MESSAGE FROM OUR CHAIRMAN

EDUCATION FOR HEALTH CHAIR'S REPORT 2022-23

2022 will be remembered for a war in Europe, the global increase in the cost-of-living consequent on that and the aftermath of remobilising following COVID.

Against that challenging background it is a pleasure to report on the healthy state of Education for Health at the end of the fiscal year 22-23.

The charity entered 2022 having undertaken a fundamental organisational restructure. This followed a period of transformation from traditional distance learning approaches with mixed methods with including paper course books, face to face and some e-learning to comprehensive electronic courses with online support including tutorials and discussion groups. This digital approach not only allowed on going activity during the pandemic but suits contemporary learning styles.

We continue to offer accredited courses including a master's degree with our academic partners the University of Hertfordshire. We were also delighted to develop and to be able to offer a Postgraduate Certificates in Respiratory Practice this year - early uptake is good. Most demand from our portfolio is for courses on Respiratory Disease, Cardiac Disease and Diabetes.

In addition to the academic courses, we have a portfolio of activity allowing professional updates. There is a wide variety from study days, workshops, webinars, masterclasses, and bite sized learning offerings online. Reflecting the challenge of re-establishing healthcare capability accredited courses on spirometry are in constant demand.

Our products continue to evolve for example offering learning needs analysis for organisations such as whole GP teams, diagnostic centres, and health areas. We also offer several disease profiling tools which map the health needs in an area, this allows the targeting of training and the equipping of teams with the opportunity to look at health improvement as services evolve.

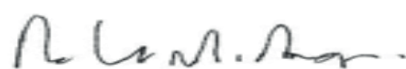

We are also taking our educational products to new areas and engaging new partners.

New partnerships have developed across the healthcare sector with pharmaceutical companies, health delivery companies and equipment manufacturers. We are also working with the new NHS structures centrally and regionally with a particular focus Integrated care boards and Diagnostic Centres.

At the heart of all this is the individual learner and while maintaining quality we are also striving to improve their experience from enrolment with website enhancements through to the options for learning support.

The course schedule is now published a full year ahead on a rolling basis allowing better planning.

Given the Global situation we are pleased to report the charity is in a sound position and set for growth with a capable team, a contemporary and pertinent set of learning products and we thank everyone who has made this possible.

Dr Robert Angus,
Chairman

OUR PEOPLE

The Chief Executive, Dr Linda Edwards, is supported by an Executive Team comprising, Deputy Chief Executive, Becky Harkcom; Director of Learning Design and Quality, Ann Saxon; (until July 2022) Director of Partnerships and Customer Experience, Adam Smith and from June to December 2022 Director of Marketing and Communications Andrew Lewis

The organisation comprises of a core staff of 21 supported by a team of clinical and elearning design associates. Together we provide high quality education and training. We are also privileged to work with volunteers from time to time, who add a further dimension to our work.

Dr Linda Edwards, Chief Executive

OBJECTIVES AND ACTIVITIES:

VISION, PURPOSE, OBJECTS AND AIMS

Our Vision is a world where people with Long Term Conditions have access to the help and support they need to live healthy and fulfilling lives.

The Charity's objectives are:

