## Trustees' Annual Report

### Year ended 31 March 2024

---

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 March 2024.

#### Reference and administrative details

**Registered charity name** Malbin Trust

**Charity registration number** 1045174

#### Principal office

#### The trustees

B Leitner  
M Leitner  
J Waldman

**Independent examiner** D Schwarz FCCA  
2nd Floor - Parkgates  
Bury New Road  
Prestwich  
Manchester  
M25 0TL

#### Structure, governance and management

Malbin Trust is a charitable trust constituted by a Deed of Trust dated 16 March 1995 and is a registered charity, number 1045174.

The Charity is run by the trustees who all act in an honorary capacity. A new trustee would receive copies of the previous years' Annual Report and Accounts and a copy of the Charity Commission leaflet 'The Essential Trustee : What you need to know'.

#### Risk Management

The trustees have identified and reviewed the major risks to which the charity is exposed. Both manual and automated checks are regularly invoked, particularly those relating to the operations and finance of the charity. The trustees are satisfied that these systems and procedures mitigate any perceived risks.

# Malbin Trust

## Trustees' Annual Report *(continued)*

### Year ended 31 March 2024

---

#### Objectives and activities

The objectives of the charity are to benefit charitable purposes and charitable institutions.

#### Public Benefit Policy

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

#### Grant Making Policy

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

#### Investment Policy

Under its governing document, the charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have invested in property and joint property ventures. These investments are kept under constant review.

#### Achievements and performance

During the year the charity made grants totalling £10,975 in accordance with its objects.

#### Financial review

As at 31 March 2024 the charity held free unrestricted reserves of £192,702 (2023:£182,050).

#### Reserves Policy

The Unrestricted Fund represents the unrestricted funds arising from past operating results.

It is the policy of the charity to hold reserves sufficient to maintain grants at previous years levels. The trustees feel it would be prudent to maintain reserves at such a level that would enable the charity to take advantage of investment opportunities arising so as to generate its own income to meet this aim.

The trustees' annual report was approved on 30 January 2025 and signed on behalf of the board of trustees by:

B Leitner  
Trustee

## Independent Examiner's Report to the Trustees of Malbin Trust

**Year ended 31 March 2024**

---

I report to the trustees on my examination of the financial statements of Malbin Trust ('the charity') for the year ended 31 March 2024.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement - matter of concern identified**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 March 2024

---

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 8 Cheltenham Crescent, Salford, Manchester, M7 4FP.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements did not require management to make judgements, estimates or assumptions that affect the amounts reported at the year end.

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

# Malbin Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

---

### 3. Accounting policies *(continued)*

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Tangible assets

All fixed assets are recorded at cost.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Furniture	- 15% reducing balance
-----------	------------------------

#### Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

# Malbin Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

---

### 3. Accounting policies *(continued)*

#### Investment property

Investments are included in the accounts at their market value. Any gains or losses are taken to the Statement of Financial Activities.

#### Investments in joint property syndicates

This represents capital introduced by the company into the syndicates plus accrued surpluses less deficiencies but without revaluing the syndicate properties.

Some of the syndicates in which the company is a participator have borrowings which are secured on the syndicate properties.

The company accounts for its syndicate investments under the 'equity accounting' basis and thus the company's share of such borrowings are not included in these accounts.

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.
