CHARITY OVERVIEW

The charity, founded in 1994, and run with Christian ethos, provides essential funding and operational guidance for partner charities providing caring homes for children whose lives have been severely disadvantaged by bereavement, poverty or disease meeting not only their essential needs but also giving a good standard of educational support and medical care. The charity also provides other disadvantaged children with their educational funding as well as occasional support, as opportunity allows, for families and communities lacking in some of the basic essentials for life such as heating and food. The charity's primary focus, though not exclusively so, is on projects in Southern India and Romania.

STATED OBJECTIVES

The stated and published objectives of the charity which operates in India and Romania are as follows;

1. The provision of residential care for severely disadvantaged children in Christian homes in Bangalore and Nellore including medical care and educational support / funding.
2. The provision of educational funding for children living in needy communities.
3. The occasional provision of short-term aid to communities in need of essential support as identified by our partner charities primarily, but not exclusively, in Romania and India.

An update about the projects supported by the charity is given below:

INDIA

Inter-arc provides financial support and operational guidance for two indigenous children's homes in India. The primary one, in terms of size, is Blessing Home in Bangalore and the other is Krupa Gruham in Nellore. The children, whose parents have either died or are not able to adequately care for them, are provided with a high standard of residential care from whatever age they are admitted through to adulthood, including education at good local schools and further education colleges as well as taking care of medical needs as and when they arise.

Both projects have faced significant challenges over the last year, not only from the consequences of the Covid pandemic with an extended period of school closures and other restrictions, but also due to changes in governmental regulations which have required extensive changes to the operational structure. These challenges have necessitated regular on-line meetings and dialogue between the UK Director, supported by the Trustees, and the Indian board members to ensure continued adherence with the governmental regulations. At the time of writing this report implementation of these changes is an on-going process and will be further covered in next year's report.

It is good to be able to report that despite these issues the children continue to do well and their care has not been compromised.

ROMANIA

Progress is underway with making some important changes to the charity's Romanian board structure which it is hoped when complete will enable the charity to start to engage again with providing funding to meet specific needs. The process is slow and not helped by the Covid pandemic, but it is hoped that there will be active participation again by the time next year's report becomes due.

UK UPDATE

Charity Officers: At the A.G.M. held on 6th July 2019 the undersigned was re-elected as chairman for a further and final year. At the meeting Joy Wallace and Howard Wallace were also re-elected as Secretary and Director respectively. In addition, the charity now has two additional trustees with Ian Watkin, who has also been appointed Data Protection Officer, and Chris Whitell. However, after more than 25 years of loyal and valued service, the charity received the resignation of Don Goddard as trustee due to failing health. The Trustee meetings also benefit from the advisory input of Bob Telford.

Finance: The charity continues to maintain one of its founding policies of not organising any fundraising events or specific requests for income to meet its needs, preferring instead to emulate the practice of George Muller of trusting God to meet its needs through prayer. Despite the widespread effects of the Covid pandemic it is pleasing to be able to report a record year for income which has enabled the charity to continue to meet its obligations. The practice of submitting quarterly accounts to the charity's independent examiner was maintained to reflect an increased robustness in accounting practice and resulting in a simplification of the annual examination which received its usual clean bill of health.

Gordon Sprouse

Chair of Trustees

Dear Trustees,

Inter-arc Accounts

I would like to thank you once again for the opportunity to carry out the independent examination of Inter-arc accounts. Also, thanks to Howard Wallace for his assistance in clarifying any queries which arose there from.

Respective responsibilities of Trustees and Examiner

The charity's trustees consider that an audit is not required for this year (under section 43 (2) of the Charities Act 1993 (the Act)) and that an independent examination is needed.

It is my responsibility to:

- a) examine the accounts (under section 43 of the Act)
- b) to follow the procedures laid down in the General Directions given by the Charities Commission (under section 43(7)(b) of the Act)
- c) to state whether particular matters have come to my attention.

Basis of Independent Examiner's statement

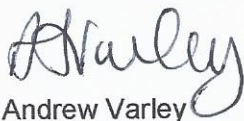

My examination was carried out in accordance with General Directions given by the Charities Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the accounts.

Independent Examiner's statement

In the course of my examination, no matter has come to my attention:

- a) which gives me reasonable cause to believe that in any material respect the trustees have not met the requirements to ensure that:
 - 1) proper accounting records are kept (in accordance with section 41 of the Act)
 - 2) accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act.
- b) to which, in my opinion, attention should be drawn in order to enable proper understanding of the accounts to be reached

Yours sincerely,

Andrew Varley

Independent Examiner