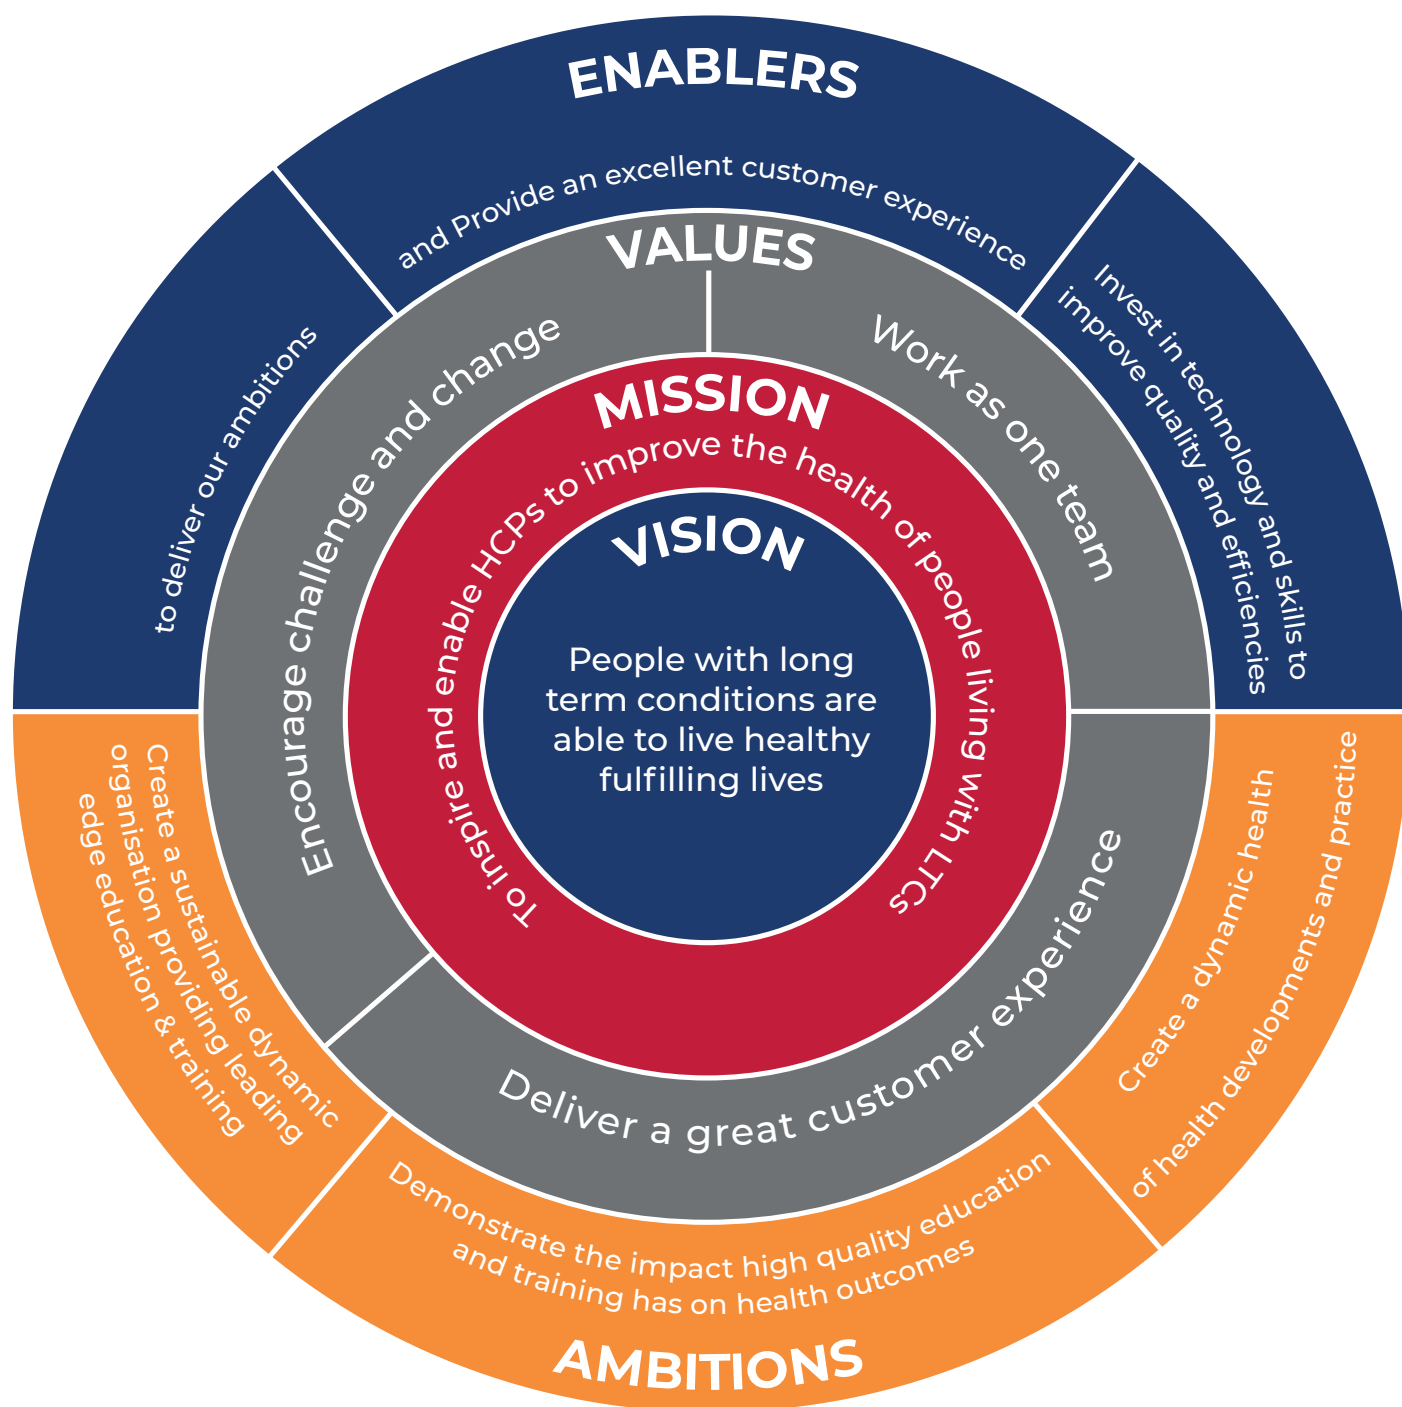

1. To promote the health and wellbeing of the general public through the provision of education to those who can influence others, including patients and the public, in such areas as the trustees of the Charity may at their absolute discretion from time to time determine;

2. For the public benefit, to relieve sickness through the promotion of preventative measures, and the provision of excellence in care, treatment and management of disease, and the carrying out of research into such diseases as the trustees of the Charity may at their absolute discretion from time to time determine;

3. The furtherance and pursuance of charitable purposes which are exclusively charitable according to the laws of England and Wales as the trustees of the Charity may at their absolute discretion from time to time determine.

OUR VISION AMBITIONS AND ENABLERS

OVERVIEW OF OUR ACTIVITIES

ACHIEVEMENTS AND IMPACT

What we intended to do in 2022/23

- 1 Grow our market share**
Our focus was to demonstrate the value of targeted education and training to support the NHS recovery from Covid. The education and training model was designed to be flexible, accommodating the needs of busy health care professionals.
- 2 Increase our reach**
We agreed to focus our efforts on raising awareness of the applicability of our education and training to a wide range of health care professionals. The purpose being to grow and support multi-disciplinary team development, supporting our aim of improving health outcomes.
- 3 Build on our high quality clinical and support portfolio**
Our emphasis was to provide a range of high quality education and training to professionals at all levels of their career and provide support services to embed their learning into practice. This would be supported by an explicit quality assurance framework.
- 4 Improving Health outcomes**
By demonstrating the impact education and training has on clinical knowledge and know how, with the ultimate outcome of improving health outcomes.
- 5 Increase efficiencies**
By ensuring that the wider EfH team has access to the right resources to increase efficiencies and provide a great customer experience.

What we achieved in 2022/23

The ongoing impact of the pandemic, catalysed our shift to;

- **The realignment of our portfolio** to meet the changing needs of health care professionals, distinguishing between professional development and academic learning.
- **Ran a series of open webinars** in key areas aligned to NHS priorities and workforce retention.
- **Increased our overall learner** numbers to over 25,000.
- **Became a market leader** in Spirometry training and support services.
- **Partnered with several organisations** and charities to provide the knowledge and know how to the NHS workforce.
- **Ran three NHSE** national contracts at scale.
- **Demonstrated the validity** of our portfolio to people at all stages in their careers from Healthcare Assistants through to Specialist Practitioners.
- **Created a podcast series** focusing on Women Leading in Health.
- **Realigned our infrastructure** ad automated processes to streamline support and access to our learning materials.

