**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

Since the announcement of National Lockdown relating to Covid 19 HART has significantly limited its services. Apart from very few exceptions HART has not provided face to face services at the Organisations Centre. However, HART has continued to provide online and telephone support to its members as well as liaison with other Central Government and Local Government bodies in an advocacy role for its members.

In addition, HART has provided Covid 19-specific support, ensuring its members have up to date information about staying safe, have uninterrupted supply of medication and access to regular food deliveries where necessary.

Below are the services HART provides. Because of Covid 19 some are currently suspended:

- " Drop in facilities
- " Social care support
- " Peer support
- "Emotional support
- " Benefits advice
- " Hardship funding
- "Advocacy
- "Food Bank
- "Food Chain
- " Access to grant making charities for individuals
- " Partnership work with Health and local councils
- " Lunches
- " Educational resources
- "Visiting health and social care practitioners

- Housing support and advocacy
- Equipment loan

During 2020-2021 partnership between HART and Terrence Higgins Trust has been retained. This has been limited to Case Management only. Counselling and Peer Support has been postponed until National Restrictions are lifted.

**Internal and External Factors**

HART has continued to deliver on its Service Level Agreement with Terrence Higgins Trust to deliver non-clinical HIV support services to Hillingdon residents. This has been limited to Case Management provision.

The agreement with Terrence Higgins Trust for the use of parts of the building for which an income is received has been retained.

HART will continue to encourage Service Member involvement, particularly in relation to fundraising.

**REPORT OF THE TRUSTEES  
for the year ended 31 March 2021**

**ACHIEVEMENT AND PERFORMANCE**

**Internal and external factors**

HART continued to receive a Voluntary Sector Grant from the London Borough of Hillingdon as in previous years.

HART has entered into a Service Level Agreement with Terrence Higgins Trust to deliver non-clinical HIV support services to Hillingdon residents. This has included enhanced case management provision, counselling services, formal peer support services, and support to the LGBTQ community.

In addition there is an agreement with Terrence Higgins Trust for the use of parts of the building for which an income is received.

HART continues to service a rental agreement with Hillingdon MIND for office space..

**FINANCIAL REVIEW**

**Principal funding sources**

HART operates three main funds. The general fund for its running costs, the special fund for the direct benefit of its members.

The general fund benefits from a number of income streams, namely:

Funding from the London Borough of Hillingdon

income from the rental of the building.

Income from Terrence Higgins Trust for Case Management.

Most incomes are identified for specific tasks and are therefore 'restricted' for that purpose and cannot be used for other purposes. HART has to regularly report back to its funders on the activities undertaken and how funds are spent.

The special fund receives income from specific fundraising events and donations. These funds enable HART to provide a benefits advice service, subsidise therapies, organise social events provide free baby milk and provide small hardship grants for service members.

**Reserves policy**

In order for HART to meet its stated aims and objectives it continues to seek grants as well as donations and fundraising events/activities. Grants and rental income received will in turn dictate the level of service that HART can provide to its service members.

HART has established a policy whereby the unrestricted funds not committed or invested in the tangible fixed assets (the free reserves) are at a level to carry forward a significant level of reserves to cover any delay in receipts to meet short term funding requirements and longer-term financial commitments.

**FUTURE PLANS**

HART will continue to seek collaborative and complementary work opportunities with agencies that complement its service development and delivery.

HART will continue to look for income generation through building rental.

HART needs to continue to address the fabric of the building at 40 New Windsor Street, Uxbridge.

HART need to constantly monitor its service development and delivery. This should be in response to the needs of its members, in consultation with its funders and within the resources it has and in response to Covid 19 developments.

HART needs to continue to seek greater diversity in its funding streams by identifying projects for which it can seek specific grant funding. HART needs to develop a funding strategy for this purpose.

**REPORT OF THE TRUSTEES  
for the year ended 31 March 2021**

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The charity is controlled by its governing document, a deed of trust and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**Recruitment and appointment of new trustees**

Trustees are selected through a democratic election process each year at the AGM. Firstly new trustees are nominated prior to the AGM and seconded at the meeting; if more nominations are received than vacant posts then an election is conducted.

Each year one third of existing trustees, in rotation, are required to 'stand down' and may offer themselves for re-election at the AGM.

**Organisational structure**

**Trustees**

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act of 2006. The total number of new service members registered with HART during 2020-2021 was 1 in Hillingdon.

**Staff**

Part time staff consist of a Manager and a Finance Administrator a Cook and Administration Support. In addition HART engages the services of Therapists and relies heavily on the contribution of a volunteer workforce to deliver its services. HART has participated in the Government Furlough Scheme.

HART also engages the services of a CAB Benefits Advisor, to provide three-weekly in-house advice sessions. Currently suspended.

HART continues to service a rental agreement with Hillingdon MIND for office space.

**Induction and training of new trustees**

HART provides all new trustees with copies of the governing document and all HART policies. In addition trustees are familiarised with their responsibilities, as laid down by the Charity Commission through the provision of the publication 'The Essential Trustee'.

**Wider network & Related Parties**

As a local service provider HART consults with and works alongside other service providers in the health and social care sector. This includes hospitals, clinics, social services, housing departments, benefits agency, and other voluntary agencies.

In addition where HART is unable to directly provide a service or work alongside other service providers to support service delivery it will refer to appropriate, unrelated agencies.

HILLINGDON AIDS RESPONSE TRUST LIMITED**

**Independent examiner's report to the trustees of Hillingdon Aids Response Trust Limited ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
