of FRS102 and has not prepared a cash flow statement.

Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objects.

Designated funds comprise those funds set aside by the trustees for use by the East Surrey branch of the Motor Neurone Disease charity which are to be used on a case by case basis to fund quality of life requests.

**9. Related party transactions**

During the year the charity entered into a service agreement with Denbies Wine Estate Ltd of whom two trustees are directors, to provide accounting and administrative functions for the charity which they are charging at cost. The service agreement and all invoices are approved by an independent Trustee. Three external quotes were received but this was the lowest cost of them all, the costs totalled £7,620 for the year ended 31 March 2024.

# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

The trustees present their report along with the financial statements of the charity for the year ended 31 March 2023. The Trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

### Constitution and objects

The St. Kilda Trust was constituted under a Declaration of Trust dated 1st November 1994 as amended by a Supplemental Deed dated 14th November 1994 and a Deed of Variation dated 1 September 2015. The Trust is a registered charity in England and Wales, charity no: 1041904.

The objects of the charity are to relieve sickness and preserve health in the Epsom Healthcare Trust Area in any way which the trustees shall deem appropriate including but not limited to:

- a. The provision of accommodation and amenity buildings for use of staff and students of Epsom General Hospital; and
- b. The purchase, construction, extension and/or refurbishment of buildings for the provision of hospital and medical facilities,

The charity works closely with Epsom and St. Helier NHS Trust and other local and national charities.

### Public Benefit

We have referred to the guidance in the Charity Commission's general guidance on Public Benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

### Organisation

Iain MacLeod, Richard Potton, and Christopher White (Chair), were the trustees of the charity as at 31 March 2023. Future trustees are appointed by a resolution of the trustees passed at a special meeting.

### Achievements and performance

A conditional contract for the sale and leaseback of the property was exchanged at the year end, with the lease complete pursuant to the contract once development works have been completed by the developer who acquires the property. The sale of the property will result in increased reserves for the charity.

Overall, with its healthy levels of reserves, the charity is well-placed to withstand any decline in income and to continue its charitable activities for the foreseeable future.

### Financial Review and Reserves Policy

The charity's income fell this year to £121,251 (2022: £116,353). After operating expenditure and unrealised investment gains, the charity's net expenditure for the year was £59,592 (2022: £12,672). At year end, reserves were £5,004,593 (2022: £5,064,185). Reserves comprise £5,002,768 unrestricted funds and £1,825 designated funds. A significant part of the unrestricted reserves is represented by the freehold property of £3,652,341 (2022: £3,746,526).

The Trustees continued work during the year progressing the redevelopment project with the developer and tenant for the future benefit of the Trust and the tenant. The Trustees actively consider ways in which the Trust's reserves may be used. In accordance with the Trust's objects, the Trustees will:-

1. Continue to build up reserves to enable the Trust to take opportunities to contribute to the long term sustainability of the provision of health services within the Epsom Healthcare Area;
2. Pay out such sums from the reserves as are appropriate for specific projects.

# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

### Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland '.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- state whether a Statement of Recommended Practice (SORP) applies and has been followed, subject to any material departures which are explained in the financial statements
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Independent examiners

Moore Kingston Smith LLP have indicated their willingness to continue in office and it is proposed that they be re-appointed independent examiners for the ensuing year.

Approved by the trustees on 15/12/23 and signed on their behalf by:

**Christopher White, Chairman**

# Independent Examiner's Report to the Trustees of ST. KILDA TRUST

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 March 2023.

## Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under the Act under section 145. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the Act.

## Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

and signed on its behalf by Christopher White

**Christopher White, Chairman**

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2023**

**1. Accounting Policies**

**(a) Accounting convention**

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The charity is a public benefit entity for the purposes of FRS 102 and a registered charity and therefore has also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in the financial statements are rounded to the nearest pound.

**(b) Tangible fixed assets and depreciation**

Freehold land and buildings are stated at their deemed cost being the valuation at the date of transition to FRS 102. The charity previously adopted a policy of depreciating freehold buildings and they were stated at cost less depreciation. The charity has adopted the transition exemption under FRS 102 and has elected to revalue freehold land and buildings at 1 April 2014 and use this valuation as deemed cost.