ACHIEVEMENTS AND PERFORMANCE

FINANCIAL PERFORMANCE SUMMARY

£'000	Income	Expenditure	Operating result	Net Exceptional income 2019/20 and government grant 2020/21	Investment gains/(losses)	Net Movement
2022/23	1,479	(1,472)	7		(34)	(26)
2021/22	1,315	(1,748)	(433)		114	(318)
Movement	164	276	440		(148)	292
	12%	16%				92%

FINANCIAL RESULTS FOR THE YEAR

The program of change implemented at the end of 2021 resulted in an increase in income in 22/23 against the previous year of 12% whilst costs decreased by 16%. These changes have resulted in an operating profit for the year of £7k, in line with

our target to break even in the year and our 3 year plan to grow reserves. In order to protect the charity from exceptional volatility in the stock market the decision was made during the year to liquidate our investments. This resulted in realised losses of £34k.

DESIGNATED RESERVES

Our £0.47m designated reserves are made up of:

1. The designated strategic development fund of £0.15m, is used to fund and support our strategic initiatives.

2. The operating fund of £0.2m reflects our moral obligation to support our existing students to complete their studies, the reduction from last year reflects the teach out of the undergraduate programme and the change in our business model.

3. £0.12m being fixed assets not readily convertible to cash.

RESERVES POLICY

As part of the 2022/23 budget setting process, our Finance, Audit and Risk Committee reviewed Education for Health's Reserves Policy. It was confirmed that the policy agreed previously was still valid and that Education for Health maintained free reserves:

- To provide a sustainable and appropriate level of working capital
- To allow for period of unexpected drops of planned income

- To cope with sudden short term increases in planned expenditure
- To provide cover for other risks, contingencies or unforeseen events.

As a result, a target free reserve of £1m was agreed.

At 31 March 2023, unrestricted free reserves of the group, excluding designated reserves, amounted to £931k, calculated as follows:

	Group £'000
Total funds	1,401
Less restricted funds	–
Less designated reserve	470
Free reserves	931

LOOKING FORWARD

We operate in an environment of constant change. The NHS and wider health and care system have been under extreme pressure since the start of the Covid pandemic.

Health and care professionals have never experienced such unrelenting pressure; add to this the planned Javid review and we have a system in turmoil. At no time has appropriate education and training been more important, however in general there will be less time for traditional programmes. Access to easily digestible education and training will be paramount during this period, providing

people with access to the vital knowledge and knowhow to enable them to practice safely. We will diversify and flex our intellectual property to provide learning in ways pertinent to the needs of healthcare professionals throughout this period and beyond.

GOING CONCERN

Following the strategic actions in response to the pandemic, the Charity now benefits from an Interactive Online Blended Learning model which provides maximum flexibility for learners.

The strategic action taken in 2020 and 2021 focussed on re-assessing our delivery model, building capacity and capability for future growth; right sizing our organisation. Education for Health is on track to achieve the overarching objectives set until 2025 and the three year financial targets set to build reserves. The Trustees continue to closely monitor the financial position of the charity, to ensure that it adapts to the needs of the market for the foreseeable future.

In April 2023 the Board of Trustees approved a budget for 2023/24 which reflects a continued

upward trajectory in our financial results consistent with our ambition to increase our reserve position.

With our revised business model and business plans in place, the Board has reviewed the financial sustainability of the group and are of the opinion that Education for Health is ideally placed to continue to provide high quality education and training into the future.

On this basis the trustees are happy to prepare the financial statements on a going concern basis.

INVESTMENT POLICY AND PERFORMANCE

Education for Health seeks to produce the best financial return within an acceptable level of risk. In August 2022 the Trustees having assessed the risk made the decision to temporarily liquidate our investments in favour of a treasury bond. On behalf of the Board, the Finance, Audit and Risk Committee monitors the activities and performance, the decision has been made to reenter the investment market in September 2023. Our investment policy states:

- The long-term investment objective is to produce a level of return in excess of inflation.
- The short-term investment objective is to produce sufficient income to support the ongoing activities of Education for Health. A target income is agreed with the investment manager on an annual basis to enable effective budgeting.
- Investment assets being held as reserves define our attitude to risk; thus, a maximum of 10% of the portfolio can be invested in property and hedge funds (assets that cannot be available to meet unanticipated cash flow requirements within five days of demand).
- The Charity's assets can be invested widely and is diversified by asset class, and by security. Asset classes could include cash, bonds, equities, property, hedge funds, structured products, private equity, commodities and any other asset that is deemed suitable for the Charity. The Finance, Audit and Risk Committee is charged with agreeing a suitable asset allocation strategy for the invested reserves with the investment manager.
- The base currency of the investment portfolio is Sterling. Investment may be made in non-Sterling assets. Hedge funds are permitted, not exceeding 5% of the total value of the portfolio.

