The charity's areas operation and UK charitable registration.

The charity is registered in England & Wales with the Charity Commission in England & Wales (CCEW) with charity number 1045362

Legal structure of the charity

The charity is constituted as an unincorporated charity, established by Trust Deed. The governing document of the charity is the Trust Deed establishing the charity.

There are no restrictions in the governing documents on the operation of the Charity or on its investment powers other than those imposed by Charity Law.

The trustees are all individuals.

The principal operating address:

Jamea al Kauthar
Ashton Road
Lancaster
LA1 5AJ

The Trustees in office on the date the report was approved were:-

Mr Fazl Wadee- Managing Trustee
Mr Huzayfa Wadee
Mr Ra'ees Master

The trustees who served as a trustee in the reporting period were as shown above, and there were no changes during the reporting year.

Objects and activities of the charity

To advance education for the public benefit by the provision of Islamic boarding schools and to advance religion according to the tenets of the Islamic faith

The aim of the charity is to provide an opportunity to study traditional Islamic sciences with secondary and further education in a safe secure boarding school environment.

AL BADR ISLAMIC TRUST

Trustees' Annual Report for the year ended 31 December 2023

The main activities undertaken in relation to those purposes during the year.

The Lancaster centre- Jamea al Kauthar. Established in 1996, we are dedicated to welcoming students into an academic atmosphere that is spiritually enriching and physically nurturing. We cater for girls from ages 11 and above, providing an Islamic education as well as high school and sixth form subjects.

The school places great emphasis on providing an excellent Islamic environment that is conducive to acquiring a good education whilst catering for a culturally and ethnically diverse student population. Students are challenged to pursue excellence in a family-like environment, and their welfare and progression is our highest priority. An extensive pastoral care system ensures that our girls are treated as important individuals. We are constantly working hard to improve our facilities to deliver a good education and a memorable student experience.

Jamea Al Kauthar is located in the heart of Lancaster in the UK, and consists of a Victorian four storey, grade II listed building (formerly The Royal Albert). The main building forms the central accommodation at the boarding school with separate wings designated for separate boarding houses. The madrasah and school are situated in two separate buildings, and all three buildings are surrounded by 20.5 acres of beautiful natural grounds giving a serene setting to relax and enhance the mind and body.

The Preston Centre- Abrar Academy opened in 2009 is an Independent Secondary College for boys from the age of 11. We offer a balanced curriculum, encompassing the full time Alimiyyah and Hifz course combined with the traditional English curriculum. In 2015, Darul Uloom Preston was established to provide students from outside Preston an opportunity to come and study in an academic atmosphere that is spiritually enriching and physically nurturing.

The Charity also runs a spiritual centre and a Masjid in Blackburn known as Khankah from Robinson Street, Blackburn. The charity runs a Masjid in Accrington which is being re-developed after the complete demolition of its building structure.

The main activities undertaken during the year to further the charity's purpose for the public benefit.

Jamea at Lancaster offers the following subjects at KS3: English, Maths, Science, ICT, Art, PSHE & Citizenship, Humanities, PE, and Urdu. At GCSE Level, students are entered for English Language, English Literature, Maths, Combined Science, Religious Studies, Urdu, ICT and History.

Jamea offers English, Urdu and Maths at A Level. Jamea also offers many level 3 courses, such as BTEC science, and BTEC Health & Social Care and Level 3 Education and Training.

In September 2015, Abrar School in Preston opened its boarding facilities known as Darul ul Uloom Preston and has now many boarding students. All boarding students benefit from a spiritually uplifting environment that helps them develop spiritually and as exemplary citizens who greatly contribute to society.

We have recently expanded our provision for the Muslim community in the north west, with the purchase of additional facilities in Preston (to add to our expanding Preston centre), and with the establishment of a places of worship in both Accrington and Blackburn. Many of our newly established sites aim to provide Islamic education for disadvantaged children from deprived backgrounds.

