"bringing the community together"

Objects of the Charity and its Principal Activity.

To promote the benefit of the inhabitants of the Town of Bexhill and the neighbourhood without distinction of age or sex or of political, religious or other opinions by providing facilities in the interests of social welfare for education recreation and leisure time activities with the object of improving the conditions of life for the said inhabitants and in particular but without prejudice to the generality of the foregoing to establish a community centre in the area of benefit.

Review of Activities

The Summary income and expenditure account is set out on page 4 and shows the charities results for the year

Centre

March 2020 brought the first lockdown of the Covid 19 pandemic and all groups closed their doors. The Base continued to provide limited care for keyworker children. The table tennis section continued to develop under new leadership and developed practice sessions in a Covid safe environment which allowed players to continue their sport in uncertain times.

Stepping Stones Playgroup

The Staff team have been developing and growing to meet the needs of the children that are in attendance as well as maintaining new practices to ensure that all children were monitored during the lockdowns before returning to continue providing the certainty in their little lives.

The Bexhill After School Escape (The Base)

The Base staff team continue to provide and develop a safe and secure environment providing before and after school activities and childcare through the holidays. The start of the Covid 19 pandemic and lockdown in March kept us providing a limited service for keyworker children and we have developed through the year and continued to provide after school care for the children of parents who were continuing their roles as key and essential workers.

Director's Statement and Disclaimer

We are aware that the Directors are required by the Charity Commission to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the organisation as at the end of the financial year. We can only apologise for the late submission of these accounts which is due to circumstances beyond the control of the current committee.

In the case of 2020 /2021 accounts period the company faced several challenges of due to the Covid-19 pandemic. Then, in 2022 our Centre Manager became seriously ill following a brain haemorrhage and the current Directors resigned and severing all contact with the Community Association. An extraordinary meeting was called and a new voluntary board of Directors were elected and a new committee was formed in October 2022. Our Centre manager is now back at work but is on epilepsy medication and has had further episodes.

I have notified the Charity Commissioners of the difficulties we have faced and I have been advised to upload the details we have for this financial period. We have just had the 2022/2023 accounts independently examined, however 2020/2021 and the period 2021/2022 did not have sufficient evidence for this to be done. Due to the circumstances mentioned above documentation has become mislaid and muddled and it cannot be independently examined.

Therefore, on behalf of the new board, I am signing these accounts which are to the best of our knowledge a true account of our financial situation for this period.
