NATIONAL HEART & LUNG FOUNDATION

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Foundation is governed by a Trust Deed dated 3 July 1995 and the Deed of Amendment 2015. On 20 April 2021 the charity amended its name from National Heart & Lung Institute Foundation to, more simply, National Heart & Lung Foundation. As well as simplification, this change was to clarify the charity's status as a Foundation for the support of Heart and Lung research. The funds of the Foundation are made up of a capital fund (£15,558,903), which is an expendable endowment, an unrestricted General Fund (£3,653,774) and one restricted fund; the Viscount Royston Fellowship Fund (£2,336,438) which is dedicated in perpetuity to research into diseases of the heart muscle and into heart disease generally.

The Board of Trustees meets twice a year and is responsible for the management of the Foundation. Day to day managerial responsibility is delegated to the Secretary to the Trustees. The Foundation seeks to achieve its objects by careful stewardship of its existing assets augmented by income from voluntary donations and legacies. It has no employees and does not actively fundraise. The NHLF website includes a link to the NHLF privacy policy.

The Trustees have identified and considered the strategic, operational and financial risks to which the Foundation is exposed and they are satisfied that there is appropriate protection, systems and checks in place to mitigate exposure to these risks. With regard to risks arising from the Foundation's financial investments, Trustees are kept fully informed by their independent investment managers, who provide reports and statements quarterly, and more frequently on request. Face to face and telephone meetings occur between Trustees and the investment managers during the year.

GRANT-MAKING AIMS AND OBJECTIVES - PUBLIC BENEFIT

When reviewing the Foundation's aims and objectives, setting the grant making policy and awarding grants, the Trustees have complied with section 2(1)(b) of the Charities Act 2011 and have had due regard to the Charity Commission's guidance on public benefit.

GRANT ACTIVITY - CURRENT INITIATIVES

The Foundation assists the National Heart & Lung Institute by providing grants, facilities, equipment and premises and such other assistance as the Trustees shall determine. Current initiatives are:

- **Respiratory:** National Heart & Lung Foundation Centre for Airways Disease in Children & Young Adults, and Margaret Turner Warwick Centre for Fibrosing Lung Disease;
- **Cardiology:** Support of Dr Sanjay Prasad and The Royston Centre for Inherited Cardiac Conditions, and financial support of Cardiac Academic Clinical Lecturer posts and Clinical PhDs;
- Financial support of the career development of Early Career Researchers through Foundation Pilot Awards;
- The Trustees continue to grant the NHLI rent-free occupation of its half freehold interest in the property at 1b Manresa Road, London SW3 6LR.

The charity has made grant commitments totalling £1.6m as at the end of July 2022.

NATIONAL HEART & LUNG FOUNDATION

FINANCIAL STRATEGY AND RESERVES

The Foundation's current spending policy is to limit annual net cash outgoings, excluding items of extraordinary expenditure, to an amount that the Trustees believe will not significantly reduce the medium or longer term value of the investments. The Foundation has a reasonable expectation that its resources are adequate to continue in operational existence for the foreseeable future and that there are no material uncertainties that call into doubt its ability to continue. The financial statements have, therefore, been prepared on the basis of a going concern.

Income from all sources totalled £638,319 (2021: £631,383). Total expenditure was £1,036,493 (2021: £1,032,439). Net losses on investments for the year were £818,996 (2021: gains £2,066,005) which left a deficit for the year of £1,217,170 (2021 surplus £1,664,949). During the year, new grant commitments totalling £908,837, were made.

Performance

The total value of the Foundation's investments at 31 July 2021 was £18,927,058 (£17,393,078 at 31 July 2020). There is no investment in tobacco related companies. Investments are held exclusively in trusts managed by Sarasin investment managers:-

	2022	2021 £
Investment in unit trusts	17,776,031	18,896,173
Cash held for investment purposes	242,114	30,885
	<u>£18,018,145</u>	<u>£18,927,058</u>

The units held in unit trusts include the following asset allocations:-

Fixed Income	1,396,851	1,925,553
Equities	10,440,971	13,426,651
Property	2,048,498	1,262,777
Alternative Assets	2,516,865	1,764,853
Liquid Assets	1,614,960	547,224
	<u>£18,018,145</u>	<u>£18,927,058</u>

The year-end results and fund balances are set out in the Statement of Financial Activities on page 7 and Balance Sheet on page 8.

NATIONAL HEART & LUNG FOUNDATION

Trustees' responsibilities for the financial statements

The Trustees are responsible for preparing their annual report and the financial statements for each financial year in accordance with applicable law and UK accounting standards. The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the Foundation's financial position at the year end and its financial activities for that period.

In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper records which disclose with reasonable accuracy the financial position of the charity and that enable them to ensure that the financial statements comply with relevant legislation and the provisions of the Trust Deed. They are responsible for safeguarding the charity's assets and taking reasonable steps for the prevention and detection of fraud and breaches of law and regulations. The Trustees are also responsible for the maintenance and integrity of any financial information included on the charity's website.

