How the charity is constituted

(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scouts and Guides.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout and Guide Associations.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

Policies and procedures adopted for:

- a) the induction and training of trustees;
- b) trustee' consideration of major risks and the systems and procedures to manage them

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout and Guide Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout and Guide Leaders, individual section leaders (if opted to take on the responsibility) and parent's representation and meets every 4 months.

Members of the Executive Committee complete '*Essential Information for Executive Committee*' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout and Guide Leaders in meeting the responsibilities of the appointments and is responsible for:

- The maintenance of Group property;
- The raising of funds and the administration of Group finance;
- The insurance of persons, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub committees that may be required;
- Appointing Group Administrators and Advisors other than those who are elected.

Section B	Structure, governance and management (continued)
	<p>Risk and Internal Control</p> <p>The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:</p> <p>Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout and Guide Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p>Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout and Guide Associations national accident insurance policy. Risk Assessments are undertaken before all activities.</p> <p>Income from fund raising is virtually non - existent. The Group is therefore primarily reliant upon income from subscriptions. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.</p> <p>Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>Reduction or loss of members. The Group provides activities for all young people aged 4 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.</p>

Section C	Objectives and activities
Summary of the objects of the charity set out in its governing document	<p>The Purpose of Scouting and Guiding Scouting and Guiding exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.</p> <p>The Values of Scouting and Guiding As Scouts and Guides we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. Respect - We have self-respect and respect for others. Care - We support others and take care of the world in which we live. Belief - We explore our faiths, beliefs and attitudes. Co-operation - We make a positive difference; we co-operate with others and make friends.</p> <p>The Scout and Guide Method Scouting and Guiding takes place when young people, in partnership with adults, work together based on the values of Scouting/Guiding and: - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise.</p>
Public benefit statement	The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Section D	Achievements and performance
Summary of the main achievements of the charity during the year	Because of the restrictions of Covid 19 all sections/units have been surviving on virtual mainly weekly meeting via Zoom.

Section E	Financial Review
Brief statement of the charity's policy on reserves	<p>Reserves Policy</p> <p>The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and possible fundraising activities fall short.</p> <p>The Group held reserves of approximately £20,000 at the year end. This is above the level required for operating expenses. These reserves are to undertake emergency repairs to the HQ, if required.</p>
Quantify and explain any designations	
Details of any funds materially in deficit	None
Further financial review details (optional information)	
<p>You may choose to include additional information, where relevant, about:</p> <ul style="list-style-type: none"> the charity's principal sources of funds (including any fundraising); how expenditure has supported the key objectives of the charity; investment policy and objectives 	<p>Principal source of funds is via Subscriptions</p> <p>Investment Policy</p> <p>The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.</p>