- The Charity's cash balances should be deposited with institutions with a minimum rating of A- or invested in a diversified money market fund.
- The Charity has adopted an ethical investment policy to ensure that its investments do not conflict with its aims and objectives. A company that generates revenues from the cultivation of tobacco or the manufacture of

tobacco products is deemed to conflict with the Charity's aims and objectives. The policy therefore precludes:-

- Direct investment in a Tobacco Company.
- Indirect investment in a Tobacco Company through investment in any investment fund (but not an index tracker fund) which itself invests in a Tobacco Company.

The Charity monitors investment performances against predetermined criteria and benchmarks. There is currently considerable uncertainty within the markets, as a result of geopolitical factors. This resulted in realised losses in the year of £34k (2021/22 gain for the year £129k and Unrealised losses of £14k). Investment income of £44k (2021/22 £56k) was received.

RISK

Education for Health has defined its strategic risks as those matters which could inhibit the achievement of our charitable objects.

A dynamic process is in place that allows the Board, Senior Leadership Team and all staff to identify events or actions, which may adversely affect the achievement of our strategy.

Once identified, appropriate systems and procedures are put in place to mitigate the risks. The Senior Leadership Team, which equates to our Executive Team, reviews the risks regularly, whilst the Board reviews the risk register at Finance, Audit and Risk Committee and Board Meetings in order to monitor progress made in mitigating the risks.

The major risks identified relate to the long term financial sustainability of the charity:

1. Dependency on a limited number of income sources

2. Ability of reserves to support the charity in the long term

3. Increased risk from cyber security attacks

4. Succession planning for Board and Senior Management Team

5. Capabilities to achieve income targets

We are working closely with third party advisers to minimise the risk of security attacks and to ensure their impact is reduced, should it happen.

The Board of Trustees have agreed an appointment plan that will provide both the capabilities required within the organisation and a succession plan. The additional skills will support agreed targets to diversify income streams and build reserves to the optimum target.

The Board of Trustees is satisfied that reasonable steps are being taken to limit the probability and impact of these risks.

STRUCTURE AND BOARD

Education for Health is a Company Limited by Guarantee and a Charity registered with the Charity Commission. The Charity is regulated by its Memorandum and Articles of Association adopted on 30 July 1995 and last amended on 27 September 2016.

The Board of Trustees (who are also Directors) are responsible for the overall governance of the Charity. The Articles specify that there are to be a minimum of five Trustees but no maximum is specified. Trustees are expected to attend a Strategic Planning Day each year where, with the Executive Team, the long-term aims of the Charity are developed. In addition to the Annual General Meeting, the Board meets four times per annum when Trustees review the Charity's performance, future operating plans and budgets. Extraordinary Board Meetings are also held as required. Meetings are sometimes convened via a teleconference call, to enable wider participation. The Board, Chief Executive and Senior Leadership Team are also involved in a joint annual strategic planning event.

There are two formal sub-committees of the Board of Trustees which are accountable to the Board; the Finance, Audit and Risk Committee and the Nominations Committee. Each committee has its own Terms of Reference and reports to the full Board.

The purpose of the Nominations Committee is:

- **to assist the Board in fulfilling its responsibilities by assessing, screening and nominating suitable and capable candidates to serve on the Board**
- **to make recommendations on the composition of the Board related to skill mix**
- **to oversee Trustee induction and developing and recommending to the Board performance measures to assess Board effectiveness.**

BOARD INDUCTION

The appointment of new Trustees follows advertisements placed with specialist bodies and stakeholders. Applicants are shortlisted against agreed criteria and interviews carried out by a representative panel of Trustees of the Charity. The preferred candidate is invited to join the Board subject to approval by the full Trustee Board and formal vetting. New Trustees are offered an induction and encouraged to become involved in the Charity's activities and sub-committees.