Depreciation on fixed assets is provided at rates estimated to write off costs, less estimated residual value of each asset over its expected useful life, as follows:

|                    |                             |
|--------------------|-----------------------------|
| Freehold Land      | Nil                         |
| Freehold Buildings | Straight line over 35 years |

**(c) Fixed asset investments**

Investments are initially recognised at their transaction value and subsequently remeasured at their fair value at the balance sheet date. The Statement of Financial Activities includes the net fair value gains on revaluation at the year end.

**(d) Incoming resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income.

**(e) Resources expended**

Expenditure is included on an accruals basis. Resources expended includes all expenditure on activities in furtherance of the charity's objects, expenditure on costs incurred in support of the charitable activities undertaken by the charity and expenditure relating to meeting the statutory requirements of the charity.

**(f) Critical Accounting Estimates and Areas of Judgement**

In preparing the financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have the most significant effect on amounts recognised in the financial statements.

to the income.

**Freehold Property**

As explained in note (b), the freehold property was revalued at 1 April 2014 to £4,500,000.

No separate value can be attributed to the land element of this value. The trustees have estimated that land accounts for 27% of the £4,500,000 and no depreciation has been charged on this element.

**Depreciation policy**

As at 1 April 2014, the trustees estimated the remaining useful economic life of the freehold property to be 35 years.

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2023**

**Accounting Policies (continued)**

- (g) **Financial instruments**  
Financial instruments receivable or payable within one year of the reporting date are carried at their transaction price.
- (h) **Cash Flow Statement**  
The charity has taken the exemption available in paragraph 7.1B of FRS102 and has not prepared a cash flow statement.

**2. Charitable activities**

|                                     |        | <u>2023</u><br>£ | <u>2022</u><br>£ |

| Grants                              |        | <u>7,350</u>     | <u>16,565</u>    |
|                                     |        | <u>115,346</u>   | <u>129,290</u>   |

**Analysis of Grants:**

|                                                          |              |               |
|----------------------------------------------------------|--------------|---------------|
| Surrey County Council - Green Social Prescribing Project | 5,000        | -             |
| The Motor Neurone Disease Association                    | 2,350        | 2,565         |
| Surrey & Borders NHS Foundation Trust                    | -            | 14,000        |
|                                                          | <u>7,350</u> | <u>16,565</u> |

No trustees received any remuneration for their services as trustees during the year or were reimbursed for expenditure. The charity has no employees and the trustees are the key management personnel.

**3. Tangible Fixed Assets**

|                                                      | <u>2023</u><br>£ |
|------------------------------------------------------|------------------|
| Freehold Property                                    |                  |
| Deemed cost at 1st April 2022 and at 31st March 2023 | <u>4,500,000</u> |
| <b>Depreciation</b>                                  |                  |
| At 1st April 2022                                    | 753,474          |
| Charge for the year                                  | <u>94,185</u>    |
| At 31st March 2023                                   | <u>847,659</u>   |
| <b>Net Book Value</b>                                |                  |
| At 31st March 2023                                   | <u>3,652,341</u> |
| At 31st March 2022                                   | <u>3,746,526</u> |

In August 2019, an independent valuation of the property was obtained and this valued the property at £5.085m on an existing use basis.

# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their report along with the financial statements of the charity for the year ended 31 March 2022. The Trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

### Constitution and objects

The St. Kilda Trust was constituted under a Declaration of Trust dated 1st November 1994 as amended by a Supplemental Deed dated 14th November 1994 and a Deed of Variation dated 1 September 2015. The Trust is a registered charity in England and Wales, charity no: 1041904.

The objects of the charity are to relieve sickness and preserve health in the Epsom Healthcare Trust Area in any way which the trustees shall deem appropriate including but not limited to:

- a. The provision of accommodation and amenity buildings for use of staff and students of Epsom General Hospital; and
- b. The purchase, construction, extension and/or refurbishment of buildings for the provision of hospital and medical facilities.

The charity works closely with Epsom and St. Helier NHS Trust and other local and national charities.

### Public Benefit

We have referred to the guidance in the Charity Commission's general guidance on Public Benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

### Organisation

Iain MacLeod, Richard Potton, and Christopher White (Chair), were the trustees of the charity as at 31 March 2022. Future trustees are appointed by a resolution of the trustees passed at a special meeting.