AL BADR ISLAMIC TRUST

Trustees' Annual Report for the year ended 31 December 2023

The short term and longer term aims and objectives.

At our schools, we aspire to cultivate morality and inspire our girls and boys to graduate as able, confident British Muslim citizens and outstanding role models for their communities. To this end, the graduates of our college not only perform well in the school, they also transfer high standards of moral and ethical values, principles and standards to their chosen paths within their own communities. The long term objective is to instil religious Islamic education combined with secular education to enrich the fabric of tomorrow's society.

The main achievements and performance of the charity during the year.

This reporting year, Jamea al Kauthar had the joy of celebrating the graduation ceremony of 35 Aalima students, whilst in Darul Uloom Preston 6 Aalim students graduated and 8 Hifz students from seven different ethnic backgrounds completed their Quran memorisation

The Trustees are happy to report yet again that the Jamea al Kauthar GCSE 2023 results were excellent. The results in English, RS and Urdu were well above average, and the pass percentage in English and Maths was in line with the national average.

Abrar Academy in Preston, which serves as a residential and non-residential boys' school, is continuing to provide secondary education, as well as A level provision for post 16 boys. In 2023 students achieved excellent GCSE results, with the strong and standard pass rate well above the national average.

Fundraising activities during the year.

The charity relies on aid from the individual donors, whose support is valued. The charity continued its normal fundraising activities to update and improve the educational establishments it provides for the community.

In order to comply with the disclosures required by Section 62A of the Charities Act 2011 as introduced by the Charities (Protection and Social Investment) Act 2016, the Trustees state that the Trust does not use professional fundraisers.

Accrington Masjid

The charity Trust received donation of a mosque property as a restricted asset. The building was in need of extensive repair. The building was demolished and currently it is being rebuilt. In the year end 31 December 2023 £197,872 was capitalised as expenditure on this project. The effect was to increase the restricted asset category as shown in the notes to the accounts.

The difference the charity's performance during the year has made to the beneficiaries of the charity.

The Charity runs Islamic courses along with GCSE and A Level courses, benefitting more than 250 boarding students at the main Lancaster centre and 120 students at the Preston centre. This continues to draw much interest within the community, with many applicants applying from all over the country.

The degree to which the achievements and performance during the year have benefited wider society.

Al Badr Islamic Trust recognises the importance of contributing to the community and community cohesion. Many of the students that graduate from our schools, go on to work at schools and charities in their local area. Our students also regularly raise money for local charities and worldwide causes. The schools work on many initiatives that contribute to society, such as visits to the local old people's home and donating to local food and clothing banks.

AL BADR ISLAMIC TRUST

Trustees' Annual Report for the year ended 31 December 2023

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The trustees have the power to appoint new trustees. The board can invite suitable candidates who are from the local muslim community to serve as Trustees and new trustees will receive induction training which is tailored to the specific needs of the individual and will always include full training on organisational policies. There are no membership structure within the trust.

The charity has three appointed trustees who have overall control and responsibility for policy and major decision making. Day to day management and responsibility for implementing policies is carried out by a full time Managing Trustee Mr Fazl Wadee

Financial review

The charity's financial position at the end of the year ended 31 December 2023

The financial position of the charity at 31 December 2023 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2023	2022
	£	£
Net income	124,894	(257,650)
Unrestricted Revenue Funds available for the general purposes of the charity	5,703,901	5,776,879
Restricted Funds	262,672	64,800
Total Funds	5,966,573	5,841,679

Financial review of the position at the reporting date, 31 December 2023 .

The trustees consider the financial performance by the charity during the year to have been satisfactory. The principal funding of the charity is from parents of students given by way of contributions fees for their children. Park Campus Moor Park Avenue, Preston PR1 6AS: This property was acquired and is now being rented by the previous owner and the rental income is materially contributing to a fixed yearly income that gives the Trust significant source of secured cash flow benefits.

Policies on reserves.