MANAGEMENT

The Board delegates the power in connection with the day-to-day management and administration of the Charity to the Chief Executive. Performance and risk is measured against strategic objectives, with regular reporting to the Board, so that decisions made under delegated power can be ratified by the full Board. The Chief Executive is responsible for the day-to-day management of the Charity's affairs and for implementing policies agreed by the Board.

REMUNERATION

The remuneration and rewards policy aims to pay all staff fairly and in a way that ensures we attract and retain the right skills to have the greatest impact on delivering the Charity's objectives. The Board of Trustees determines the salary of the Chief Executive. The Chief Executive recommends salary increases for the Senior Leadership team of the Charity for Board approval. Pay awards are made after taking into account Retail Price Index, the performance of the Charity and the extent to which its objectives have been achieved, and the contribution of the individual to achieving the Charity's objectives, which is measured through the annual appraisal process. All salaries are

benchmarked against comparable roles in similar sectors.

For other staff, the Board of Trustees have delegated responsibility to the Internal Remuneration Committee to:

- **Administer the Charity's system of staff remuneration including: pay, pensions and any additional benefits in adherence with the Remuneration Policy and in line with the values of the Charity**
- **Review the recommendations for annual staff pay increases, which are then ratified by the Trustees as part of the budget process**
- **Ensure that the remuneration offered works both to reward staff for their performance, but also takes into account the affordability to the Charity**
- **Ensure that pay levels correspond with other policies the Charity has, such as the risk policy, and are aligned to the strategic aims**
- **Review salaries of staff against relevant benchmarks**
- **Consider the need for an independent evaluation of pay levels at least every five years so that Trustees are clear what is happening to salaries in this and other sectors**
- **Be aware of major changes in employee benefits, including pay, pensions and other rewards and make recommendations to amend the Remuneration Policy based on these changes**
- **Ensure the Policy is applied consistently across the Charity.**

Purpose of the Finance, Risk and Audit Committee is to support Trustees in meeting their responsibilities for risk management, internal controls and efficient and effective use of funds.

The Charity has the following subsidiaries:- Education for Health Trading Limited (100% owned), National Respiratory Training Centre Limited (100% owned) dormant since its incorporation, and Respiratory Education UK (100% owned). All subsidiaries were dormant during 2020/21.

We have two Patrons. Mrs Greta Barnes MBE, the Founder of our Charity, and Baroness Julia Cumberlege CBE, DL.

TRUSTEES' RESPONSIBILITIES

The Trustees (also Directors of Education for Health for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charitable company and the Group and of the incoming resources and application of resources, including the income and expenditure, of the Group for that period. In preparing these financial statements, the Trustees are required to:

1. **Select suitable** accounting policies and then apply them consistently
2. **Observe the** methods and principles in the Charities SORP
3. **Make judgements** and estimates that are reasonable and prudent
4. **Prepare the** financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and the Group and, hence, taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

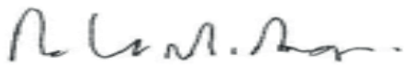

AUDITORS

The Directors resolved that Dains Audit Limited be appointed as auditors.

STATEMENT AS TO THE DISCLOSURE OF INFORMATION TO AUDITORS

The Directors who were in office on the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the Auditors are unaware. Each of the Directors has confirmed that they have taken all the steps that they ought to have taken as Directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the Auditors.