### Achievements and performance

A new lease and related documents were signed on 18 November 2020 with The Epsom and St. Helier University Hospitals NHS Trust to ensure continued provision of key worker accommodation on the hospital site and secured the future rental income for the charity. A planning application for new replacement accommodation units has been approved.

Overall, with its healthy levels of reserves, the charity is well-placed to withstand any decline in income and to continue its charitable activities for the foreseeable future.

### Financial Review and Reserves Policy

The charity's income fell this year to £116,355 (2021: £212,362). After operating expenditure and unrealised investment gains, the charity's net expenditure for the year was £12,672 (2021: £37,977). At year end, reserves were £5,064,185 (2021: £5,076,857). Reserves comprise £5,060,010 unrestricted funds and £4,175 designated funds. A significant part of the unrestricted reserves is represented by the freehold property of £3,746,526 (2021: £3,840,710).

The Trustees continued work during the year progressing the redevelopment project with the developer and tenant for the future benefit of the Trust and the tenant. The Trustees actively consider ways in which the Trust's reserves may be used. In accordance with the Trust's objects, the Trustees will:-

1. Continue to build up reserves to enable the Trust to take opportunities to contribute to the long term sustainability of the provision of health services within the Epsom Healthcare Area;
2. Pay out such sums from the reserves as are appropriate for specific projects.

# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

### Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland '.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- state whether a Statement of Recommended Practice (SORP) applies and has been followed, subject to any material departures which are explained in the financial statements
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Auditors

Moore Kingston Smith LLP have indicated their willingness to continue in office and it is proposed that they be re-appointed auditors for the ensuing year.

### Statement of disclosure to auditors

In so far as the Trustees are aware there is no relevant audit information of which the Charities's auditor is unaware, and the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Approved by the trustees on 20/9/22

and signed on their behalf by: 

**Christopher White, Chairman**

# **Independent Auditors' Report to the Trustees of ST. KILDA TRUST**

## **Opinion**

We have audited the financial statements of St. Kilda Trust for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

## **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# **Independent Auditors' Report to the Trustees of ST. KILDA TRUST**

## **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we required for our audit.

## **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 3, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# Independent Auditors' Report to the Trustees of ST. KILDA TRUST

## Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the charity.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

## Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charity and charity's trustees as a body, for our audit work, for this report, or for the opinion we have formed.

Authorised and approved by the Board of Trustees on 20/9/22  
and signed on its behalf by Christopher White

**Christopher White, Chairman**

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2022**

**1. Accounting Policies**

**(a) Accounting convention**

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The charity is a public benefit entity for the purposes of FRS 102 and a registered charity and therefore has also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in the financial statements are rounded to the nearest pound.

**(b) Tangible fixed assets and depreciation**

Freehold land and buildings are stated at their deemed cost being the valuation at the date of transition to FRS 102. The charity previously adopted a policy of depreciating freehold buildings and they were stated at cost less depreciation. The charity has adopted the transition exemption under FRS 102 and has elected to revalue freehold land and buildings at 1 April 2014 and use this valuation as deemed cost.

Depreciation on fixed assets is provided at rates estimated to write off costs, less estimated residual value of each asset over its expected useful life, as follows:

|                    |                             |
|--------------------|-----------------------------|
| Freehold Land      | Nil                         |
| Freehold Buildings | Straight line over 35 years |

**(c) Fixed asset investments**

Investments are initially recognised at their transaction value and subsequently remeasured at their fair value at the balance sheet date. The Statement of Financial Activities includes the net fair value gains on revaluation at the year end.

**(d) Incoming resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income.

**(e) Resources expended**

Expenditure is included on an accruals basis. Resources expended includes all expenditure on activities in furtherance of the charity's objects, expenditure on costs incurred in support of the charitable activities undertaken by the charity and expenditure relating to meeting the statutory requirements of the charity.

**(f) Critical Accounting Estimates and Areas of Judgement**

In preparing the financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have the most significant effect on amounts recognised in the financial statements.

to the income.

