Treasurer's AGM statement 16th October 2024

You may know that I have now completed my 3 year term as treasurer for the U3a Banstead. I will be standing down after the AGM and I would like to thank everybody I have worked with for their support and good humour.

When I started in 2021, we were just coming out of Covid and we were getting mixed messages from the government and media to what restrictions should and should not be adhered to.

Consequently, three years ago our numbers had significantly dropped and some groups had folded while others were still meeting by Zoom. Our core function of sharing knowledge and learning was not being properly addressed.

Then our turnover was £30,000. Now this has nearly doubled to £55,000 which reflects the hard work and initiative that the Committee, initially led by Gill Ross and last year by Jennifer and Emma have put in at revitalising our U3a.

Their initiatives include:

- Asking our members to allowed us to claim Gift Aid, which contributed £1,347 last year. Many thanks to those members.
- Last year, Jennifer and Emma applied for and received a grant from Reigate and Banstead Borough Council for £4,900. The underling purpose of the grant was to get people out of their homes.
- The grant allowed Jennifer and her team to organise events such as coffee mornings, a series

of 50's 60's and jive nights. All of which have been very successful.

- The grant also allowed us to greatly increase publicity.

The result is that membership is now well above pre-covid levels. So the objective of the grant has been fulfilled.

Over the last 3 years we have taken steps to ensure that the U3a Banstead is on a sound financial footing aiming to be in a position to report a sensible profit each year.

For over 10 years our annual subscription was £10 per year. Over half of this was taken TAT, our umbrella group. It soon became clear that the remaining money was not sufficient to cover the normal running costs of our U3a. Consequently, the subscription was put up to £15 from September 2023, which will remain for next year.

In 1996 we were left a legacy by Odette Ellicott of £45,000. The income from this legacy has traditionally paid for the hall hire subsidy. But since Covid the cost of the subsidy has substantially increased.

In 1996 we were not a registered charity so it was agreed at the time that TAT would administer the legacy and pass on the income to the U3a Banstead. They invested the legacy with the Church, Charities Local Authorities Investments who purchased COIF funds.

We needed to know if the income from what remained of the legacy would cover the projected £6,000 costs per year for hall hire subsidy. For which, in the two years 21-23 we withdrew £10,500, via TAT.

As we are now a charity, both TAT and ourselves believed it more sensible for the U3a Banstead to administer the fund directly. But to take control it transpired that financial statements from COIF were unclear and TAT had authorised payments to us from their own accounts for £1,700. This we had to repay before TAT would release the fund to the U3a Banstead's control.

We now estimate the fund will generate only about £1,000 per year. So continued hall hire subsidy was unsustainable. Consequently we notified all group leaders in May that this would cease from 1 September 2024. And we thank all those who appreciated the necessity of this for their understanding.

In line with our financial policy the Committee has decided leave the fund for a year and see the actual income. Then a realistic decision can be made on the type of projects that will benefit all the members.

We made a small operating loss in 23-24 year of £402 which included the grant of £4,900. In 24-25 we will not have the grant but we will not be paying £5,757 for hall hire subsidy. Therefore, we anticipate a return to profit.

We are now on a sound financial footing and after all liabilities, such as ringfenced monies for groups, have been taken into account our cash reserves stood at £2,254 at 31st August 2024. In keeping with other U3as we intend to, in the long term, increase this to 1 years normal operating costs which is approximately £10,000.

Phil Wilkins has very kindly volunteered to be the Treasurer for the next 3 years. He is the very experienced and is treasurer of much larger charities.

So, along with Jennifer as Chair and a strong committee
, you will be good hands.

Any questions.

The original OELF was valued at £46.5K in 1995. TAT invested £40K in a Fixed Dividend Bond A/C yielding initial period of 6 years, dropping to 2.6% thereafter. The value of the Bonds was not guaranteed and at 31 was approx £38.5K.

I propose that we sell the Bonds and transfer the cash into a CCLA Fixed Interest Deposit A/C currently yield 4.50%. I have confirmation that there are no Corporation Tax liabilities

The above table forecasts our Cashflow over the 2024/25 financial year and demonstrates that we could transfer from our HSBC Current A/C (earning 0.0% Interest) into the CCLA Deposit A/C earning a further £360pa. If our generation was not as strong as expected, at any point, we could transfer cash back into HSBC.

d - Medium Term Viability

Member No's have steadily increased so it is unlikely that they will fall in the next few years

Most Member costs are directly linked to Member No's

We have talked about supporting new Groups during build-up of members but could be withdrawn at any time

We don't seek to make a surplus and don't confirm costs, e.g. coaches until tickets sold

The in-house events have generated significant Surplus this year to date.

With the change to fixed interest savings, the risk element has been removed

We have no reason to continually build up reserves. We have the "rainy day fund" in the form of the £40K still remaining of the OELF

Note:

1. The 2022-23 figure was reported as £68,276 in error and should have been £40,300. This was due to the COIF financial statement issued by TAT on 31 March 2023 being unclear. A total of £63,276 was shown on the front page. A more detailed examination

2023-24 (£)

2022-23 (£)

revealed that £22,976 of this money was TATs and not the U3a Banstead's.
Hence the value of the the U3a Banstead's OELF was £40,300 for 2022-23.