Approved by the Board on 31 October 2023 and signed on its behalf by:

Robert Angus

Director/Chairman, the Board of Trustees

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EDUCATION FOR HEALTH

OPINION

We have audited the financial statements of Education for Health (the 'charitable company') and its subsidiary undertakings (the 'group') for the year ended 31 March 2023 which comprise the Consolidated Statement of Financial Activities, the Consolidated and Charity Balance Sheet, the Consolidated Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- **give a true and fair view of the state of the group and charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;**
- **have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and**
- **have been prepared in accordance with the requirements of the Companies Act 2006.**

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the the group and charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the Annual Report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report and the Strategic Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report and the Strategic Report included within the Trustees' Report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the group and charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report or the Strategic Report included within the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Statement of Trustees' responsibilities set out on page 14, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group and charitable company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

THE EXTENT TO WHICH THE AUDIT WAS CONSIDERED CAPABLE OF DETECTING IRREGULARITIES, INCLUDING FRAUD

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- **the senior statutory auditor ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;**
- **we identified the laws and regulations applicable to the group and charitable company through discussions with Trustees and other management, and from our commercial knowledge and experience of the charity sector;**
- **we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the group and charitable company, including the financial reporting legislation, Companies Act 2006, taxation legislation, anti-bribery, employment, and environmental and health and safety legislation;**
- **we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and**
- **identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.**

We assessed the susceptibility of the group and charitable company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- **making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and**

- **considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.**

To address the risk of fraud through management bias and override of controls, we:

- **performed analytical procedures to identify any unusual or unexpected relationships;**
- **tested journal entries to identify unusual transactions;**
- **assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and**
- **investigated the rationale behind significant or unusual transactions.**

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- **agreeing financial statement disclosures to underlying supporting documentation;**
- **reading the minutes of meetings of those charged with governance;**
- **enquiring of management as to actual and potential litigation and claims; and**
- **reviewing correspondence with HMRC, relevant regulators and the group and charitable company's legal advisors.**

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

USE OF OUR REPORT

This report is made solely to the group's and charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows

a) Basis of Accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Education for Health meets the definition of a public benefit entity under the Charities Act, assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s). The financial statements are prepared in Sterling which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £, unless otherwise stated.

b) Preparation of the Accounts on a Going Concern Basis

The Charity has prepared detailed forecasts of both income and expenditure and cash on a Group basis. Reserves of the Group currently stand at £1,401k (31 March 2022: £1,427k). Having considered these documents together with risk and reserves policy the Trustees are of the view that the Charity is a going concern. The reserves are represented by investment assets of £nil (31 March 2022: £2,262k), cash of £2,905k (31 March 2022: £195k) and liabilities of £1,984k (31 March 2022: £1,353k).

Taking into account the impact of the COVID-19 pandemic the Trustees have modelled forecasts that show that the charity can absorb deficits within available working capital and without any

material recourse either to the investment portfolio or to external debt. Based on this, the Trustees consider that adequate resources exist to continue in operational existence for the foreseeable future and that it is appropriate to adopt the going concern basis in preparing the financial statements.

c) Group Financial Statements

The financial statements consolidate the results of the Charity and its wholly owned subsidiaries on a line-by-line basis. A separate Statement of Financial Activities and Income and Expenditure Account for the Charity has not been presented because the Charity has taken advantage of the exemption afforded by Section 408 of the Companies Act 2006. The Charity has also taken advantage of the exemption available under FRS 102 and has not presented a statement of cash flows for the parent.

d) Fund Accounting

The general fund consists of the accumulated surpluses on the consolidated statement of financial activities, less any funds designated by the Directors for specific purposes.

Designated funds are funds which have been set aside by the Directors for specific purposes. The purpose of the designated funds is set out in the notes to the accounts.

Restricted funds are funds for which the donor has specifically restricted the purpose for which they can be used. The balance in the fund represents the amount still remaining for future expenditure.

e) Fixed Assets and Depreciation

Fixed assets are stated at cost less accumulated depreciation. The cost of minor additions to fixed assets, defined as those costing less than £85 each, is expensed in the year in which the cost is incurred.

Depreciation is provided to write off the cost of assets by equal instalments over their estimated useful lives as follows:

Equipment, furniture, fixtures and fittings - **5-20 years**

Laptops - **3 years**

Other Computer equipment - **5 years**

Short leasehold property improvements - **over lease term**

f) Investments

Listed investments are included in the accounts at fair value. Gains or losses on revaluation are recognised in the SOFA and credited or debited to the relevant funds.

