TRUSTEES' REPORT FOR THE YEAR ENDED 30 NOVEMBER 2022

The trustees present their report and accounts for the year ended 30 November 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and articles of association, applicable law, and the Statement of Recommended Practice, applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities.

Objectives and activities

The objects for which the charity is established are for the advancement of Christian Faith through the spread of the gospel of Jesus Christ and the relief of poverty in the United Kingdom.

Power Praise & Deliverance Ministries international Worship Centre shares its fundamental beliefs with the mainstream Christian religion (of which the following 'Statement of Faith' provides further details.)

1. The sovereignty and grace of God the Father, God the Son and God the Holy Spirit in creation, providence, revelation, redemption and final judgement.
2. The divine inspiration of Holy Scripture and its consequent entire trustworthiness and supreme authority in all matters of faith and conduct.
3. The universal sinfulness and guilt of fallen man, making him subject to God's wrath and condemnation.
4. The substitutionary sacrifice of the incarnate Son of God as the sole and all-sufficient ground of redemption from the guilt and power of sin, and from its eternal consequences.
5. The justification of the sinner solely by the grace of God through faith in Christ crucified and risen from the dead.
6. The illuminating, regenerating, indwelling and sanctifying work of God the Holy Spirit.
7. The priesthood of all believers, who form the universal church, the Body of which Christ is the Head, and which is committed by His command to the proclamation of the Gospel through the world.
8. The divine healing of all believers through faith in the name of Jesus Christ.
9. The practice of water baptism and the submission of believers to this in obedience, commitment and proclamation according to the command and example of Jesus Christ.
10. The expectation of the personal, visible return of the Lord Jesus Christ in power and glory.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The first quarter of 2022 continued to be different for the Charity as we were still dealing with the effects of the pandemic, and the impact on our members and the community social, economic and religious needs.

We the trustees have taken great inspiration from the way our members, partners and supporters have dealt with these unprecedented times. The Charity continues to touch lives within the community of Haringey and beyond with an increase of people seeking guidance from the church.

We continue to open our door to our members and shareholders for fellowship rebuilding hope in the community.

POWER PRAISE & DELIVERANCE MINISTRIES INTERNATIONAL WORSHIP CENTRE

TRUSTEES' REPORT FOR THE YEAR ENDED 30 NOVEMBER 2022

As the months progressed, we continued to reintroduce our vision to our shareholders and strategized on the best plan for success and productivity. One of our main goals is to serve the community of Haringey and we had to redirect our focus from the pandemic and develop new strategies to fulfil our vision while still caring for the lives of those vulnerable to this deadly disease.

By Q2 we started our regular church schedule and continued to encourage the community and re-establish the message of hope in the lives of the people of the Haringey. So many lives are being touched as we also launched our soul winning campaign in the streets of Tottenham, each one reaching one, as we intend to restore the community of Haringey and beyond. People began to see the possibilities of pressing on through tough times. Through all the loss of lives, those of us who remain believed in the possibility of a better future.

Every month the church embarks on opening its door to the local community feeding and clothing those that are in need. To this end we have embarked on another entity within the Church vision called "Hands of Hope". Hot meal/frozen food accompanied by warm clothing, shoes etc. are shared out to those in attendance. While feeding and clothing those in need counselling is on hand and a listening ear. They are also encouraged to contact the church and a supply of food and toiletries will be delivered. The Church further provides aid to the community through a range of services such as on to one counselling, mentoring, self-development, and confidence building support as well as community days, concerts and specialised community celebrations.

Our evangelistic outreach entitled "Church without Walls", "Each one Reach One and Operation Go where evangelising, singing, prayer and words of encouragement is taken from the vestry to outside the Church. Many that passed by joined in, in celebration and singing and lives were impacted, touched, changed, and received salvation and now have a place of worship to attend.

We continue to proclaim and propagate the Gospel of Jesus Christ, and in doing this we strive to assist and improve the lives of individuals across every division of the community.

We continue to have our Women's', Men's' and Youth meetings which, again, reaches into the community and changes lives by bringing individuals, whether it be male, female, young and old, into the fellowship and care of this Charity. We have personally seen many lives transformed by these different auxiliary meetings.

