

THE SIR ANDREW MARTIN TRUST FOR YOUNG PEOPLE

ANNUAL REPORT

FOR THE YEAR ENDED 30TH JUNE 2021

THE SIR ANDREW MARTIN TRUST FOR YOUNG PEOPLE
TRUSTEES' REPORT FOR THE YEAR ENDED 30TH JUNE 2021

The Trustees present their annual report and financial statements of the charity for the year ended 30th June 2021. The financial statements have been prepared in accordance with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) update bulletin 2 (effective 1st January 2019).

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The objects of the Trust are to promote such charitable purposes for the benefit of young people living in Leicestershire and Rutland, in particular, those undertaken by youth organisations, as the trustees in their absolute discretion think fit.

Grant making policy

Modest grants are made to individual young people and the Trust also makes grants to voluntary youth organisations with which Sir Andrew Martin was closely involved. All grants are made at the discretion of the Trustees to support the aspirations and needs of young people and their voluntary organisations.

Public benefit

In planning the Trust's grant making the trustees have given consideration to the Charity Commission's published guidance on public benefit.

ACHIEVEMENTS AND PERFORMANCE

The Trust has made £14,820 (2020: £15,024) in grants to improve the lives of young people who live in Leicester, Leicestershire or Rutland. The Trust has actively supported the aspirations and needs of young people who have an outstanding skill or talent, the opportunity to gain a unique experience, or who are disadvantaged, have disabilities, learning difficulties, special educational needs or mental health issues. The Trust has also supported voluntary youth organisations which are making a significant contribution to benefit young people and the wider community.

Investments have been managed throughout the year by the Investment Managers, with performance being monitored by the Trustees of Liverpool Charity and Voluntary Services through its Investment Committee meetings.

FINANCIAL REVIEW

Income from investments of £32,360 (2020: £35,797) and donations totalling £14,056 (2020: £12,606) was received during the year. Grants of £14,820 (2020: £15,024) were made. At the year end capital investments were valued at £1,405,328 (2020: £1,201,366).

Investment policy and powers

The trustees have the same full and unrestricted powers of investment in all respects as if they were the beneficial owners.

The investment strategy is set by the trustees and takes account of recent demands for funds and an assessment of expected future needs (see Reserves). The investment policy and strategy are

THE SIR ANDREW MARTIN TRUST FOR YOUNG PEOPLE
TRUSTEES' REPORT FOR THE YEAR ENDED 30TH JUNE 2021

reviewed with the investment managers at regular intervals.

The investment objective is to maximise income available to make grants while maintaining the long-term value of capital.

Risk management

The main risks to which the charity is exposed as identified by the trustees have been considered and systems have been established to mitigate those risks.

Reserves

The Trust Deed permits the spending of capital; the trustees have, however, agreed to retain the capital for the time being and to invest it to produce income to make grants. The trustees are managing the reserves to balance the needs of current and future beneficiaries. It is not anticipated that the needs of beneficiaries will diminish over time.

Plans for the future

The objectives of the Trust remain unchanged for the future; the intention is to continue managing the funds on a consistent basis and distributing income as grants to those in financial need.

Second year of Covid-19 concerns

Pandemic lockdown restrictions on meetings for young people's activities and organisations continued for the whole of the financial year (and beyond). The effect was to severely reduce applications for grants. Whereas twenty-five applications from young people and half a dozen or so from their organisations could be received for each quarterly grants' meeting, applications dropped to less than a handful.

Almost from the inception of the Trust, twenty five years ago, until 2019 the trustees had given continuous and growing support by grants to individual young carers, generally alerted to the Trust by Barnardo's Carefree staff based in Leicester. The trustees were sad to learn of the sudden closure of the Leicester-based support network. The trustees have made enquiries about young carers' support in Leicestershire and Rutland to encourage applications.

