REPORT OF THE TRUSTEES for the year ended 30th April 2024

The trustees present their report and accounts for the year to 30th April 2024. The trustees have opted, under section 133 of the Charities Act 2011 ('the Charities Act'), to prepare receipts and payments accounts

Objectives and Aims

We believe that the world should hear the good news of the gospel of Jesus Christ. We believe that Jesus Christ died for our sins on the cross that we could have a new life and fresh start in him. We believe that Jesus still heals today and this message is and will continue to be taken to the nations.

Public benefit

The Trustees have considered the Charity Commission guidance on public benefit and consider that the activities of the charity meet its charitable objectives and provide a benefit to the public.

Achievement and Performance

This financial year began with being given Bethel Pentecostal Church Tiverton so that we could do more for the community. We began a change in charity structure to accommodate the new building, moving from an old-style charity structure to a Charitable Incorporated Organisation. The provision of this building now meant that we had two locations, one in Tiverton and one in Fremington, Barnstaple. We were able to provide events and much needed services for the community in both locations. One of these monthly events was Messy Church in both locations where families could also come and enjoy a free breakfast. The trainee minister that we had financially supported, achieved his accreditation this year and so we positioned this newly qualified Minister at the Tiverton location. Both churches have seen a good number of people who want to grow in loving Jesus. We have provided community groups for pastoral care and discipleship programmes. We have had many salvations and some baptisms this year including some of our youth. We have continued developing the project work at the Hub on the Strand, including finalising our building plans and gaining approval with the local council and building control. In December, we provided Community Carol services at both locations which were well attended. We gave away selection boxes to the children. We have recently appointed a new youth worker who will also completing training through SWYM. We continue to tithe the tithe and we supported many charities and organisations including but not limited to CAP North Devon, South West Youth Ministries, CreationFest, and new church plants in the UK and in Europe. We were able to help fund attendees for Young Lions as part of the AoG Leadership programme for young people, and also send 2 of our members as coaches for the weekend. These weekends greatly encourage and equip those who go, and were edifying and enjoyable. We also financially supported those who wanted to attend our AOG area Days and we were able to send our team to the AOG National Conference

Financial review

The trustees consider the financial performance by the charity during the year to have been satisfactory.

The Statement of Financial Activities show net outgoing resources for the year of a revenue nature of £16,622 (PY: incoming £368)

Income received was £71,947 (PY: £102,998) and expenditure was £88,569 (PY: £102,630)

Reserves policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the Charity should be approximately six months of the resources expended. At this level the trustees feel that they would be able to continue the current activities of the Charity in the event of a significant drop in income.

Unrestricted cash reserves held at the year-end amounted to £27,850 (PY: £34,619)

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:
