ACHIEVEMENT AND PERFORMANCE

The financial performance of the Charity during the year ended 31st March 2025 showed a deficit, following four consecutive years of growth.

Donations for the year reduced slightly over those received during the financial year 2023/2024. 'Donations in Memory'

remained at normal levels.

Income from the Charities Shop increased over that of 2023/2024, even though footfall in the hospital remained at reduced levels. The continual review of items held in stock and the introduction of a credit card in 2023/2024 continued to encourage additional spending.

The Charitable spending activities for the year were increased to £63,245 from £25,133 in 2023/2024. Three projects in particular accounting for £26,868 of the total spend. These included new bed frames, specialist mattresses and a bariatric chair.

The various activities developing an annual deficit of £32,010.

During the year the Management Committee met at regular intervals to review the Charities activities, finances and consider applications for funding.

All meetings were Minuted and copies of those Minutes are available for inspection.

The Trustees wish to express their continued gratitude to all the Volunteers and the Management Committee for their time and efforts, freely given, without which the Charity would not function as well as it does.

Report of the Trustees
for the year ended 31 March 2025

FINANCIAL REVIEW

The Financial Statements are prepared annually by the Treasurer and the 2025 reports have been independently examined by Cottons Accountants LLP.

The 2025 report shows total income of £39,890 and total expenditure of £71,900: thus providing a yearly deficit of £32,010.

FUTURE DEVELOPMENTS

Because of the prudent approach of the Trustees to finances in previous years and the surplus in the previous four years the charity remains well placed to respond to requests for funding further equipment and staff training as they arise during the year.

It remains the Trustees objective to try to expand the number of hospital department's that the Charity supports during the financial year 2025/2026.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with the law applicable to charities in England and Wales, the Charities Act 2011 and Charity (Accounts and Reports) Regulations 2008. The provisions of the trust deed require the trustees to prepare financial statements for each financial year which reflect the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FINANCIAL REVIEW

The Financial Statements are prepared annually by the Treasurer and the 2024 reports have been independently examined by Cottons Accountants LLP.

The 2024 report shows total income of £41,261 and total expenditure of £33,679: thus providing a yearly surplus of £7,583.

FUTURE DEVELOPMENTS

Because of the prudence of the Charities Trustees and Management Committee in the managing of its financial affairs, and the surpluses of the past three years in particular, the Charity remains well placed to respond to requests for funding of equipment and staffing training as they arise.

It remains the Trustees objective to try to expand the number of hospital department's that the Charity supports during the financial year 2024/2025.

The financial performance of the Charity during the year ended 31st March 2024 was positive, for the fourth consecutive year.

Donations for the year increased over those of the years 2021/2022 & 2022/2023 whilst 'donations in Memory' returned to more normal levels having been at exceptionally high levels in 2020/2021 & 2021/2022.

Income from the Charities Shop increased significantly over that of 2022/2023.. Although footfall in the hospital remained at reduced levels a review of the stock items held and the introduction of a credit card machine encouraged additional spending.

The Charitable spending activities for the year were increased on that of 2022/2023.

The various activities developing an annual surplus of £7,583.

During the year the Management Committee met at regular intervals to review the Charities activities, finances and consider applications for funding.

FINANCIAL REVIEW

The Financial Statements are prepared annually by the Treasurer and the 2024 reports have been independently examined by Cottons Accountants LLP.

The 2024 report shows total income of £41,261 and total expenditure of £33,679: thus providing a yearly surplus of £7,583.

FUTURE DEVELOPMENTS

Because of the prudence of the Charities Trustees and Management Committee in the managing of its financial affairs, and the surpluses of the past three years in particular, the Charity remains well placed to respond to requests for funding of equipment and staffing training as they arise.

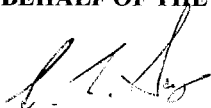

It remains the Trustees objective to try to expand the number of hospital department's that the Charity supports during the financial year 2024/2025.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with the law applicable to charities in England and Wales, the Charities Act 2011 and Charity (Accounts and Reports) Regulations 2008. The provisions of the trust deed require the trustees to prepare financial statements for each financial year which reflect the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The object of the charity shall be to support the charitable work of Danetre Hospital. For the purpose of carrying out the above Object the charity shall have the following powers:

- To educate the public in the needs of the patients of the hospital and to encourage, foster, mobilise and maintain the interest and support of the public in the said hospital.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

Area of Benefit

The Trustees aim to actively promote the work of the charity in the catchment area of Danetre Hospital, Daventry.

ACHIEVEMENT AND PERFORMANCE

The financial performance of the charity during the year ended 31st March 2022 was, in many ways, similar to the financial year ended March 2021. Although the Charity's shop reopened, the footfall within the Hospital remained at a greatly reduced level, as was reflected in the shop sales of £3,924, compared to the figure of £2019/2020 of £9,779. (The use of the 2019/2020 figure for the comparison is because of the closure of the Shop due to Covid during the year 2020/2021).

Sums of money given In-Memory during the year were once again at a higher than normal level.

Expenditure during the year was lower than that preceding it, the net result being a further healthy surplus.

During the first half of the financial year, the Charity continued to be managed primarily by the Chairman, Treasurer and Secretary. An informal Management meeting took place on 20th April 2021. The Management Committee meetings were resumed in September, with meetings held on 23rd September 2021, 12th January 2022 and 9th March 2022.

The Charity's AGM was held on 24th November 2021.

All meetings were minuted.

The Trustees wish to express their gratitude to all Volunteers and the Management Committee without whose help, freely given, the charity would not function as well as it does.

Friends of Danetre Hospital

Report of the Trustees
for the year ended 31 March 2022

FINANCIAL REVIEW

The Financial Statements are prepared annually by the Treasurer and the 2022 reports have been independently examined by Cottons Accountants LLP.

The 2022 report shows total income of £48,027 and total expenditure of £16,390: thus providing a yearly surplus of £31,637. Cash funds at the end of the year stood at £143,207 allowing for uncleared commitments of £6,000.

FUTURE DEVELOPMENTS

Whilst the Charity's shop reopened during 2021 footfall within the hospital, as noted earlier, remains at a greatly reduced level. It would appear that this will remain the situation for the foreseeable future until such time that all outpatient clinics resume their activities in the Hospital. Because of the prudent approach of the Trustees to finances in previous years and the surplus both in 2020/2021 and 2021/2022, the Charity remains well placed to respond to requests for funding for further equipment and staff training as they arise during the year.

It is the Trustees continued objective to try and expand the number of hospital departments they support during the financial year 2022/2023.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with the law applicable to charities in England and Wales, the Charities Act 2011 and Charity (Accounts and Reports) Regulations 2008. The provisions of the trust deed require the trustees to prepare financial statements for each financial year which reflect the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees aim to actively promote the work of the charity in the catchment area of Danetre Hospital, Daventry.

ACHIEVEMENT AND PERFORMANCE

The Financial Year ended 31st March 2021 was, because of the Covid-19 epidemic, a year unlike any that preceded it. Thanks to one very generous donation of £61,659, monies received during the year were higher than those received during the previous twelve months. Because of the enforced enclosure of the Charity Shop, other income was significantly lower. Expenditure during the year was also significantly lower.

During the Financial Year, the Charity was managed primarily by the Chairman, Treasurer and Secretary. The Management Committee were consulted via email on decisions requiring agreement to purchase requested equipment. A newsletter was distributed to the Management Committee and Volunteers on the 1st August. The Charity's AGM was held via 'Zoom' on the 28th October and a further Management meeting was held via 'Zoom' on the 11th November. Both of the meetings were minuted.

The Trustees wish to express their gratitude to all Volunteers and the Management Committee without whose help, freely given, the charity would not function as well as it does.

Report of the Trustees
for the year ended 31 March 2021

FINANCIAL REVIEW

The Financial Statements are prepared annually by the Treasurer and the 2021 reports have been independently examined by Cottons Accountants LLP.

The 2021 report shows total income of £72,929 and total expenditure of £26,980: resulting in a profit for the year of £45,949. Cash funds at the end of the year stood at £116,748 with uncleared commitments of £5,178.

FUTURE DEVELOPMENTS

Currently, the Charity Shop remains closed thus impairing income during 2021/2022. It is hoped that the situation regarding Covid-19 continues to improve and the shop will reopen as soon as it is safe to do so. Because of the prudent approach of the Trustees to finances in previous years and the surplus in 2020/2021, the Charity remains well placed to respond to requests for funding for further equipment and staff training as they arise during the year.

It is the Trustees continued objective to try and expand the number of hospital departments the support during the financial year 2021/2022.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with the law applicable to charities in England and Wales, the Charities Act 2011 and Charity (Accounts and Reports) Regulations 2008. The provisions of the trust deed require the trustees to prepare financial statements for each financial year which reflect the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ON BEHALF OF THE BOARD:
