Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	FOB offer a variety of enriching events both for Brampton families and the general public. One of the most successful events offered is the annual firework night which is a fun, family event open to all including the general public. The event offers a fantastic firework display on the school field run by an external company, stalls offering food, refreshment and light up fun accessories. We have run this even for many years and it is always a great success and brings the local community together offering a more personal event compared to some of the larger displays run throughout the borough.

Review of the charity's financial position at the end of the period	Para 1.21	As at the end of the financial period the accounts reflect a healthy position. In this year we spent some of the unused funds from the previous financial year, making a total of £15k worth of donations to the school. The current bank balance is £13.5k with some funds already earmarked for projects this year.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Charity has historically taken the decision that a holding a fixed amount of reserve is unnecessary, instead adopting the approach that they ensure adequate funds are held on account to facilitate running any future planned events or financing any specific school projects. It has been agreed that the funds currently held on account will be utilised for buying new tents to support the school 'sleeping under the stars' event.

Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	As at the date of approving the report and accounts at the AGM, there was no reason to believe that the charity would have issues continuing as a going concern.
