Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To enhance the development and education of children under the statutory school age by encouraging parents to understand and provide for the needs of their children by offering appropriate play, education and care facilities for family learning.

Since 1988, Bottesford Pre-school has, from its purpose-built premises, served families from Bottesford and at least six surrounding villages in the three counties of Nottinghamshire, Leicestershire and Lincolnshire by providing high quality and affordable pre-school care and education. It has achieved the top grade of Level 1 in its EYFS Quality Review by Leicestershire County Council, and following its inspection in July 2022 it was awarded 'Good' provider status by Ofsted (which followed its previous Outstanding inspection in 2016).

The preschool is managed by a Committee of elected members and officers who act as the Trustees of the charity. The committee is re-elected annually in October at the A.G.M. The Committee principally comprises of parents of children who attend or have previously attended the preschool, but also includes the manager, a staff representative and the financial manager. The committee meets once a month during the year to discuss the general business and operational issues relating the Preschool including finances, safeguarding, well-being, staffing, health and safety and fundraising issues, amongst others.

Preschool had one manager and five part-time staff members. The manager and one other staff member are qualified teachers. A further two staff members are qualified to NVQ Level 3 and one to Level 2. The staff members are fully up-to-date with their paediatric first aid and safeguarding courses and regularly attend additional courses to enhance their experience and to maintain their training for EYFS.

Each member of staff has taken on a specific expert role within the setting, being responsible for cascading information to the rest of the staff. For example, the Safeguarding Officer keeps the staff up to date on safeguarding issues and our safeguarding policy which is reviewed (and updated as necessary) on an annual basis.

Our Preschool was open from 8:00am to 4.00pm each week day during the school term dates set out by Leicestershire LEA and included our breakfast club which proved successful in attracting children. The day is divided into morning and afternoon sessions with some children staying all day. We started September with a small cohort of less than 30 on the register. A maximum of 15 children attended sessions during the year continuing Covid restrictions, however this rose to 20 by new year to accommodate required hours. There are no barriers to entry and all children over the age of 2 years, under school age are entitled to attend, subject to available space.

Children over the age of 3 are entitled to receive government funding to cover up to 15/30 hours of attendance at preschool per week. Certain children over the age of 2 also receive 2year funding. Preschool is paid an hourly rate by Leicestershire LEA for those funded hours. Those children that are not eligible for funding are charged an hourly rate which is set by the Committee on an annual basis having regard to the charitable status of the preschool and the requirement to provide public benefit. The preschool financial result for the 2021/2022 was relatively pleasing despite the ongoing pandemic.

The Trustees, having had regard to the guidance issued by the Charities Commission on public benefit, have ensured, through competent management during this period, in relation to financial and general operational matters, that the Preschool remains well placed to meet its aims and objectives and that it continues to provide benefit to local families with young children.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During the year, Bottesford Preschool has continued to provide a much needed facility to the families with young children living in Bottesford and the surrounding villages. It is the only not-for-profit provider of full-time preschool education in the wider local area and retains its excellent and professional team of staff who have achieved a 'Good' Ofsted status in 2022. We do however feel that this did not reflect the true quality of the Preschool and look forward to regaining our 'Outstanding' accreditation at the next visit.

September held the additional challenge of the new EYFS (Early Years Foundation Stage) being introduced. We had in-house training and the staff discussed the changes we would need to make to ensure we complied with the curriculum; again, this would be monitored and evaluated as the term progressed.

Many of the staff attended extra training to enhance their professional development, one of the best courses being Anti-bias and Equality attended by Sam Taylor in October '21 which she then cascaded to the other staff.

In December we were invited to decorate a Christmas tree and display it in the church, we chose the topic 'Foraged' and the children had a great time painting pine cones which we found in the woods, laminating leaves and making decorations out of sticks.

January we had a large Bag 2 School collection which raised £418.00 and kicked off this year's fundraising. By April with the subsidence of Covid we were finally able to host our adult's disco which raised over £2600.

Over the Easter break we used some of these raised funds to install a brand new accessible kitchen area which allows the children more independence whilst developing their skills in a safe environment.

We also hosted a party at the end of the summer term for those children heading off to Primary School in September.

Preschool follows the principles of the Early Years Foundation Stage framework and the trustees and the staff work hard as a team to ensure happiness, well-being and positive development of the children.

Bottesford Preschool has achieved its aim of providing affordable and high quality childcare and preschool education to the children attending the sessions during the year.

Section E

Financial review

Brief statement of the charity's policy on reserves

Preschool's policy on reserves is to retain, in a separate bank account, a minimum of £30,000 which is the equivalent of three month's operating costs. This policy is reviewed annually.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Management Committee continued to hold its regular meetings to deal with the administration, finances, fundraising and other practical matters arising from the running of a busy preschool. We were very lucky to be able to host one larger fundraiser around covid restrictions raising over £2600 as well as earning additional funds from the Bags to School textile collections

This year we have been able to spend some money upgrading and improving the kitchen area. Next year our numbers continue to remain low and we do not anticipate a good year financially. While our cash position currently looks healthy, some of this will be put towards future projects.

Section F

Other optional information

Although we have developed lots of areas of the preschool, we will no longer be able to embark on big projects for the next few years as the future is looking more challenging as the birth rate is falling locally. We are therefore forecasting another difficult financial year and are going to focus our efforts on promoting the Preschool as much as possible with the aim of trying to increase numbers.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Dear Sirs

Following the independent review of the accounts for Bottesford Preschool for the year ended 31 August 2022 I can confirm that no material matters have come to my attention in connection with my examination.

I can confirm that I am happy that the accounting records are kept as required by section 130 of the act.

I can confirm that the accounts correspond with the accounting records provided.

For the previous two years, I have not been able to confirm the Virgin bank balance to the statements. I can confirm that for the year ended 31 August 2022 I have received the Virgin bank statements to confirm that the interest received for the current year and the previous years' is correct. I have also been able to vouch the closing balance per the accounts to the balance of the statement. I am therefore happy that the closing balance at the year ended 31 August 2022 is correct and that the previous years' balances have also been correct.

I have no concerns and have come across no other matters to report.

If you do require any additional information from me, please do feel free to get in contact with me.

Yours faithfully

Georgina Deakin