The trustees discussed how they might encourage applications for grants believing that despite the lockdown there are young people and their organisations planning for the future and needing financial support. Several actions were implemented:

- to maintain contact and advertise the Trust more actively a new website was developed and launched
- A list of numerous voluntary youth organisations that might value a grant was prepared and all received an email which resulted in some enquiries
- Press releases were written and despatched to Leicestershire and Rutland magazines and newspapers and to HM Lord-Lieutenants of Leicestershire and Rutland and the High Sheriff of Rutland. (*The Trust has historic links with the Lieutenancies.*)
- Professional new large-scale publicity banners were designed and printed
- Business cards, a new innovation, designed by a trustee and aimed at young people were printed with a stock to continue distribution for years
- a dedicated telephone line was launched and is manned by a trustee
- BBC Radio Leicester welcomed two of the trustees to a daytime programme to advertise the Trust

THE SIR ANDREW MARTIN TRUST FOR YOUNG PEOPLE
TRUSTEES' REPORT FOR THE YEAR ENDED 30TH JUNE 2021

In April 2021, in reflecting on the support and encouragement of the late HRH The Duke of Edinburgh to young people the trustees recognised his initiative in the introduction of Gift Aid from the 1980's and its continuing importance not least for young people and their voluntary youth organisations in strengthening fund-raising.

The proposed 25th Anniversary Celebration of the Trust (2020), delayed due to Covid-19 remained on the trustees' agenda. Further discussion showed the trustees' continued intention to hold a publicity event when Covid restrictions permit, hopefully in April 2022 and still at the intended venue, Curve theatre, Leicester.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Sir Andrew Martin Trust for Young People is a registered charity, number 1042358. It was established by a Trust Deed dated 18th November 1994.

Organisation, management and delegation

The administration of the Trust's grant making activities is carried out, at no cost to the Trust, by a volunteer from Samworth Brothers.

The Trustees meet quarterly to make grants and review the Trust's performance, its financial position and its investments. The Trustees, in their power, have delegated accountancy matters to LCVS.

Trustee recruitment and appointment

Having considered relevant skills, experience, and geographical requirements, potential new Trustees are approached by the existing Trustees and then appointed with the agreement of the Trustees. The Trustees are also responsible for the induction and training of new Trustees.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

THE SIR ANDREW MARTIN TRUST FOR YOUNG PEOPLE
TRUSTEES' REPORT FOR THE YEAR ENDED 30TH JUNE 2021

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the Trustees of **The Sir Andrew Martin Trust for Young People**

I report to the trustees on my examination of the accounts of The Sir Andrew Martin Trust for Young People ('the charity') for the year ended 30th June 2021, which are set out on pages 8 to 15.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the accounts present a 'true and fair view' and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE SIR ANDREW MARTIN TRUST FOR YOUNG PEOPLE
NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30TH JUNE 2021

1. ACCOUNTING POLICIES

Basis of preparation

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The Charity has taken advantage of the provisions in the SORP for Charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

Going concern

At the time of approving the accounts, given the Covid-19 pandemic, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

Fund accounting

Unrestricted funds are considered 'free' reserves and are expendable at the discretion of the Trustees in furtherance of the general objectives of the Trust.

Investments

Investments held as fixed assets, in accordance with SORP 2015 are stated and included in the balance sheet at their market value at the valuation date nearest to the year end. Realised and unrealised gains and losses are dealt with as movements on the Capital Fund. Investments are valued at the mid-market price on the valuation date.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions. The Trustees conduct a thorough risk analysis in conjunction with their investment managers at each of their Investment Committee meetings.

Income recognition

Income from investments comprises dividend income and interest and are accounted for when received in the financial year.

Donations are recognised at the earlier of notification or date of receipt, in the case of the third party donations and legacy income when received by the organisation.

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure recognition

All expenditure is accounted for on an accruals basis. All expenses, including support costs and

These unaudited financial statements have been subjected to independent examination. See report on page 7.

THE SIR ANDREW MARTIN TRUST FOR YOUNG PEOPLE
NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30TH JUNE 2021

governance costs, are allocated or apportioned to the applicable expenditure headings in the statement of financial activities.

Raising funds costs relate to expenses incurred in the administration of the investment assets. Charitable activities includes grant funding, along with associated support costs, to beneficiaries. These are dealt with in the Statement of Financial Activities when payment has been approved by the charity. Governance costs relate to compliance with constitutional and statutory requirements and specifically include all costs incurred by the charity in producing the Annual Report.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

Taxation

The charity benefits from various exemptions from taxation afforded by tax legislation and is not liable to corporation tax on income or gains falling within those exemptions. The charity is not able to recover Value Added Tax. Expenditure is recorded in the accounts inclusive of VAT.

These unaudited financial statements have been subjected to independent examination. See report on page 7.

THE SIR ANDREW MARTIN TRUST FOR YOUNG PEOPLE
NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30TH JUNE 2021

2. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
