## KIRTON PRIMARY SCHOOL

### Report to the Resources Committee - 14<sup>th</sup> May 2024

#### School Fund Monitoring 2023/24

##### 1.0 Introduction

1.1 This report updates Governors on the School Fund activities during the first half of the 2023/24 financial year. As a public fund, Governors should ensure appropriate standards of financial control are put in place for the School Fund and it is good practice to periodically monitor and report on activities.

##### 2.0 Receipts and Payments

2.1 The School Fund's financial year runs from 1<sup>st</sup> September to 31<sup>st</sup> August. The fund has received income of **£13171.91**, made payments of **£10364.64** and has a balance on 25<sup>th</sup> March 2024 of **£17133.95**.

2.2 The School Fund is used to account for the charitable activities that the school carries out during the year. A collection at Christmas productions raised £338.02 for Pilgrim Hospital's children's ward.

2.3 Parental contributions for trips and swimming are transferred to LCC to offset against the charges for these activities. Sales of water bottles and book bags are also processed through the school fund account. Funds have been increased by commission on school photograph sales and sale of uniform.

2.4 From September 2022, it was agreed that educational visitors would be paid for through the school fund and this will be regularly reviewed to ensure that funds are available to cover.

2.5 The funds from the PTA have been used to finance a theatre production, Christmas activities and purchase stock and equipment for the Kirton Stores. Funds were boosted by the successful Christmas decoration sales in December. Further fund raising will take place in the summer term with the annual school walk and gala.

2.6 We will also be receiving payments for taking on apprentices. Four of our five apprentices are 'aged 16 to 18 years old' and we will receive £1000 for each paid as follows (<https://www.gov.uk/guidance/incentive-payments-for-hiring-a-new-apprentice>)

*The first payment of £500 should be paid to the employer by the training provider after 90 days of the apprenticeship training start date.*

*The final payment of £500 should be paid to the employer by the training provider after 365 days of the apprenticeship training start date.*

These payments are paid to the school and not the local authority.

The report is for information.