Investments in subsidiaries are stated at cost.

g) Investment income

Dividends are credited to the SOFA when receivable.

Interest on cash held is accrued on a daily basis and is credited on this basis to the SOFA.

h) Government Grant

The Government grant received are included in the SOFA when legally entitled to the income and there is reasonable assurance all conditions are met.

i) Pension costs

The Charity operates defined contribution schemes available to all of its employees. The schemes' funds are administered by Trustees and are independent of the Charity's finances. The Charity's contributions to the schemes are charged in the accounts as they accrue.

j) Income

All incoming resources are included in the SOFA when the Charity is legally entitled to the income. Course fee income is recognised and included in the SOFA for the financial year in proportion to the total fee by a measure of the course length elapsed and value of services delivered by time and materials.

k) Expenditure and Irrecoverable VAT

All resources expended are accounted for on an accruals basis. Costs are classified under headings that aggregate all similar costs and which can then be related to costs of raising funds and charitable activities.

Costs of raising funds are primarily investment management fees and other expenses incurred in trading activities that raise funds.

Charitable activities expenditure primarily includes costs associated with educational activity, books and resources and research activity. They include both direct and support costs relating to these activities.

Support costs are those functions that assist the work of the Charity but do not directly undertake charitable activities.

Support costs include central functions and governance costs and have been allocated to activity cost categories on a basis consistent with the use of resources by activities irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

l) Research

Expenditure on research is written off as incurred, other than when there is a defined project with certain income.

m) Operating Leases

The rentals payable under operating leases are charged/credited in the SOFA on a straight line basis over the lease term.

n) Intangible Fixed Assets

- Development Costs

Expenditure on developing modules is carried forward to match against future revenue. Following the change in our portfolio the costs brought forward have been amortised in the year. As a result, at 31 March 2023, £35k (2022: £9k) has been carried forward.

- Software/Website

Expenditure on software and website development is carried forward to match against expected future benefit. As a result, at 31 March 2023, £30k (2022: £31k) has been carried forward. The expenditure is being written off over three years (software) and five years (website).

o) Recognition of Liabilities

Liabilities are recognised when either a constructive or legal obligation exists.

p) Basis of Consolidation

The consolidated financial statements incorporate those of Education for Health and all of its subsidiaries (i.e. entities that the Group controls through its power to govern the financial and operating policies so as to obtain economic benefits). Subsidiaries acquired during the year are consolidated using the purchase method. Their results are incorporated from the date that control passes. All financial statements are made up to 31 March 2023.

All intra-group transactions, balances and unrealised gains on transactions between Group companies are eliminated on consolidation. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by other members of the Group.

q) Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

r) Donated services

In accordance with the Charities SORP (FRS 102) the general volunteer time of the Trustees and administration volunteers is not recognised.

s) Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In capitalising course development costs and their subsequent amortisation, management makes judgements as to the future viability of courses and the likely life of the courses.

2. LEGAL STATUS

The Charity is a Company Limited by Guarantee incorporated in England and Wales. Linda Edwards (Chief Executive) and all the current Trustees as shown on Page 46 are members of the Charity. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charity.

The address of the Charity's registered office and principal place of business is 1 Lowes Lane Business Park, Lowes Lane, Wellesbourne, CV35 9RB.

3. FINANCIAL PERFORMANCE OF THE CHARITY

The consolidated statement of financial activities includes the results of the Charity's wholly owned subsidiaries Respiratory Education UK and Education for Health Trading Limited.

The results of the parent company Education for Health were as follows:

	Group 12 Months to 31/03/2023 Total	Group 12 Months to 31/03/2022 Total
	£	£

Unrestricted reserves	1,427,181	(26,329)	-	1,400,852

The strategic development fund is to support the period of change the charity is currently undergoing. With the intention to ensure infrastructure, resource and products are fully aligned to enable delivery of our strategic aims over the next three years. The operating fund is the amount required to allow students to complete programmes of study. The reduction in the year reflects the teach out of our undergraduate programme. The resource management fund is to fund unexpected resource requirements in the unexpected circumstances of maternity leave or long term illness. Fixed assets and intangible assets reserves reflect assets not readily converted to cash.