The level of cash reserves at any given time is based on the requirement for a full months expenditure. The level of cash liquid reserves changes drastically in the month of January, April and September when the fees instalment is received from the students. At the end of December the funds will always be at a low level. The fixed asset pool is fully utilised for charitable purposes. The Trust has a pool of assets under investment properties that are used to generate cash by way of rental income for maintaining a regular source of liquid funds. There are no designated funds set aside.

AL BADR ISLAMIC TRUST

Trustees' Annual Report for the year ended 31 December 2023

Going Concern

The trustees have given careful consideration to going concern. The net current asset liabilities is significantly in deficit, the trustees consider that the Karz Hassana (Interest free loans given for charitable purposes) are not demanded by the lenders for long periods of time, although legally they are payable on demand. Historically, these loans have remained fixed and many times converted into donations.

Public Benefit

When planning the charity activities, the board of Trustees have taken into consideration the Commissions guidance and the specific guidance on charities for the advancement of religion.

It is charity policy, that when it is necessary to waive fees for services and goods provided to help the students from poor and disadvantaged families the trust will implement this policy and regard it as provision of services for public benefit.

AL BADR ISLAMIC TRUST

Trustees' Annual Report for the year ended 31 December 2023

Statement of Trustees' Responsibilities

The charity's trustees are responsible for the Report of the Trustees and the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008 and follow the specific guidance issued by the Charities Commission of England and Wales under FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities).

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Mr Huzayfa Wadee
Trustee
Date:

Independent auditor's report to the Trustees of Al Badr Islamic Trust

Opinion

We have audited the financial statements of Al Badr Islamic Trust (the 'charity') for the year ended 31 December 2023 which comprise the Statement of Financial Activities, Balance Sheet, The Cash Flow Statement, and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2023 and of its Income and Expenditure for the year then ended.
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Trust's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other Information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report. We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Independent auditor's report to the Trustees of Al Badr Islamic Trust

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the audit of the financial statements

We have been appointed as auditor under Section 144 Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
 - we identified the laws and regulations applicable to the charity through discussions with trustees and other management, and from our commercial knowledge and experience of the charity sector;
 - we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, including the Charities Act 2011;
 - we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management; and
 - identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.
- We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:
- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
 - considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- investigated the rationale behind significant or unusual transactions; and
- reviewed income and expenditure to ensure there was sufficient approval and oversight of the financial transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

Independent auditor's report to the Trustees of Al Badr Islamic Trust

As part of an audit in accordance with ISAs (UK), the auditor exercises professional judgment and maintains professional scepticism throughout the audit. The auditor also:

- Obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control; and

- Evaluates the appropriateness of accounting policies used.

The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit.

Reporting on the financial statements

The auditor's report is required to contain a clear expression of opinion on the financial statements taken as a whole.

To form an opinion on the financial statements the auditor concludes as to whether:

- the financial statements adequately refer to or describe the applicable financial reporting framework;

- the financial statements appropriately disclose the significant accounting policies selected and applied. In making this evaluation, the auditor considers the relevance of the accounting policies to the entity and whether they have been presented in an understandable manner;

- the accounting policies selected and applied are consistent with the applicable financial reporting framework, and are appropriate;

- the accounting estimates made by the trustees are reasonable;

- the information presented in the financial statements is relevant, reliable, comparable and understandable. In making this evaluation, the auditor considers whether:

- the information that should have been included has been included, and whether such information is appropriately classified, aggregated or disaggregated, and characterised; and

- the overall presentation of the financial statements has been undermined by including information that is not relevant or that obscures a proper understanding of the matter disclosed;

- the financial statements provide adequate disclosures to enable the intended users to understand the effect of material transactions and events on the information conveyed in the financial statements;

- the terminology used in the financial statements, including the title of each financial statement is appropriate.

When the financial statements are prepared in accordance with a fair presentation framework, the auditor also evaluates whether the financial statements achieve fair presentation (i.e gives true and fair view) including consideration of:

- the overall presentation, structure and content of the financial statements; and

- whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation (or gives a true and fair view).

