Background and Introduction

The Trust and Relationship with the school

The Friends of Hatherop Church of England Primary School was established over 20 years ago to support the Hatherop Church of England Primary School with buildings improvements and to fund activities for the pupils.

The Primary School the Trust supports is a small village primary school near Cirencester, Gloucestershire, providing primary education for approximately 85 pupils and is a Gloucestershire County Council School.

Trust History

Over time the funds have developed through Parent Teacher Association fundraising, individual donations and interest.

In 2005 initial plans were made for school buildings improvements, however the plans did not proceed. In 2022, following consultation with staff, governors, and parents the school buildings were seen as a key priority for improvement.

Subsequently a group of governors and teachers was formed to look into options for building improvements. A survey was carried out by architecture firm Thinking Buildings in 2022, subsequently it was agreed that planning permission would be sought.

Building Plans

In 2023 Thinking Buildings produced the plans to go forward for planning permission to Cotswold District Council.

The pre-planning and planning efforts were funded by the Trust (The Friends of Hatherop Church of England Primary School)

The plans were approved in early 2024, which then led to plans to fundraise to fund the building work. To make the plans manageable, the team divided the buildings work into 3 phases.

Rural Elm was appointed as the Architectural firm to draw up plans for building quotes. A tender process was completed, and a building contractor 'Austen Dawson' was selected to perform the work.

It was decided that The Friends of Hatherop Church of England Primary School would be vehicle for receipts of funds for the buildings project, hence the significantly higher level of income in 2024/2025 compared to previous years

Organization and Structure

The Trust has five members formed of past and present governors of the school.

In a Full Governors meeting (10th July 2024) it was decided that the School Trust should be represented with more current Governors.

Ian Powell and David Hicks-Beach stepped down from the Trust and Ben Platts and Lucy Duff have joined the Trust.

- Sam Lawson (Trust Member, Chair, and school parent governor)
- Ben Platts (Trust Member, Treasurer and school parent governor)
- Lucy Duff (Trust Member, Minutes and actions and school parent governor)
- Ed Wilson (Trust Member and former school governor)
- Mike Francis (Trust Member and former school chair of governors)

Financial Summary

£108,026.58 was carried over from 2024, this was mainly invested in 4 funds with CCLA. £14,909.88 had been allocated to the school in 2023/24 for pre-planning and planning activities with architect firm Thinking Buildings.

Fundraising started actively in April 2024 with income coming from the following sources

- £73,500 from local charitable trusts
- £40,000 from an event hosted by a local celebrity
- £13,000 from local donations
- £10,000 from an auction

As well as a sponsored run, plant sales, 300 club event, Grow a fiver initiative etc

Expenditure of £10,189.67 was used for Architectural support for building plans. Rural Elm architects were appointed to perform the work.

The Assets were primarily invested in 4 funds managed by CCLA. Overall, these performed well during the year, however with tariff discussions and economic instability in early 2025 and the need to have funds available for the buildings project in Summer 2025, the Trust agreed to exit the funds and place in the Deposit Fund, which is more accessible. The property fund remains in place as there is a 6 month exit on this fund.
