Summary of the objects of the charity set out in its governing document

The object of the Association is to advance the education of the pupils in the school. In furtherance of this object the Association may:

- a. Develop effective relationships between the staff, parents and others associated with the school.
- b. Engage in activities which support the school and advance the education of the pupils attending it.
- c. Provide and assist in the provision of facilities for education at the school (not normally provided by the Local Authority).

The Association is to be non-party political and non-sectarian.
The Association is to take out Public Liability and Personal Accident Insurance to cover its meetings, activities, and the Committee (Parentkind membership)

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

During the 2024/25 academic year, the PTA organised a range of fundraising and community events to support and enrich the educational experience of pupils at Decoy Community Primary School.

The PTA's main fundraising activities were the Christmas and Summer Fayres, which were the largest income generators of the year. These were supported by a variety of smaller events, including pop-up shops during the school day, refreshments at school events, and a monthly lottery draw. The pop-up shops also provided pupils with valuable opportunities to practise money handling skills in a safe and inclusive environment.

In addition to fundraising, the PTA supported improvements to the school environment through working parties that removed outdated and unsafe play equipment and refreshed the playground with new painted areas to enhance playtime experiences.

A significant proportion of funds raised contributed towards the development of an outdoor classroom, a long-term PTA fundraising goal. Funds raised during the year will also support the installation of new permanent play equipment to replace the timber trail removed this year.

Further contributions made by the PTA included the provision of classroom books for reading corners, external speakers for themed school days, and Easter treats for all pupils, helping to enhance both learning and school life throughout the year.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We have started to investigate grants that we could apply for to support further projects.

Summary of the main achievements of the charity during the year

During the reporting year, the charity successfully raised £32,138.89 through a range of fundraising activities, enabling significant investment in projects that directly benefit the pupils of Decoy Community Primary School.

A key achievement was facilitating the construction of an outdoor classroom, a long-term fundraising objective that will provide enhanced learning opportunities and support outdoor education. The charity also coordinated playground improvements, supported by volunteers, creating a safer, more engaging and visually appealing play environment for children.

The charity delivered several successful fundraising and community events, including DecoyFest, which generated approximately £6,000 in net income, and inclusive pop-up shops for Mother & Others and Lads & Dads, raising approximately £1,500 while promoting inclusivity and practical life skills for pupils.

In addition, the charity ran the Glow Party for the second consecutive year, achieving strong attendance across all year groups and further strengthening school community engagement.

These achievements demonstrate the charity's continued commitment to improving educational facilities, enhancing pupil wellbeing, and supporting the school community in line with its charitable objectives.

In the coming year, the charity plans to continue delivering a selection of its successful events from 2024/25, recognising their value in generating funds and supporting the school community. However, the charity intends to reduce the overall number of events delivered, focusing instead on fewer, well-established activities.

This approach is intended to ensure the sustainability of the charity's operations by avoiding volunteer burnout, making more effective use of volunteer time, and maintaining a positive experience for those supporting the charity. By concentrating efforts on high-impact events, the charity aims to continue meeting its objectives while supporting the wellbeing and retention of its volunteers.

Brief statement of the charity's policy on reserves

To support the effective delivery of its major fundraising events, the PTA aims to maintain an appropriate level of reserves. These reserves enable the charity to meet the upfront costs associated with large-scale events, particularly the Christmas event, which requires approximately £3,000, and the Summer event, which requires approximately £5,000.

Where these large events are not planned or delivered within a charity year, the trustees may determine that a lower level of reserves is appropriate, and reserves may be reduced accordingly. This approach allows the charity to manage its funds proportionately while continuing to operate sustainably and in support of its charitable objectives.

Details of any funds materially in deficit

During the year, expenditure exceeded income by approximately £6,000. This deficit was planned and approved by the trustees and arose from the use of existing reserves rather than from operational shortfall.

The charity entered the year with a strong financial position, and the additional expenditure reflects the funding of a significant historic pledge made by a previous PTA, which the current trustees honoured. As a result, the trustees do not consider the charity to be materially in deficit, as sufficient reserves remain and the expenditure directly supported the charity's objectives.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal source of income is derived from large-scale fundraising events, supplemented by smaller fundraising activities throughout the year.

Expenditure during the year has been applied directly to further the charity's objectives by enriching the school environment and educational experience for all pupils at the school.

Given the nature of the PTA and the fact that it could cease operations in any given year, the trustees consider it most appropriate for funds to be used promptly to support the school, rather than held for long-term investment. As such, the charity does not operate a formal investment policy and does not undertake long-term investments.

Section F

Other optional information

--

The trustees declare that they have approved the trustees' report above.

Independent Examiner's Report

Report to the trustees

Charity Name
Decoy Community Primary School Parent Teacher Association

On accounts for the year ended

31/07/2025 **Charity no (if any)** 1047398

Set out on pages

(remember to include the page numbers of additional sheets)

Responsibilities and basis of report

I report to the trustees on my examination of the accounts of the above charity Decoy Community Primary School Parent Teacher Association for the year ended 31/07/2025.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*
