REPORT ON THE FINANCIAL STATEMENTS YEAR ENDING 31ST MARCH 2025

OVERVIEW

This is the second consecutive year we have been hit with some expensive and unplanned repair and upgrade costs. Despite this we made a healthy surplus on the general fund, although not enough to top up the improvement fund by £3,000 as planned.

The improvement fund showed a small deficit due to the planned gutter costs and no transfer in from the General fund surplus.

The Social Circle received unplanned funding of £11,788.13. This will be spent early in the next financial year. We closed the year with a net surplus of £12,852.10, translating into an underlying surplus of £1,589.10 once the Social Circle monies are taken into account. Total funds now stand at £27,132.76.

Underlying cash flow remains healthy, as do reserves which enables us to continue to deliver our 10-year investment plan.

GENERAL ACCOUNT

The General account returned a surplus of £1769.83 largely in line with plan. However, we were again hit with some significant unplanned expenditure, notably the door lock replacement, £1,292.55 and a further £1092.24 to reach compliance with the fire safety risk assessment. £307 was spent on upgrading the recycling facilities. To mitigate these costs the planned transfer of £3,000 to the improvement fund was not made.

Letting income held up well despite the increases to ad hoc booking fees and helped by Table Tennis picking up most of the spare evening slots. Total booking income was £12,745.75, slightly ahead of plan and at record levels.

The balance now stands at £6,398.38.

.

IMPROVEMENT FUND

The only major expenditure was £500 to replace the gutters, this was mitigated with £346.22 interest. There was no planned transfer of £3,000 from the general fund due to high unplanned expenses.

The balance now stands at £9,491.45 -a deficit of £141.78 over the year.

PLAYGROUND FUND (INCLUDING FIELD MAINTENANCE)

This was our fifth year taking formal responsibility for management of the field with the Parish Council letting the grass cutting contract. The Council did not contribute to this again this year, however they did not back charge us for a contribution to the mowing.

We absorbed additional costs of water butts, algae cleaning and additional emptying of the new bins. The year finished with a small deficit of -£38.95.

The playground fund currently stands in deficit at -£545.20 due to carry forward of deficit from previous years.

SOCIAL CIRCLE FUND

The Social Circle project received donations of £14,142.00 with expenses of £2,879.00 for benches and grounds works deposit. Funds currently stand at £11,788.13 and these funds are all expected to be spent on the project.

RANDWICK COMMUNITY GROUP FUND

This fund currently has zero balance. It is intended to ring fence funds from the Jo Cox group and film night surplus.

OTHER

A flash statement of the accounts & funds is sent out to the Trustees regularly throughout the year.
