STATEMENT OF TRUSTEES' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgement and estimates that are reasonable and prudent;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for safeguarding the assets of the company and hence for taking responsible steps for the prevention and detection of fraud and other irregularities.

ACCOUNTANTS

The accountants, Martin Morrison & Co Ltd., will be proposed for re-appointment in accordance with the Companies Act 2006.

CORPORATE GOVERNANCE

The governing body is the Board of Management. The current membership of the Board is shown above. The members of the Board are non-executive and unpaid. The Board meets regularly and retains full and effective control over the organisation.

INTERNAL CONTROL AND RISK MANAGEMENT

The Board has overall responsibility for all systems of internal financial control applied at Positive Care Link. The systems employed are designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

Following guidance in the revised SORP, the Board set in train an exercise to review and assess its risk management procedures. Results are currently being assessed and the process will be updated at regular intervals.

RESERVES POLICY

It is the policy of the Board, taking account of the level of grant receivable from various funders, to seek each year to match income and expenditure so that Positive Care Link is both able to continue its activities and can maintain reserves sufficient to meet any foreseeable contingencies in the future.

**Report of the Accountant's to the Members of
Positive Care Link**

We report on the accounts of Positive Care Link for the year ended 31 March 2024.

Respective responsibilities of Management Committee and accountants

As the charity's trustees you are responsible for the preparation of the accounts as set out on page 3 of the financial statements.

Basis of Independent Examiners Report

Our examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any usual items or disclosures in the accounts, allied to the seeking from you as trustees explanations concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with our examination, no matters have come to our attention:

- (1) which gives us reasonable cause to believe that in any material respect the requirements
 - (a) to keep accounting records in accordance with section 130 of the Charities Act 2011; and
 - (b) to prepare accounts which accord with the accounting records and comply with accounting requirements of the Act have not been met.
- (2) To which in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting Policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

(a) Basis of accounting

The financial statements have been prepared under the historical cost convention, as modified by the inclusion of fixed asset investments at market value, and in accordance with the Companies Act 2006 Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

(b) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Management Committee for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

(c) Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitled is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

(d) Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure and categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas.

(f) Pensions

Positive Care Link offers a stakeholder scheme to its employees and contributes to defined contribution schemes for certain of its other employees. These costs are expended in the Statement of Financial Activities as they become payable.
