Tabernacle of Praise Ministries – Trustees' Report for 2020/2021

### Activities and operation

Tabernacle of Praise Ministries is a Christian Organisation registered with the Charity Commission no. 1048696, in England and Wales.

Its current address is Praise House, 37 Tamworth Road, Croydon, Surrey. CR0 1XT.

---

### The Trustees during this year were:

- o Sandra Luke – Chairperson
- o Margaret Halls-Falconer - Secretary
- o Nathaniel Asafo-Agyei - Treasurer

Tabernacle of Praise Ministries is founded on Christian values and mission and it carries out humanitarian work and provides caring services in our community. It has as its aim, the advancement of the Christian faith and the improvement of life and wellbeing in the community where it is based.

The Charity depends on freewill donations from members for funding and we have acted responsibly by keeping overheads and administrative costs to a minimum in order to achieve the goals we set out.

### Going Concerns

The annual accounts of Tabernacle of Praise Ministries for 2020/21 are prepared with an ongoing concern basis, and the Trustees confirm that this assumption is valid.

### Development, financial results and position

In the opinion of the trustees, the financial statements with accompanying notes give a true and fair view of the financial performance for 2020/21 and the financial position as at 31st of March 2021. No events have occurred after the close of the financial year that has any major significance for assessment of the ministry. The ministry's normal depreciation is essentially the difference between the entity's cash flow and the accounting profit.

### Taxation

§ Tabernacle of Praise Ministries is established as a charitable ministry and is tax exempt as the organisation does not receive income that doesn't qualify for tax relief or spent any income on non-charitable purposes.

§ Tabernacle of Praise Ministries is also approved to claim Gift aid (25p on every £1 donated by tax paying members).

### Work Environment

The current work environment is good and those who are employed or volunteer are satisfied with their working environment. There have been no accidents or injuries in 2020/21 and volunteers / employee sick leave are recorded.

### Equity

Trustee's Annual Report (Incorporating the Director's Report)

Year ended 31 March 2021

---

Tabernacle of Praise Ministries aims to have a workplace with diversity and equality of opportunity for both men and women. The ministry had 4 employees and 12 volunteers (7 women and 5 men), most of who work within the areas of mission, humanitarian concerns, hospitality, sound engineering and ushering. The Trustees consist of two women and one man.

## The Environment

The ministry does not conduct activities that have a substantial adverse impact on the environment. The ministry has not implemented or planned any special measures in this area in 2020/21, beyond such measures as are necessary under laws and regulations to ensure compliance with applicable environmental requirements.

## Disclosure of Financial Risk

In the Trustee's opinion, there is no significant market risk or risk of losses for the ministry in the immediate future. The ministry has activities in other countries and part of its expenses is linked to foreign currency. The ministry's financial income and expenses must be considered in light of this.

## Summary of the main activities

The year under review was marked with COVID-19 pandemic and the attendant lockdowns which the government imposed on the nation with

restrictions for places of worship. As a result, we had to find alternative ways of reaching out to our members and the community we serve in Croydon. We carried out a number of activities, which included supporting Elderly Projects by providing and preparing Food for the most vulnerable during the lockdown, working with foodbanks to ensure that food reached the most vulnerable during the lockdown, running zoom and telephone contacts with our members especially those who are single to ensure they were ok during the lockdown.

We worked with Parents to provide support to parents and Children who were made to stay at home to study, we worked across the borough to provide awareness of the dangers that coronavirus posed to people and helped to create awareness of the need for vaccinations.

Networking activities with other Ministries and Community Groups more than doubled over the previous year due to the lockdown restrictions. Prior to COVID-19, many leaders did not understand how to use social media to hold services and increasingly, many needed training and support to help them broadcast their services and we were on hand to provide some of what was needed. Sadly, within our community in Croydon, many deaths occurred and bereaved families needed counselling, comforting and help in planning the funeral of their loved ones who died as a result of the virus. We had less in-person contact events in the community but when the opportunity presented itself, we held socially distanced Community-based Projects during the year which included rallies and prayers in front of our town hall in support of Black lives matter, community interactive sessions to sensitize people about the need for vaccinations against Covid-19, Joint Interfaith Engagement Meetings and workshops to offer advisory support to parents/children.

We started a daily support group for church members and leaders and these proved very effective and they are still actively running on Zoom. We have continued to hold a regular weekly meeting for Church Leaders in Croydon, where we continue to develop and build bridges amongst Hard-to-Reach Communities, highlighting issues around Equality, Diversity, Racism, and Effective Collaboration.

In our previous year's report, we reported that we signed a new lease in January 2019 for 37,

Tamworth Road, Croydon CR0 1XT and that refurbishment works started immediately in trying to bring the building into use.

Unfortunately, with the lockdown and reduced revenue, the refurbishment

works stalled. Fortunately, we received some financial support through the various grants that were processed through our local authority and the bounce back loan which the government awarded us through our bank. These support packages helped a great deal in keeping our heads above water but not enough to carry us through the bulk of the work that needed doing.

---

### Main Achievements during the Year

We discovered that Zoom gave us a wider range and opportunity to reach out to people from outside of the United Kingdom. This has given rise to more creative ways of using social media to broadcast our services.

We have now embarked on refurbishing our main hall which on completion will serve the community in Croydon in various ways. As a result of the larger space secured through the new Building, we are able to develop more and new partnerships with other faith and non-faith organisations. We have been meeting with interest groups within our community and have collaborated with them on various initiatives.

Our New Year's Eve Service has always encouraged joint participation with at least 4/5 churches within Croydon, and usually attracts at least 600 people.

Unfortunately, last December, we could not hold the service in person.

### Plans for the future

As the work of renovation and restoration of the building continues, we will have an opportunity to further increase the participation of diverse community groups, churches, the local authority and individuals from the local community. It is our aim to widen participation as much as possible, so our building will be known as a safe, secure and welcoming place, to all those who use it throughout Croydon and beyond.

Planned activities will include Easter and Christmas Musicals, Concerts with other churches participating, Community Programs to address the issues of those young people who are Not in Education, Employment or Training (NEET), Youth Violence, Health Issues for both Adults and children, especially with the high rates of obesity in Croydon, Domestic Violence, Joint Community Collaboration with a 'Soup Kitchen' and an Outreach to Refugee Mothers, who are Newly Arrived in the United Kingdom. We also are working in collaboration

with other churches to find the best ways to support families fleeing from the devastation in Ukraine.

Signed:

Mrs Sandra Luke – Chairperson

## **Independent Examiner's Report to the Trustee of TABERNACLE OF PRAISE MINISTRIES**

**Year ended 31 March 2021**

---

I report to the trustee on my examination of the financial statements of TABERNACLE OF PRAISE MINISTRIES ('the charity') for the year ended 31 March 2021.

### **Responsibilities and basis of report**

As the trustee of the company (and also its director for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **Notes to the Financial Statements**

**Year ended 31 March 2021**

---

### **1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is .

### **2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

### **3. Accounting policies**

#### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### **Going concern**

There are no material uncertainties about the charity's ability to continue.

#### **Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustee for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

## 3. Accounting policies *(continued)*

### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

## 3. Accounting policies *(continued)*

### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

### Financial Instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

# TABERNACLE OF PRAISE MINISTRIES

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2021

## 3. Accounting policies *(continued)*

### Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