**Freehold Property**

As explained in note (b), the freehold property was revalued at 1 April 2014 to £4,500,000. No separate value can be attributed to the land element of this value. The trustees have estimated that land accounts for 27% of the £4,500,000 and no depreciation has been charged on this element.

**Depreciation policy**

As at 1 April 2014, the trustees estimated the remaining useful economic life of the freehold property to be 35 years.

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2021**

**Accounting Policies (continued)**

- (g) **Financial instruments**  
Financial instruments receivable or payable within one year of the reporting date are carried at their transaction price.
- (h) **Cash Flow Statement**  
The charity has taken the exemption available in paragraph 7.1B of FRS102 and has not prepared a cash flow statement.

**2. Charitable activities**

|                                                     |  | <u>16,565</u> | <u>219,049</u> |

No trustees received any remuneration for their services as trustees during the year or were reimbursed for expenditure. The charity has no employees and the trustees are the key management personnel.

**3. Tangible Fixed Assets**

Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objects.

Designated funds comprise those funds set aside by the trustees for use by the East Surrey branch of the Motor Neurone Disease charity which are to be used on a case by case basis to fund quality of life requests.

**8. Events after the reporting date**

Since the year end, the trust has completed on the sale of the property in exchange for a contract to build a new property on the site, with a future lease to the NHS tenant.

# ST. KILDA TRUST

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their report along with the financial statements of the charity for the year ended 31 March 2021. The Trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

### Constitution and objects

The St. Kilda Trust was constituted under a Declaration of Trust dated 1st November 1994 as amended by a Supplemental Deed dated 14th November 1994 and a Deed of Variation dated 1 September 2015. The Trust is a registered charity in England and Wales, charity no: 1041904.

The objects of the charity are to relieve sickness and preserve health in the Epsom Healthcare Trust Area in any way which the trustees shall deem appropriate including but not limited to:

- a. The provision of accommodation and amenity buildings for use of staff and students of Epsom General Hospital; and
- b. The purchase, construction, extension and/or refurbishment of buildings for the provision of hospital and medical facilities.

The charity works closely with Epsom and St. Helier NHS Trust and other local and national charities.

### Public Benefit

We have referred to the guidance in the Charity Commission's general guidance on Public Benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

### Organisation

Iain MacLeod, Richard Potton, and Christopher White (Chair), were the trustees of the charity as at 31 March 2021. Future trustees are appointed by a resolution of the trustees passed at a special meeting.

### Achievements and performance

A new lease was signed on 18 November 2020 with The Epsom and St. Helier University Hospitals NHS Trust to ensure continued provision of key worker accommodation on the hospital site and secured the future rental income for the charity. A planning application for new replacement accommodation units has been submitted. The Covid-19 pandemic has had very little impact on the results for the year ended 31 March 2021.

Overall, with its healthy levels of reserves, the charity is well-placed to withstand any decline in income and to continue its charitable activities for the foreseeable future.

### Financial Review and Reserves Policy

The charity's income fell slightly this year to £212,362 (2020: £228,076). After operating expenditure and unrealised investment losses, the charity's net expenditure for the year was £37,977 (2020: £630,337). At year end, reserves were £5,076,857 (2020: £5,114,834). Reserves comprise £5,075,117 unrestricted funds and £1,740 designated funds. A significant part of the unrestricted reserves is represented by the freehold property of £3,840,710 (2020: £3,934,895).

The Trustees continued to work during the year to progress development opportunities with the tenant and third parties for the future benefit of the Trust and the tenant. The Trustees actively consider ways in which the Trust's reserves may be used. In accordance with the Trust's objects, the Trustees will:-

1. Continue to build up reserves to enable the Trust to take opportunities to contribute to the long term sustainability of the provision of health services within the Epsom Hospital catchment area, predominantly on the Epsom General Hospital site and adjacent sites;
2. Pay out such sums from the reserves as are appropriate for specific projects.

## ST. KILDA TRUST

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

#### Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- state whether a Statement of Recommended Practice (SORP) applies and has been followed, subject to any material departures which are explained in the financial statements
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

#### Auditors

Moore Kingston Smith LLP have indicated their willingness to continue in office and it is proposed that they be re-appointed auditors for the ensuing year.

