THE RITA AND DAVID SLOWE CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2021

The Trustees present their annual report together with the financial statements of the Charity for the year 6 April 2020 to 5 April 2021. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' (FRS 102) in preparing the annual report and financial statements of the Charity.

Objectives and activities

a. Governance and appointment of Trustees

The Charity was established by Trust Deed dated 12 July 1995 and the Charity Commission registration number is 1048209.

In his lifetime, Mr R L Slowe (the Founder Trustee) may appoint new Trustees. After his death, the remaining Trustees may appoint new Trustees (the total number must be at least three). New Trustees would be inducted and trained by attendance at appropriate training courses. In view of the Charity's holding of ordinary shares in J Leon & Co Ltd by deed of variation dated November 2017, whenever the number of Trustees who are a lineal descendent of the Founder's parents Rita and David Slowe is reduced to less than two, an appointment shall be made as soon as practicable in order to increase the number of such Trustees to at least two.

b. Objects and purpose

The Charity has been established under its Trust Deed for such charitable purposes as the Trustees from time to time think fit.

c. Public Benefit

In setting objectives and planning for current and future activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'. All activities have been undertaken to further the Charity's purpose for the public benefit.

Achievements and performance

a. Activities and achievements

Activities in the year comprised the distribution of £140,000 (2020: £140,000) to charities. The Charity is a grant making charity and so does not work directly with vulnerable groups, but may fund other organisations that do.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

THE RITA AND DAVID SLOWE CHARITABLE TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 5 APRIL 2021

b. Financial review

The Trustees generally distribute income derived from investments and private donations from the Founder. In accordance with Clause 5(1) of the Settlement Deed, the Trustees had power to accumulate realised income as an accretion to capital for twenty one years to 12 July 2016. Available income for the year was £71,367 (2020: £79,798) and £140,000 (2020: £140,000) was distributed to charities.

c. Risk management and reserves policy

The Trustees have assessed the risks to which the Trust is exposed, in particular those relating to investment income, and are satisfied that controls are in place to mitigate such risks.

The policy of the Trustees is to retain sufficient funds to meet all future commitments. At the year-end, the Charity held unrestricted funds of £2,077,938 (2020: £1,873,158) and endowment funds of £466,614 (2020: £430,164). The level of reserves are considered satisfactory for the objectives of the Charitable Trust.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

.....
Robert L Slowe

Date: 25-12-21

THE RITA AND DAVID SLOWE CHARITABLE TRUST

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 5 APRIL 2021

**Independent examiner's report to the Trustees of The Rita and David Slowe Charitable Trust
('the Charity')**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 5 April 2021.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated: 8 November 2021

THE RITA AND DAVID SLOWE CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2021

1. General information

The Rita and David Charitable Foundation is a registered charitable trust (number 1048209) with the Charity Commission in England and Wales. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charity. The address of the registered office is given in the Charity information on page 1 of these financial statements. The nature of the Charity's operations and principal activity is for the benefit of such exclusively charitable objects and purposes as the Trustees in their absolute discretion think fit.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Rita and David Slowe Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared in sterling which is the functional currency of the Charity, rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Donations and the related gift aid tax are accounted for on receipt of the donation. Income is included in full in the Statement of Financial Activities.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

THE RITA AND DAVID SLOWE CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2021

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes investment manager costs.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Staff costs

The Charity had no employees in the year (2020: Nil).

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

Unlisted investments are included at a valuation last agreed with HM Revenue & Customs on 1 March 2020.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

THE RITA AND DAVID SLOWE CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2021

2. Accounting policies (continued)

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.11 Financial instruments

The Charity does not have a material holding in complex financial instruments. The Charity only holds basic Financial Instruments. The financial assets and financial liabilities of the Charity are as follows:

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Liabilities – grants accrued, accruals, bank loans and overdrafts, and other creditors will be classified as financial instruments, and are measured at amortised cost as detailed in Note 11. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is simply an obligation to deliver charitable services rather than cash or another financial instrument.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Endowment funds represent those assets which must be held permanently by the Charity. Income arising on the endowment funds can be used in accordance with the objects of the Charity. Any capital gains or losses arising on the investments form part of the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

Endowed funds are held in perpetuity to generate income to further the objects of the Charity.

Investment income, gains and losses are allocated to the appropriate fund.

THE RITA AND DAVID SLOWE CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2021

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated.

The Charity makes estimates and assumptions concerning the future which are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Critical areas of judgment:

- Basis of valuation of unlisted financial investments.

14. Related party transactions

R L Slowe, J L Slowe and G Weinberg have non-beneficially participating interests in J Leon & Co Ltd, the company in which the permanent endowment fund is invested.

In the year, the Charity received £36,900 (2020: £36,900) in dividend income from their shareholding in J Leon & Co Ltd.