FUTURE PLANS

For the foreseeable future, the Trustees have resolved to continue to preserve as far as possible the capital base of the Foundation's investments, and to maximise the level of grant aid available.

VOLUNTARY INCOME

Whilst maintaining its policy of not actively fundraising, Trustees continue to welcome the support of donors to the Foundation. Donations are often made in memory of loved ones.

In addition, the Foundation receives income from legacies, and its policy is to recognise legacies on receipt. This year the Trustees wish to acknowledge legacies received from the estates of Jeanette Bryan, Elaine Mary Bullock, Marlene Davie, Margaret June Fairhurst, Barbara Jean Haywood, Jean Margaret Tasker and Isabelle Todd.

The Foundation knows of some additional legacy payments amounting to approximately £16,000 which it expects to receive during the forthcoming year. Details of these will be included in future financial statements.

Approved by the Trustees and signed on their behalf

Richard Reid

NATIONAL HEART & LUNG FOUNDATION

INDEPENDENT AUDITORS' REPORT

Opinion

We have audited the financial statements of National Heart and Lung Foundation (the 'charity') for the year ended 31 July 2022 on pages seven to seventeen. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

NATIONAL HEART & LUNG FOUNDATION

INDEPENDENT AUDITORS' REPORT

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities set out on page four, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- The Charity is required to comply with charity law and, based on our knowledge of its activities, we identified that the legal requirement to accurately account for restricted funds was of key significance.
- We gained an understanding of how the charity complied with its legal and regulatory framework, including the requirement to properly account for restricted funds, through discussions with management and a review of the documented policies, procedures and controls.
- The audit team, which is experienced in the audit of charities, considered the charity's susceptibility to material misstatement and how fraud may occur. Our considerations included the risk of management override.
- Our approach was to check that all restricted income was properly identified and separately accounted for and to ensure that only valid and appropriate expenditure was charged to restricted funds. This included reviewing journal adjustments and unusual transactions.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken, so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report or for the opinions we have formed.

NATIONAL HEART AND LUNG FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st JULY 2022

1. ACCOUNTING POLICIES

- (a) The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.
- (b) Income is recognised in the year in which the charity is entitled to receipt and the amount can be measured with reasonable certainty. Income is deferred only when the charity has to fulfil conditions before becoming entitled to it or the donor has specified that the income has to be spent in a future period.
- (c) Income from listed investments is accounted for on an accruals basis, grossed up for tax recoverable where appropriate. Interest from cash on deposit is accounted for on an accruals basis.
- (d) Expenditure is accounted for on an accruals basis.
- (e) The cost of generating voluntary income includes investment management fees and advertising costs.
- (f) Costs of charitable activities consist of research grants.
- (g) Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice.
- (h) Investments are stated at mid-market value. Gains and losses on disposals and revaluations of fixed asset investments are reported in the Statement of Financial Activities and added to or deducted from the funds to which they relate.
- (i) Social investments represent land and buildings which were transferred from the National Heart and Lung Institute in 1995. The building is occupied rent free by the Charity's beneficiary the National Heart & Lung Institute.
- (j) Unrestricted funds are those funds which can be used at the Trustees' discretion. Expendable Endowment funds are those funds where the intention is that capital be maintained and the income spent, but in certain circumstances the capital can be spent. Restricted funds are funds which have been earmarked by the donors to be spent on specific projects.
- (k) Grants payable are charged in the year when the offer is conveyed to the recipient except in those cases where the offer is conditional. Such grants are recognised as expenditure when the conditions attaching are fulfilled.

NATIONAL HEART AND LUNG FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st JULY 2022

1. ACCOUNTING POLICIES (Continued)

(l) The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland': the requirements of Section 7 Statement of Cash Flows.

(m) The Charity is not registered for VAT and accordingly, where applicable, all costs incurred are inclusive of VAT.

(n) The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The trustees have made this assessment in respect to a period of one year from the date of approval of these financial statements.

The trustees of the charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due.

Viscount Royston Fellowship Trust Fund is dedicated in perpetuity for research into diseases of the heart muscle and into heart disease generally.

14. EXPENDABLE ENDOWMENT

The balance on Expendable Endowment represents donations and bequests received which could be expended at the Trustees' discretion. Investment income arising on Endowment Fund assets can be applied to the generality of the Charity's objects.

15. TAXATION

The National Heart and Lung Foundation is a registered charity and is exempt from taxation in respect of income and capital gains received within the categories covered by Part II of the Corporation Tax Act 2010 to the extent that such income or gains are applied for exclusively charitable purposes.

16. RELATED PARTIES

Certain Trustees of the Foundation are also governors of Royal Brompton and Harefield NHS Foundation Trust. There were no transactions with this NHS Foundation Trust during the year.

Professor Edwin Chilvers is the Professor of Medicine and Head of the National Heart & Lung Institute which receives grants awarded by the NHLF. Professor Chilvers is also a Trustee of the NHLF; he does not receive any remuneration from the NHLF

NATIONAL HEART AND LUNG FOUNDATION
