The pre-school is a member of the Early Years Alliance (previously named Pre-School Learning Alliance). The organisation is registered with Ofsted as a provider of childcare on non-domestic premises on the Early Years Register, the compulsory part of the Childcare Register and the voluntary part of the Childcare Register.

Details of the managing trustees are recorded with Ofsted.

The Charitable Incorporated Organisation ('CIO') 'Newstead Road Pre-School' (registered charity number 1153436) has already been formed to take on this 'Newstead Road Play Group' Charitable Association (registered charity number 1047690). The new charity structure will address past difficulties in recruiting trustees by limiting their personal liability and improve continuity by allowing staff representation among the trustees.

During the period covered by this report, no aspect of the pre-school's operations has been transferred to the new CIO. This new CIO does however hold the pre-school's lease.

Full transfer of the operations depends on re-registration with Ofsted, who will not allow our existing registration to be updated with a new charity number. Instead, we have to register as a new childcare provider, losing historic inspection reports.

Summary of the objects of the charity set out in its governing document

To enhance the development and education of children under statutory school age in a community based setting, providing quality care and attention for the children with qualified staff and volunteer parent helpers.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activity undertaken for the public benefit is the advancement of education for children aged 2 to 5.

The standard of this education is monitored through regular Ofsted inspection reports.

Play activities are based around the Early Years Foundation Stage curriculum (personal, social and emotional; communication, language and literacy; mathematics; knowledge and understanding of the world; physical and creative development). Children learn through experience and are free to choose which activity they wish to engage in. Staff assist to the extent that is judged necessary and to encourage children's efforts.

There are no restrictions on access to our service (save for the fact that a child must be of the relevant age of 2 to 5 years). Children aged 3 years + 1 school term, and some aged 2 years, are eligible for free entitlement funding. We receive fees from this, administered by London Borough of Lewisham, to provide a free childcare place for 15 hours each week of term.

The trustees of Newstead Road Playgroup have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Continued to provide high quality education and care.
Continued to support the families of children attending our setting.

Section E Financial review

Brief statement of the charity's policy on reserves

The charity has a reserves policy in place, which is included with the attached accounts. At 31 March 2022, charity reserves were £140,256. This is significantly above our reserves target of £121,600, a level which, after considering current liabilities, the trustees consider necessary and prudent for the long-term stability of the charity.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The pre-school has paid a £3,000 rent deposit which, though due, has not been returned. This is counted as an asset. We pay rent according to invoices issued by our landlord; however these invoices are less than the amount stated in the lease. We have advised the landlord of this discrepancy and have received their acknowledgement. The difference has been recorded as a liability and has been capped at 6 years. Our reserves policy makes provision for this.

The Pre-School had a surplus of £25,675 in 2021-22 or £17,175, after our potential rent liability with Lewisham Council. These figures also include EHCP (Education, Health and Care Plan) funding.

Income from private fees was £8,698 and overall income was £146,528, including a one-off donation of £1,500 from parents of a child attending. Over-all spend this year was £120,853.

Exceptional expenses of £2,800 this year consisted of plumbing work and some repairs to the playground surface.

There was also a retrospective payment of £14,490 for National Insurance Contributions and PAYE to HMRC. This was due to an oversight on our part in the transferal process to a new payroll provider.

Unusually, there were also payments for business rates totalling £1,382 as we did not apply for the exemption in time this year and this could not be claimed retrospectively.

The pre-school also incurred a fine for rubbish of £250 – the rubbish was left at the back of the property and not by the pre-school.

Brief statement of the charity's policy on reserves

The charity has a reserves policy in place, which is included with the attached accounts. At 31 March 2021, charity reserves were £114,596. This is just above our reserves target of £113,600, a level which, after considering current liabilities, the trustees consider necessary and prudent for the long-term stability of the charity.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The pre-school has paid a £3,000 rent deposit which, though due, has not been returned. This is counted as an asset. We pay rent according to invoices issued by our landlord, however these invoices are less than the amount stated in the lease. We have advised the landlord of this discrepancy and have received their acknowledgement. The difference has been recorded as a liability, which is presently increasing every month. During the period covered by this report, this potential liability has increased by £8,500. Our reserves policy makes provision for this.

The Pre-School had a surplus of £11,373 in 2020-21 or £2,873, after our potential rent liability with Lewisham Council.

Income from private fees was £7,790 compared to £9,488 in 2019-20. Over-all spend this year was \$92,233 compared to £106,219 in 2019-20.

Following reconciliation of Petty Cash funds, the Chair of Trustees (myself) held £1,327 of Pre-School funds at the end of this financial year pending deposit to the Charity's bank account.

There were some cash expense receipts from July to December 2019 that had been omitted from the 2019-2020 accounts totalling £212. These have been included in these accounts for 2020-2021.

The closing balance for 2019-2020 year had to be adjusted as follows due to accounting errors which could not be resolved:

4 Error Corrections

103,536.00	2019-20 Cash Funds Year End, as reported
-273.97	Corrected PSLA Balance from 10,228 to 9,954