SKM Chartered Accountants is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a charity under section 1212 of the Companies Act 2006.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with the Charities Act 2011. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

AL BADR ISLAMIC TRUST

Notes to the Accounts for the year ended 31 December 2023

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, and Charities SORP FRS102 (Effective 1 January 2019) published by Charities Commission in England and Wales and in accordance with all applicable law and United Kingdom Generally Accepted Accounting Standards and Practice

The charity is a public benefit entity.

In setting our objectives and planning our activities the trustees have given careful consideration to the Charity Commissions's general guidance on public benefit

Recognition of Income, liabilities and expenditure

Incoming resources are accounted for on a receivable basis except for donations which are accounted for only when received. The value of services provided by volunteers has not been included.

Resources expended are recognised in the period in which they are incurred. Resources expended include the attributable VAT. It comprises those resources expended by the charity in the delivery of its education services for the benefit of its beneficiaries, mainly children. A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition. Assets under £500 are not capitalised when acquired and if the net book value falls below £500 the amount is written off. All assets that have been fully depreciated are also removed from the fixed assets valuation

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold land	nil
Buildings	2 % straight line
Plant and machinery, fixtures and vehicles	25 % reducing balance

A regular annual review of the likelihood of asset impairment is undertaken.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price. Provisions (ie liabilities of uncertain timing or amount) are recognised when there is an obligation at the reporting date as a result of a past event, it is probable that economic benefit will be transferred to settle the obligation and the amount of the obligation can be estimated reliably.

Investments

Investments held as fixed and current assets are valued at the balance sheet date by the Trustees.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the objectives of the charity. There are no designated funds set up by the Trustees

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law. The Trust has restricted fixed assets funds

AL BADR ISLAMIC TRUST

Notes to the Accounts for the year ended 31 December 2023

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

The loans under creditors due within one year are loans known as Karze Hassana and loaned by individuals on the basis that they are repayable on demand and interest free.

5 Net surplus before tax in the financial year

	2023 £	2022 £
The net surplus before tax in the financial year is stated after charging:-		
Depreciation of owned fixed assets	154,621	164,787
Pension costs	1,250	1,945
Auditors' remuneration	5,286	3,960

6 Investment gains

<i>Unrealised gains /(losses) and writing down of carrying values</i>			2023 £	2022 £
Other Unlisted Investments - Unrealised	62,595	-	62,595	(114,950)
Investment properties - Unrealised	24,000	-	24,000	-
Total unrealised gains/(losses) etc	86,595	-	86,595	(114,950)

AL BADR ISLAMIC TRUST

Notes to the Accounts for the year ended 31 December 2023

7 Staff costs and emoluments

<i>Salary costs</i>	2023	2022
	£	£
Gross Salaries excluding trustees and key management personnel	450,299	456,391
Employer's operating costs of defined contribution pension schemes	1,250	1,945
Total salaries, wages and related costs	451,549	458,336

<i>Numbers of full time employees or full time equivalents</i>	2023	2022
The average number of total staff employed in the year was	52	57

The estimated staff deployed in different activities in the year was:-

Engaged on charitable activities	48	53
Engaged on management and administration	4	4

None of the trustees have received any remuneration from the charity or any related entity, either in the current or prior year. The details of remuneration paid to persons connected to the trustees are shown in note 8

No employees received emoluments (excluding pension costs) in excess of £60,000 per annum.

8 Remuneration and payments to persons connected with the Trustees

	2023	2022
	£	£
Hamna Wadee	6,623	6,078
Fatema Wadee	3,909	8,888
Umama Wadee	11,657	10,359
M. Taheer Wadee	2,331	4,377
	24,520	29,702

The payments to the above are for services to support the activities of the charity and the payment is comparable to other staff in similar position. The payment is not specifically prohibited by the Trust deeds.

9 Tangible fixed assets

	Land and Buildings	Plant & Machinery & Vehicles	Fixtures and fittings	Total