#### Statement of disclosure to auditors

In so far as the Trustees are aware there is no relevant audit information of which the Association's auditor is unaware, and the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Approved by the trustees on 8/11/21 and signed on their behalf by:

Christopher White, Chairman

# **Independent Auditors' Report to the Trustees of ST. KILDA TRUST**

## **Opinion**

We have audited the financial statements of St. Kilda Trust for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# **Independent Auditors' Report to the Trustees of ST. KILDA TRUST**

## **Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud (continued)**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we required for our audit.

## **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 3, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## **Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud**

The objectives of our audit in respect of fraud, are: to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the Association.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the Association and considered that the most significant are FRS 102 SORP for Registered Social Housing Providers 2018, the Accounting Direction for Private Registered Providers of Social Housing 2019, and UK financial reporting standards as issued by the Financial Reporting Council.
- We obtained an understanding of how the Association complies with these requirements by discussions with management and those charged with governance.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it may occur, by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.
- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

# Independent Auditors' Report to the Trustees of ST. KILDA TRUST

## Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud (continued)

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charity and charity's trustees as a body, for our audit work, for this report, or for the opinion we have formed.

Authorised and approved by the Board of Trustees on 8/11/21

and signed on its behalf by Christopher White

**Christopher White, Chairman**

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2021**

**1. Accounting Policies**

**(a) Accounting convention**

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The charity is a public benefit entity for the purposes of FRS 102 and a registered charity and therefore has also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in the financial statements are rounded to the nearest pound.

**(b) Going concern**

The trustees have assessed whether the use of going concern is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. In particular they have assessed the impact of the COVID-19 pandemic on the charity and, believe that, in view of the nature of the charity's main activity, any impact will be negligible.

The trustees have made this assessment for a period of at least one year from the date of approval of these financial statements and concluded that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

**Tangible fixed assets and depreciation**

- (c)** Freehold land and buildings are stated at their deemed cost being the valuation at the date of transition to FRS 102. The charity previously adopted a policy of depreciating freehold buildings and they were stated at cost less depreciation. The charity has adopted the transition exemption under FRS 102 and has elected to revalue freehold land and buildings at 1 April 2014 and use this valuation as deemed cost.

Depreciation on fixed assets is provided at rates estimated to write off costs, less estimated residual value of each asset over its expected useful life, as follows:

|                    |                             |
|--------------------|-----------------------------|
| Freehold Land      | Nil                         |
| Freehold Buildings | Straight line over 35 years |

**Fixed asset investments**

- (d)** Investments are initially recognised at their transaction value and subsequently remeasured at their fair value at the balance sheet date. The Statement of Financial Activities includes the net fair value gains on revaluation at the year end.

**Incoming resources**

- (e)** All incoming resources are included in the statement of financial activities when the charity is entitled to the income.

**Resources expended**

- (f)** Expenditure is included on an accruals basis. Resources expended includes all expenditure on activities in furtherance of the charity's objects, expenditure on costs incurred in support of the charitable activities undertaken by the charity and expenditure relating to meeting the statutory requirements of the charity.

**Critical Accounting Estimates and Areas of Judgement**

- (g)** In preparing the financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have the most significant effect on amounts recognised in the financial statements.

**ST. KILDA TRUST**  
**Notes forming part of the Financial Statements**  
**For the Year Ended 31st March 2021**

(h) **Critical Accounting Estimates and Areas of Judgement (continued)**

**Freehold Property**

As explained in note (c), the freehold property was revalued at 1 April 2014 to £4,500,000. No separate value can be attributed to the land element of this value. The trustees have estimated that land accounts for 27% of the £4,500,000 and no depreciation has been charged on this element.

**Depreciation policy**

As at 1 April 2014, the trustees estimated the remaining useful economic life of the freehold property to be 35 years.

(i) **Financial instruments**

Financial instruments receivable or payable within one year of the reporting date are carried at their transaction price.

(j) **Cash Flow Statement**

The charity has taken the exemption available in paragraph 7.1B of FRS102 and has not prepared a cash flow statement.

2. **Charitable activities**

Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objects.

Designated funds comprise those funds set aside by the trustees for use by the East Surrey branch of the Motor Neurone Disease charity which are to be used on a case by case basis to fund quality of life requests.
