RE: Annual Report Jan to Dec 2023

1. Introduction

- **Title:** Takaful Trust Association Annual Report, 2023
- kids learning, community social event - Facebook account:- Libyan school of North London

2. Executive Summary

- The charity's main activities and programmes centre around teaching and social activities. The Charity made significant strides in empowering children and fostering community cohesion. Despite the challenges posed by limited resources, we reached over 100 children and families, providing essential educational support and organising enriching community events.

3. Table of Contents

- List all sections of the report for easy navigation.

4. Message from the Chairperson/CEO/Director

- This was a fantastic year in terms of achievements of our young children who have enjoyed a great learning experience. As we look back on 2023, I am filled with pride in our charity which has made progress in bringing the community together despite facing a challenging economic climate. This has demonstrated the well of our community's commitment to our shared vision of empowering children and building a more connected community. "The children have contributed to the activities set and have enjoyed a great learning experience."

5. About Us / Mission Statement

Our mission is to provide high-quality educational to our children to support and contribute to the society at large. We will strive to create inclusive social events that strengthen community bonds and promote a sense of belonging for all

6. Highlights and Achievements

- Our children achievements and success stories can be found in our Facebook page under Libyan school of North London, - <https://www.facebook.com/LibyanSchoolofNorthLondon/>

7. Programme Overview

- **Teaching Kids:**
 - we believe that education is the key to unlocking a child's potential. Our educational programmes are designed to provide support to children who may want to learn their mother tongue language through targeted tutoring, engaging workshops, and interactive summer camps when possible. The aim is to boost academic performance and instil a love for learning in every child we serve. Detail the curriculum, learning outcomes, is available in our Facebook page.
- **Community Social Events:**
 - In addition to our educational programmes, we believe that a strong, connected community is vital for creating a supportive environment where children and families can thrive. Our social events aim to bring people together, celebrate diversity, and create spaces for shared experiences that build lasting connections Most of the social activities are conducted during the holiday gatherings where we organise cultural festivals and family fun days. The family fun days hosted over 20 families, i.e., 85 people participated in this event.

8. Financial Summary

- Present a clear breakdown of income and expenses:
 - **Income:** mostly from school fees and donations:£27,755
 - **Expenses:** School premises hire and educational programme costs such as teaching materials, event costs), and administrative expenses: £30,536
- Thanks to the generous support of one of the parents who donated £2000 to help pay for the hire of the classrooms and the administrative overhead.
