BUSINESS EDUCATION PARTNERSHIP (UK) LTD

REPORT OF THE TRUSTEES **for the year ended 31st March 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The primary objectives of the charity are to bring businesses, education and the wider community together to help young people aged between 14 and 19 to develop their employability skills and help those aged between 18 and 40 to develop skills to secure employment.

The charity provides these services across a wide area including Barking & Dagenham, Havering, Redbridge, Waltham Forest (in East London) and Essex (including Thurrock and Southend-on-Sea).

Public benefit reporting requirements

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

The trustees consider that the charity's prime objective, the advancement of education and employment, meets the Charity Commission's main principles for public benefit.

Significant activities

The charity invests all income, grants and donations into providing its services. The main projects and activities are:

Work experience

The work experience service was suspended throughout the Covid-19 Pandemic, restarting in January 2022. Since the restart, the service has continued to grow, with more and more new schools deciding to fully or part fund work experience placements for their learners.

Work Experience is seen as part of a young person's education. In the 22/23 academic year, we have successfully provided over 3,000 one- or two-week work placements.

Alternative Education

BEP Group deliver alternative education via our Independent School, BEP Academy. Approximately 40 schools and 5 Local Authorities across Essex and East London refer young people to our school every year. We have two sites - Romford and Basildon, with Romford having a slightly larger capacity. Children who, for whatever reason are not succeeding in main-stream school, may be referred to BEP Academy.

Students can spend part of the week studying for core GCSEs or Functional Skills (depending on their year group and/or level) in English, Maths and ICT. Personal and Social Development courses and vocational courses are also available, together with work experience (for up to two days-a-week) for those children who would benefit.

All young people on the programme are assigned a personal Key Worker who offers mentoring support, information, advice and guidance (IAG) and signposting to other support agencies/experts.

Without this provision some students would become disaffected, disengaged or NEET (Not in Education, Employment or Training) and fail to reach their potential.

In February 2023, BEP academy was subject to our second full Ofsted Inspection. We were, for the second time, graded good for all assessed areas, achieved good overall and it was confirmed that BEP Group meets all the Independent School Standards.

FINANCIAL REVIEW

Resources expended

Resources are allocated to direct charitable expenditure on a specific basis. Where no basis exists, or where costs are attributable to more than one activity, expenditure is apportioned across cost categories based on resources used on those activities.

BUSINESS EDUCATION PARTNERSHIP (UK) LTD

REPORT OF THE TRUSTEES **for the year ended 31st March 2023**

FINANCIAL REVIEW

Principal funding sources

Funding for Work Related Learning (including pre-16 work experience) was withdrawn by the Government in March 2011. Schools now meet the full cost of work experience provision. Schools also continue to meet the full cost of the alternative education provision.

Reserves policy

At the 31st March 2023 the reserves of BEP equated to approximately 3 months of expenditure. The trustees have agreed a maximum level of reserves to be set at a maximum of 12 months of expenditure to ensure the charity can meet its contractual obligations to schools and particularly young people on programmes lasting one year.

Results for the year

The charity has made a modest surplus for the year. Income from fees charged to provide young people with their education have increased from £1,158k to £1,361k. We have also invested heavily in new staff as we continue to expand.

FUTURE PLANS

The overall aims and objectives of the charity remain the same. Over the next year the charity will aim to:

- Continue to provide a high-quality service to schools and students;
- Engage schools and students in work experience;

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Business Education Partnership (UK) Limited is a charitable company controlled by its governing document limited by guarantee, as defined by the Companies Act 2006. The charity is constituted under a Memorandum of Association dated 12th June 1995

Recruitment and appointment of new trustees

The management of the charity is the responsibility of the trustees, who are elected and co-opted under the terms of the Articles of Association.

Organisational structure

The board trustees meet a minimum of 3 times per year. All resolutions are decided by a show of hands requiring a majority vote to be passed. In the event of a tie, the chairman has the casting vote.

The trustees delegate the day to day management of the charity to Kelly Sims, the company secretary. He gives feedback on the charity's activities at board meetings and liaises regularly with the trustees to keep them informed.

Induction and training of new trustees

Where there is a requirement for new trustees, these would be identified and appointed by the existing trustees. The chair of the trustees ensures that new trustees are aware of their responsibilities, the governing documents, the history of the charity and its objects and activities. In addition to visiting the charity's offices to meet the employees and officers of the company, a new trustee will receive a copy of the previous year's annual report and accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What you need to know".

Related parties

Where a trustee of the charity holds a senior position with any of its funders, there will be involvement with any discussions but not in the ultimate decision making.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The significant external risk is the withdrawal or reduction in future funding and, in view of this, plans have been developed for the diversification of funding and activities.

Internal risks are minimised by the implementation of procedures for the authorisation of all transactions and projects to ensure the consistent quality of delivery of all activities. These procedures are regularly reviewed to ensure that they continue to meet the needs of the charity.

TRUSTEES' RESPONSIBILITY STATEMENT

The trustees (who are also the directors of Business Education Partnership (UK) Ltd for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

BUSINESS EDUCATION PARTNERSHIP (UK) LTD

REPORT OF THE TRUSTEES
for the year ended 31st March 2023

TRUSTEES' RESPONSIBILITY STATEMENT - continued

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditors, Chegwiddden & Co, will be proposed for re-appointment at the forthcoming Annual General Meeting in accordance with section 487 of the Companies Act 2006.

Approved by order of the board of trustees on 12 / 12 / 23 and signed on its behalf by:

.....
S J Wilks - Trustee

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
BUSINESS EDUCATION PARTNERSHIP (UK) LTD**

Opinion

We have audited the financial statements of Business Education Partnership (UK) Ltd (the 'charitable company') for the year ended 31st March 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
BUSINESS EDUCATION PARTNERSHIP (UK) LTD**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management, those charged with governance and the entity's solicitors (or in-house legal team) around actual and potential litigation and claims.
- Enquiry of entity staff in tax and compliance functions to identify any instances of non-compliance with laws and regulations.
- Reviewing minutes of meetings of those charged with governance.
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
BUSINESS EDUCATION PARTNERSHIP (UK) LTD

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

BUSINESS EDUCATION PARTNERSHIP (UK) LTD

NOTES TO THE FINANCIAL STATEMENTS **for the year ended 31st March 2023**

1. GENERAL INFORMATION AND STATEMENT OF COMPLIANCE

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Swan House, 9 Queens Road, Brentwood, Essex, CM14 4HE.

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going concern

There are no material uncertainties about the charity's ability to continue.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Expenditure includes any VAT which cannot be recovered and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management undertaken at head office.

Governance costs comprise those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

BUSINESS EDUCATION PARTNERSHIP (UK) LTD

NOTES TO THE FINANCIAL STATEMENTS - continued **for the year ended 31st March 2023**

2. ACCOUNTING POLICIES - continued

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received. Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. In the case of the Charity, the only key judgement is the consideration given to the useful life of tangible fixed assets and related rates of depreciation.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets. For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 15% on reducing balance
Computer equipment	- 33% on reducing balance

All fixed assets are initially recorded at cost. Items costing less than £500 are not capitalised.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

BUSINESS EDUCATION PARTNERSHIP (UK) LTD

NOTES TO THE FINANCIAL STATEMENTS - continued
for the year ended 31st March 2023

2. ACCOUNTING POLICIES - continued

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund. When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

Limited by guarantee

Every member of BEP undertakes to contribute an amount not exceeding £1 to the assets of the company if it is wound up during the time that he is a member, or within one year afterwards, for debts and liabilities of BEP contracted before the time at which he or she ceases to be a member and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.