We are very conscious of the fact that the Borough wherein this Charity is situated is very demanding socially and economically. We are doing our very best to bring hope, stability and oneness into this community.

We also continue to stream live on-line services which is recorded via Facebook. We now welcome an international congregation reaching thousands of believers all over the world in countries such as, Holland, Germany, France, Jamaica, Dominica, St. Maarten & the BVI to name of few. This has enabled us to keep worship style fresh and new.

We also incorporated "PRAYER STORM" where prayer was available live online to the international community, which helped our audience to reduce stress and anxiety, promote a more positive outlook and strengthen the will to live. This created such an impact that on the lives of the people into community, that we have continued "PRAYER STORM" every Wednesday, Thursday, and Saturday morning.

POWER PRAISE & DELIVERANCE MINISTRIES INTERNATIONAL WORSHIP CENTRE

TRUSTEES' REPORT FOR THE YEAR ENDED 30 NOVEMBER 2022

We have implemented "SPIRITUAL PARENTING" programme which allows members to check on each other at least one a week providing care for the spiritual needs, financial needs, and emotional needs. During the pandemic so many people lost their hope and joy. This programme has had such a huge success that we have enlarged its scope to reach out the more members of the community of Harringay at large.

We are thankful for God's ongoing faithfulness and provision to the work of the charity. We have also been humbled by God's response and provision to us with generous gifts, fundraising successes and unforeseen avenues of funds which have opened, as the year end closed with uncertainty looming for all charities like our own. We continue to be blessed by the skilled and dedicated people who work and volunteer for us, which has ensured that we can continue operating with and for the community of Harringay which we support.

We look forward to the new year, as our new team of trustees and Directors, continue to share our same vision and will help propel us into new dimensions of vision and productivity. We hope that we can be more impactful to the community providing confidence and strength that we will get through this together.

Financial review

It is the policy of the charity that free reserves (those funds not tied up in fixed assets and designated and restricted funds) should be maintained at a level equivalent to two month's expenditure (approximately of 50,000). The trustees consider reserves at this level will ensure that, in the event of a significant drop in donations, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

On 30 November 2022 the charity held positive free reserves, with funds being tied up in fixed assets. The trustees are also aware of the need to increase the membership and are currently considering the best way to achieve this.

The trustees are in the process of assessing the risks facing the charity and formalising a strategy to reduce them to an acceptance level.

There are renovation Plan on the way to restore our place of worship, to give us the opportunity to use the building to continue to host events and programs to better impact the community.

There are plans to incorporate a banqueting hall and the Trustees are looking into this in more detail.

Plan also to open a creche.

Structure, governance and management

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

Jennifer Brown
Joshua Stewart
Warren Anderson

New Trustees are appointed every two years. The new Trustees are given a copy of the latest set of accounts and the constitution of the Charity. They are invited to attend an introductory meeting after

Notes to the financial statements

For the year ended 30 November 2022

1 Accounting policies

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 - effective 1 January 2015) - (Charities SORP FRS 102) and the Companies Act 2006.

The charitable company meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

c) Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

d) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. Income received in advance for the provision of specified service is deferred until the criteria for income recognition are met.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

e) Donations of gifts, services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item or received the service, any conditions associated with the donation have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), volunteer time is not recognised so refer to the trustees' annual report for more information about their contribution.

On receipt, donated gifts, professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Notes to the financial statements
For the year ended 30 November 2022

1 Accounting policies (continued)

f) Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

g) Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

h) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise of trading costs and the costs incurred by the charitable company in inducing third parties to make voluntary contributions to it, as well as the cost of any activities with a fundraising purpose.
- Expenditure on charitable activities includes the costs of delivering services and other activities undertaken to further the purposes of the charity and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

i) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 3.

j) Tangible fixed assets

Depreciation is provided at rates calculated to write down the cost of each asset to its estimated residual value over its expected useful life. The depreciation rates in use are as follows:

Land and buildings freehold	Nil
Plant and machinery	straight
Fixtures, Fittings and	25%

k) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

l) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

m) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
