Assemblies of God Pentecostal Church Trustees' Report for the year ended 31 December 2024

The trustees present their report and accounts for the year ended 31 December 2024. This report provides a comprehensive overview of the church's operations, financial performance, and future developments.

Trustee

The trustees serving on the Church Council are Elaine Palmer-Taylor (Chair) Audley Black, Dan Iliffe, Opeyemi Aketepe, Cilla Chiweshé. Appointment of trustees is governed by the Trust Deed of the charity. The Church Council is authorised to appoint new trustees to fill vacancies arising through resignation or death of an existing trustee. The appointment process is governed by the Trust Deed of the charity, which is a legal document that sets out the purpose, powers and rules of the charity.

Investment Powers

The Trust Deed also gives the trustees the authority to make and hold investments using the general funds of the charity, as long as they act in the best interests of the charity and its beneficiaries. However, the trustees have not made any investments with the general funds of the charity so far.

Constitution, Objects and Policies

The Charitable Trust is established by the Trust Deed for the advancement of the Christian faith. This is the main objective of the charity, and it is achieved by presenting the gospel of Jesus Christ in various ways to the community. The charity offers a range of services and activities that demonstrate both the spiritual and practical aspects of the Christian faith in the community where we live. The trustees and leadership team have followed the Charity Commission's guidance on public benefit and especially the specific guidance for charities that advance religion.

The policy of the Church is to seek, grow and develop and continue to run the projects that contribute to the local community and to the Vision of the fellowship of Assemblies of God Inc. The Vision states:

'The purpose of Assemblies of God is to give to every man. Woman and child the opportunity of understanding the gospel and to provide a church where they can grow and develop in ministry for the glory of God.'

Development, activities and achievements

The trustees consider that the church would not be able to exist without the continued support of a number of willing members who give their time and services voluntarily. By careful management and improved giving by the membership the general financial position has been sustained. The trustees consider that the church holds sufficient reserves to cover the ongoing expenses and liabilities of the charity.

The church has kept up its regular activities throughout the year, such as Sunday services, midweek meetings, prayer meetings, adult and youth bible study groups, children's church, outreach events, pastoral care and social activities. The church has also given support to various local and international missions and charities through visits, prayer and financial donations. The church has improved its online presence through its website and social media platforms. The church has also worked with other churches in the area on ecumenical initiatives, such as joint services, prayer events and community projects.

Church Building

The church building is in good condition, thanks to the regular maintenance and enhancement works that have been carried out on the structure and the surroundings. However, there is still room for improvement, as the church has plans to expand the hall, construct a new kitchen for catering purposes and a new toilet block.

Financial Review

This year's income predominately consists of tithes, offerings and gift aid amounted to £52,363 (£45,746 in 2023). Expenditure for direct church running costs was £47,143 (£40,142 in 2023), with related church activities coming to £4,215 (£4,537 for 2023).

The net income expenditure for the year is £1,005.

The total net worth of the church is £154,370 (£153,365 in 2023). This includes the church building at a historic value of £128,816, but in February 2019 the building was valued for insurance purposes at £950,000.

Future Developments

The church will continue to grow and develop with new self-financing projects so that the church's impact on the community of Redditch will be further enhanced. The planned extension of the church building will allow for more activities to be available to the community.

Statement of Trustees' Responsibilities

The trustees are required under the constitution of the charity to prepare financial statements each financial year which give a true and fair view of the state of affairs of the charity and of its results for that period. In preparing those financial statements the trustees are required to:

- (a) Select suitable accounting policies and apply them consistently. (b) Make judgements and estimates that are reasonable and prudent.
- (c) Prepare the financial statements on an ongoing concern basis unless it is inappropriate to assume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

This report was approved by the trustees on 31 August 2025 and signed on their behalf by

A handwritten signature in black ink, appearing to be 'E Palmer-Taylor', with a circular flourish at the end.

Rev Dr Elaine Palmer-Taylor

Independent Examiner's Report to the Trustees Assemblies of God Pentecostal Church for the year to 31 December 2024

This report on the financial statements of the charity for year ended 31 December 2024 set out on the following pages is in respect of an examination carried out in accordance with section 145 of the Charities Act 2011 ('the Act').

Respective responsibilities of charity and the examiner

The church is responsible for the preparation of the accounts; and considers that the audit requirement of section 144 (2) of the Charities Act 2011 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under section 145 (5) (b) of the Act, whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

I have completed my examination and I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the charity as required by section 130 of the Act or
- (2) the accounts do not accord with those records, or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Assemblies of God Pentecostal Church

Notes to the accounts

for the year to 31 December 2024

1.Accounting policies

Basis of preparation

The charity constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) published on 16 July 2014, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) the Charities Act 2011 the and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared on a going concern basis under the historical cost convention modified to include certain items at fair value.

No changes have been made to the financial statements for previous years unless otherwise stated within the notes as a prior year adjustment.

Funds

Unrestricted funds are income funds which are to be spent on the charity's general purpose.

Restricted funds comprise of two elements:-

- a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest.
- b) donations or grants received for a specific object or invited by the charity for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund. The church does not usually invest separately for each fund. Where there is no separate investment, interest is apportioned to individual funds on an average balance basis.

Income

Planned giving, collections and donations are recognised when received. Tax refunds are recognised when the incoming resource to which they relate is received. Grants and Legacies are accounted for when the church is legally entitled to the amounts due. All other income is recognised when it is receivable. All incoming resources are accounted for gross.

Resources expended

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding or constructive obligation on the charity. Amounts received specifically for mission are dealt with as restricted funds. All other expenditure is generally recognised when it is incurred and is accounted for gross.

Fixed assets

Tangible fixed assets for use by the charity are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets estimated residual value, over their expected useful lives.

11. Risk and Reserves Policies

The trustees continue to monitor risk and reserves via regular meetings and treasurer reports.

An officially agreed policy is under review. However, there is an unofficial policy equivalent to 3 months routine expenditure which based on 2024 and 2023 was £12,000.
