FINANCIAL REVIEW

The Financial Statements are prepared annually by the Treasurer and the 2024 reports have been independently examined by Cottons Accountants LLP.

The 2024 report shows total income of £41,261 and total expenditure of £33,679: thus providing a yearly surplus of £7,583.

FUTURE DEVELOPMENTS

Because of the prudence of the Charities Trustees and Management Committee in the managing of its financial affairs, and the surpluses of the past three years in particular, the Charity remains well placed to respond to requests for funding of equipment and staffing training as they arise.

It remains the Trustees objective to try to expand the number of hospital department's that the Charity supports during the financial year 2024/2025.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with the law applicable to charities in England and Wales, the Charities Act 2011 and Charity (Accounts and Reports) Regulations 2008. The provisions of the trust deed require the trustees to prepare financial statements for each financial year which reflect the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ON BEHALF OF THE BOARD:

Mr C Long – Trustee/Chairman
