### **Notes to the Financial Statements**

**As at 31 March 2025**

#### **1. Accounting Policies**

##### Accounting Conventions

These financial statements have been prepared under the historic cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (FRSEE) effective April 2008, and the requirements of the Statement of Recommended Practice, Accounting and Reporting by charities

##### Incoming Resources

All incoming resources are included in the Income Statement when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

##### Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under the headings related to that category.

##### Tangible Fixed Assets

Depreciation is provided at the following annual rates in order to write off each asset over its useful economic life: -

Furniture, Fixtures & Equipment - 20% Reducing Balance

In accordance with the FRSEE (effective April 2008) no depreciation is provided in respect of freehold properties. This is a departure from the requirements of the Companies Act 2006 which requires all properties to be depreciated. Such properties are held in the thought that the trustees consider that to depreciate them would not give a true and fair view.

##### Taxation

The charity is exempt from tax on all its charitable activities.

##### Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

### Notes to the Financial Statements

**As at 31 March 2024**

#### **1. Accounting Policies**

##### Accounting Conventions

These financial statements have been prepared under the historic cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (FRSEE) effective April 2008, and the requirements of the Statement of Recommended Practice, Accounting and Reporting by charities.

##### Incoming Resources

All incoming resources are included in the Income Statement when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

##### Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under the headings related to that category.

##### Tangible Fixed Assets

Depreciation is provided at the following annual rates in order to write off each asset over its useful economic life: -

Furniture, Fixtures & Equipment - 20% Reducing Balance

In accordance with the FRSEE (effective April 2008) no depreciation is provided in respect of freehold properties. This is a departure from the requirements of the Companies Act 2006 which requires all properties to be depreciated. Such properties are held in the thought that the trustees consider that to depreciate them would not give a true and fair view.

##### Taxation

The charity is exempt from tax on all its charitable activities.

##### Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

### Notes to the Financial Statements

#### As at 31 March 2023

#### **1. Accounting Policies**

##### Accounting Conventions

These financial statements have been prepared under the historic cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (FRSEE) effective April 2008, and the requirements of the Statement of Recommended Practice, Accounting and Reporting by charities.

##### Incoming Resources

All incoming resources are included in the Income Statement when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

##### Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under the headings related to that category.

##### Tangible Fixed Assets

Depreciation is provided at the following annual rates in order to write off each asset over its useful economic life: -

Furniture, Fixtures & Equipment - 20% Reducing Balance

In accordance with the FRSEE (effective April 2008) no depreciation is provided in respect of freehold properties. This is a departure from the requirements of the Companies Act 2006 which requires all properties to be depreciated. Such properties are held in the thought that the trustees consider that to depreciate them would not give a true and fair view.

##### Taxation

The charity is exempt from tax on all its charitable activities.

##### Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

### Notes to the Financial Statements

#### As at 31 March 2023

#### **1. Accounting Policies**

##### Accounting Conventions

These financial statements have been prepared under the historic cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (FRSEE) effective April 2008, and the requirements of the Statement of Recommended Practice, Accounting and Reporting by charities.

##### Incoming Resources

All incoming resources are included in the Income Statement when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

##### Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under the headings related to that category.

##### Tangible Fixed Assets

Depreciation is provided at the following annual rates in order to write off each asset over its useful economic life: -

Furniture, Fixtures & Equipment - 20% Reducing Balance

In accordance with the FRSEE (effective April 2008) no depreciation is provided in respect of freehold properties. This is a departure from the requirements of the Companies Act 2006 which requires all properties to be depreciated. Such properties are held in the thought that the trustees consider that to depreciate them would not give a true and fair view.

##### Taxation

The charity is exempt from tax on all its charitable activities.

##### Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

### **Notes to the Financial Statements**

#### **As at 31 March 2021**

#### **1. Accounting Policies**

##### Accounting Conventions

These financial statements have been prepared under the historic cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (FRSEE) effective April 2008 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

##### Incoming Resources

All incoming resources are included in the Income Statement when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

##### Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under the headings related to that category.

##### Tangible Fixed Assets

Depreciation is provided at the following annual rates in order to write off each asset over its useful economic life: -

Furniture, Fixtures & Equipment - 20% Reducing Balance

In accordance with the FRSEE (effective April 2008) no depreciation is provided in respect of freehold properties. This is a departure from the requirements of the Companies Act 2006 which requires freehold properties to be depreciated. Such properties are held in the thought that the trustees consider depreciation would not give a true and fair view.

##### Taxation

The charity is exempt from tax on all its charitable activities.

##### Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
